REPORT

A health check-up camp called Pahal was held by NSS SVC on February 12th, 2023, at Sanjay Camp. Adults only attended the event, which ran from 9 am to 1 pm. The objective was to give dental care, healthcare aid, and health status updates to the public. The approach taken involved setting up a health check-up camp with professionals, including two doctors and a dentist who examined the adults. Try NGO worked with the event organisers to make it happen. Basic examinations like blood pressure, blood sugar levels, height, and weight were performed during the event, and guests' health-related problems were addressed. The distribution of drugs and health advice for happiness and good health was also made available to the public. The event was successful overall, and attendees found it helpful and informative
