Learning is a never-ending path. A teacher within itself. A passion for perfection. Introducing our own belief of learning and imparting it to others, we present to you a handy NSS-SVC series on Empowerment -

VIKAS
Virtually Imparting Knowledge And Skills

We aim to introduce a new platform to bring in budding artists and masters of their fields to share their finesse and knowledge of skills with learners like us. An asset added, we would be providing expert-attested certificates to each of the attendees. Folks, we believe that everyone has to start from scratch and every achiever was once a beginner. Do drop in early, learner! Seats are limited.
