

Delegation of Kyrgyzstan Oct 2018

On 6th October, NSS team of Sri Venkateswara College hosted an interaction programme for the students, with young delegation of Kyrgyzstan , who visited India as a part of student exchange programme.

Twenty young delegates from Kyrgyzstan, were welcomed by our respected Principal, Dr Hemalata Reddy and Co-ordinator of NSS -SVC, Mr. Ramkishore Yadav.

The anchoring of the event was led by Miss Mriga, NSS volunteer. We had a general interaction with our guests and audience and then to introduce our guests to our nation's culture, ALAAP ,the Indian Music society and Nityagana ,the classical dance society of the college gave their performances.

This was really enjoyed by our guests. They were fascinated by our traditional dance and music.

After the performances it was the time to know each other better and get information about each other, the real motive behind the student exchange programme.

Students of the college asked the Kyrgyz students questions about which they were curious . Some wanted to know about their food, festivals, dance and music while some were interested to know benefits of the exchange programme. Young Kyrgyz answered them all, to their full satisfaction.

They also expressed their love for Indian culture. The whole question answer session was really fruitful and we were able to know a lot about their land and culture. None of the internet websites would have been able to satisfy the students this well with the answers about a foreign land but one on one interaction sure did.

Vice President NSS SVC, Miss Rochisna thanked the guests for their visit and asked the chance to host them again. Guests were presented mementos and saplings by Mr Ram Kishore Yadav and Dr. Madhuri.

Young delegates and their accompanying teachers were happy with the visit and thanked NSS team and college for being a great host.

At the end, the Team NSS photographer clicked a group picture finally capturing a great memory and experience that all of us had that day.

Together
we can
