<b>TIME</b>	<b>VENUE</b>	<b>NUMBER OF PARTICIPANTS</b>	<b>NATURE: Outdoor/Indoor</b>
10:00 AM IST	Delhi Public School, R.K Puram, New Delhi	100	Outdoor
<b>SUPPORT/ASSISTANCE:</b>			

**BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. -):**

<b>TOPIC/SUBJECT OF THE ACTIVITY</b>	GREEN SCHOOL INITIATIVE
<b>OBJECTIVES</b>	Eco Club, Sri Venkateswara College well recognizes the relevance of addressing key environmental issues such as Pollution and its effects on human health. These issues are discussed and deliberated upon on several platforms and are an integral part of the various programs conducted under the aegis of Eco club. One such interesting program that is conducted throughout the year is the <b>Green school Initiative</b> in which society at large and school children in particular are made aware and sensitized towards challenging environmental issues. The primary aim of the initiative is to create awareness among school children as their young minds are highly receptive, and they are the torch bearers of the future and unfortunately, also most vulnerable to the adverse impacts air pollution.
<b>METHODOLOGY</b>	School Children particularly, in the secondary stage i.e. class VI to X are the best targets for such sensitization programs as their mind is highly amenable and they grow into sensitive adults who are more responsible and empathetic towards the environment. To encourage active participation from students, various competitions such as Eco-Quiz for classes VI-VIII and Just a Minute were organized.

OUTCOMES	<p>Around 100 Students and faculty staff were sensitised by the session. Interactive session enabled the participants to discuss various topics pertaining to the coursework of Waste Management and Environmental Awareness.</p> <p>The participants asked various questions regarding their doubts and queries on diverse topics along with an interactive quiz conducted amongst students.</p>

**Summary Report:**

We started our session with a talk delivered by Dr. Pooja Gokhale Sinha on “What a Waste!” to encourage students to understand how important it is to reduce waste generation. Students asked various questions regarding their doubts and queries on diverse topics covered in the presentation. The session was followed by an Interactive Session taken over by Student Volunteers which was very engaging and as reward, they were provided pens and bookmarks. Around 100 Students and faculty staff were sensitised in the session.
