ADVERTISEMENT FOR THE POST OF JUNIOR RESEARCH FELLOW (JRF)

Applications are invited for the post of one Junior Research Fellow (JRF) in a Research Project entitled "Synthesis Of Nanophosphor Dosimeters For Ion Beams" sponsored by the Inter-University Accelerator Centre (IUAC), an autonomous centre of the University Grants Commission (UGC), Government of India.

Tenure of the project: 3 years

Qualifications for JRF: M.Sc. in Physics (or any other relevant field) with a minimum of 55% marks. UGC/CSIR NET qualified candidates will be given preference.

Fellowship: As per present UGC and IUAC norms.

The selected candidate will have to do experimental research work at Sri Venkateswara College, University of Delhi, New Delhi and at the Inter-University Accelerator Centre, New Delhi as required in the research project. The candidate will be encouraged to do PhD.

Interested candidates may submit their application along with a copy of their recent bio-data and self attested copies of their academic qualifications and achievements by Email to iuacprojectsvcd@uod.ac.in or by post to Dr. Anant Pandey, Department of Physics, Sri Venkateswara College, University of Delhi, Dhaula Kuan, New Delhi-110021 latest by **Monday, 22nd March, 2021**.

Only short listed candidates will be called for interview at Sri Venkateswara College, New Delhi. No TA/DA will be paid to the candidates for attending the interview. Candidates will be required to produce all relevant certificates/testimonials in original at the time of the interview.
