BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. - ):

TOPIC/SUBJECT OF THE ACTIVITY	Unveiling the annual departmental magazine, “Verdure”, 3rd Edition
OBJECTIVES	To create a platform through which budding scientists can hone their craft as well as indulge in their creativity be it arts or literature. Lastly, it serves as a vivid portrait of the memory of every batch that passes out through Sri Venkateswara College each year.
METHODOLOGY	At first, interviews were held to select the various post holders and members. Once the teams were formed, different ideas were weighed in amongst the students and the faculty. Students from all 3 batches were encouraged to send in their submissions.
OUTCOMES	As a means to reach out to lay audiences, it was decided that the focus of our writing will be to dispel common myths that surround biology. Topics ranged from evolution to vaccines to antidepressants to wildlife. This gave our compositions a charming look. Student authors and artists have put across some amazing pieces of writing displaying their creative thinking and artistic bend of mind . The 2019 issue is an effort towards dispelling common myths among general public regarding Mental health, menstruation, gender identity, evolution etc.
