REPORT

The session was organized by the BA Programme Committee of Sri Venkateswara College in association. The event took place on the 4th of August 2022 and was organised with an intent of introducing students to the preliminaries of survey research.

In this particular case, the researcher was interested in introducing students to the field of survey research under experimental economics. After giving a brief preliminary overview of survey methods in the experimental economics framework, Ms.Monisha Dhiangra conducted a survey in which the students participated. At the end of the workshop cum lecture, the students understood the essence even through surveys conducted in classrooms, it is possible to understand .
