SUPPORT/ASSISTANCE: Department of Biological Sciences, SVC			

BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. - 2,5):

TOPIC/SUBJECT OF THE ACTIVITY	Unveiling the annual departmental magazine, “Verdure”, 5th Edition
OBJECTIVES	To create a platform through which students can learn teamwork and together create a departmental magazine. The serves to explore the creativity of students and acts as a vivid portrait of the memory of every batch of Biological Sciences that passes out through Sri Venkateswara College each year.
METHODOLOGY	At first, interviews were held to select the various post holders and members. Once the teams were formed, then through a number of online meetings with faculties and the students, the theme of magazine was decided. Content was then invited from students across all three batches. The content was carefully scrutinized and creatively included in the current edition of Verdure
OUTCOMES	This years’ theme for the magazine Verdure - “Inside your mind explores the secrets of your working mind, the ‘how’s and ‘why’s of our brain, in a manner that makes you enter into the world of neurobiology. Neuroscience is the key to know the self, to understand how we think, how we learn and how we behave. In addition, it is important to understand the brain so that we can treat the mind. Millions worldwide are suffering from various mental health issues. The magazine carefully traverses the path of understanding the mind.
