Webinar Report

Background

Since the emergence of the global pandemic of COVID-19, a nationwide lockdown was imposed in the country, which so far is being cited as the longest in the history. The entire education system was caught in a jiffy to devise innovative strategies to educate the pupils, while keeping them safe from the pandemic. It was the vision of Dr Hemalatha Reddy, Principal Sri Venkateswara College and Dr Randeep Guleria, Director AIIMS, New Delhi that brought forward the idea of conducting a live Webinar, to

address the students and the common masses, and clear their apprehensions about the ongoing pandemic.

It was decided that the webinar would be free for all, thus YouTube was chosen as the platform to host the webinar. The promotion of the event was done mostly through social media and word of mouth. An organising team led by Dr Vartika Mathur, Assistant Professor, Sri Venkateswara College and Dr N Latha, Associate Professor and Convener of IQAC, Sri Venkateswara College was formulated.

The participants were asked to register using a google form created by the organising team. The webinar was planned to be interactive, as the participants could ask their queries in the live chat box in the comment section, and the moderators would ask them to the speaker on behalf of the participants and the speakers would answer them live.

The Event

The event was scheduled as a three day Webinar Series.

Profession wise split-up of the participants. 534 responses

The first webinar was hosted on 27 April 2020, Monday at 2:00 pm. The Speaker for Lecture 1 was the highly esteemed Dr Randeep Guleria, Director AlIMS New Delhi. The title of his talk was "COVID-19 Breaking myths and moving forward." He talked at great length about the common myths widespread among the masses and debunked them one by one with unobjectionable evidences. A total of 534 registrations were received for the first talk from all over the country and outside the country. The role of moderators was played by Dr Vartika Mathur and Dr Ambuj Roy, Professor Department of Cardiology, AlIMS New Delhi, they asked as many questions as possible within the limited time frame. The event was an instant hit and a lot of positive feedback was received from the participants. The talk was attended by more than 700 people live and, till date, has been viewed by 1832 people.

The Future Scope

A lot of positive feedback was received from the audience, along with proposals of future collaborations and joint ventures. The channel on which the webinar was hosted has around 450 followers, which would make any next event easy to host and promote.

Thank you for arranging this series. Great job in organizing it SVC! In all of them the Q& A sessions were particularly interesting and informative. A suggestion: Webinar on the different lines of scientific research being pursued worldwide to tackle Covid -19 and its spread.

Shall look forward to more webinars from SVC

Dr Tanima Bose

Retired Assoc Prof, Miranda House.
