EVENT REPORT

Event - An alumni seminar on “*People, Animals and Waste Systems Web : Integrating Disciplines for Urban Ecosystems in the 21st Century*”

Date- 22nd November 2022

Timings- 1:00 pm - 2:00 pm

Mode- Offline

Venue- Room No. 57, Old Science Block, Sri Venkateswara College

Objective - People, Animals and Waste Systems Web : Integrating Disciplines for Urban Ecosystems in the 21st Century* and also providing an inner view of how field work is like and to provide research internship to students

Evolvare, the Zoological Society of Sri Venkateswara College, University of Delhi hosted an **Alumni Seminar Talk** on 22nd November 2022. The interactive and multidisciplinary session was hosted on the college premises in offline mode.

The event began at 1:00 pm and lasted an hour. The enriching hour instigated a plethora of aspects, ranging from career choices and paths to technical areas pertaining to science - effect of our dumps on raptors and other animal and how will it affect human. This helped the audience to grow an understanding of both science and their prospective futures.

The session discussed various new applications and advances on the web between the people animals and waste. Being an alumni, the talk also provided emotional connect for the students and aided in their future career planning. Through this interactive session, students and faculty developed a deeper understanding of what effects are there because of the waste we are producing. The collected feedback was highly positive and encouraging.
