From the Principal's Desk

I am delighted to introduce you to Sri Venkateswara College, one of the leading constituent colleges of the University of Delhi under the aegis of Tirumala Tirupati Devasthanams. The college fraternity values diversity and inclusivity and fosters a culture of open debates and discussions for the holistic development of students. The institution has grown significantly over the last sixty years with innovative pedagogy and learning that stimulates and inspires students intellectually.

The faculty of the institution work hard to uphold the rich legacy of the founders and three visionaries, Smt. Durgabai Deshmukh, Shri K.L. Rao, and Shri C. Anna Rao, in academic and research endeavours, nurturing critical thinking among students. The competent faculty of the college bring fresh perspectives to the classroom and make learning an enjoyable and enriching exercise. The ecosystem of the college enables students to exchange ideas, dream big, and commit themselves to a better society.

The institution provides a platform for students from diverse backgrounds and regions across the country to excel in

academics, cutting-edge research, co-curricular and extracurricular activities, and sports. We take pride in the fact that alumni of Sri Venkateswara College are well-known for their propensity towards success in all spheres of life and their commitment to serve the greater good.

We are quite confident that the knowledge and experience you gain at Sri Venkateswara College will prepare you to achieve your future academic and professional goals. I look forward to welcoming you all!

"Do not deviate from Truth"

The desire to share knowledge and the dream to make education accessible to all brought together three visionaries: Smt Durgabai Deshmukh, Shri K. L. Rao, and Shri C. Anna Rao in the early decades of India's independence to create a dynamic space for knowledge sharing. The aim was to blend traditional values, learning with modern outlook and rationale in Delhi.

This dream blossomed into reality with the aid and encouragement rendered by Tirumala Tirupati Devasthanams (TTD) and Sri Venkateswara College made its modest beginnings in Andhra Education Society in 1961. The foundation stone of Sri Venkateswara College was laid in the year 1961 by eminent Indian philosopher and statesman Dr. Sarvepalli Radhakrishnan.

Sri Venkateswara College envisages shaping sensitive, balanced global citizens of tomorrow whose heart is cultured in indigenous values and mind is sharpened in critical thinking. From the outset, we have relentlessly pursued the ideals set by our founders and taken pride in creating a holistic learning atmosphere for students from diverse backgrounds.

This year marks 62 years for this prestigious institution, which has proudly stood tall through the last many decades. Sri Venkateswara College has over the years acquired an indomitable place in the Indian education map. We take pride in the fact that students of "Venky" are known in today's world for their penchant to excel in all walks of life.

OUR VISION

Sri Venkateswara College envisions "Self-realization through knowledge" emphasizing holistic, inclusive, and futuristic education in tune with the college motto "**Satyat na Pramaditvyam**" (Do not deviate from Truth). This Upanishadic value has been the guiding principle in all our endeavors.

OUR MISSION

In consonance with the vision, the mission of Sri Venkateswara College is to:

- Provide a congenial academic learning space, foster social dynamism and spirit of leadership among students.
- Sustain quality in the education system through collective efforts of stakeholders, i.e students, faculty, administration and management.
- Strive for an ecosystem that promotes innovation in pedagogy and research.
- Generate new knowledge through academic endeavours to attune to the ever-changing needs of the society.
- Enhance societal consciousness through coordinated outreach programmes and environment friendly 'Green' initiatives.
- Impart value-based education and promote competitive spirit with mutual respect and trust among the students.

GREEN CAMPUS

Our mesmerizing green campus and sprawling green lawns welcome you as soon you enter the campus. The green cover keeps Sri Venkateswara family safe from the pollution of Delhi.

The present day **15 acres** of green campus with unique flora and fauna, and state of the art infrastructure stands testimony to the unwavering commitment of Sri Venkateswara College fraternity towards our vision.

Sri Venkateswara College offers more than 20 undergraduate courses in the Humanities, Commerce, and Sciences. Established in 1961, the college has a long history of imparting inclusive, accessible, and value-based education. The college is committed to achieving excellence in teaching, research, and learning.

CONNECTIVITY TO CAMPUS

We are well-connected to the ring road and are located at a stone's throw from the Durgabai Deshmukh South Campus metro station (pink line).

ICT-ENABLED CLASSROOMS

Seamless internet connectivity makes teaching-learning fun and engaging at Sri Venkateswara College. Most of our classrooms are equipped with projectors and white screens facilitating use of digital technology to aid teaching and learning. Including mediums such as movies, visual art, and presentations makes the classroom an enriching space for discussion and digestion of ideas.

OUR CAMPUS

FULLY-EQUIPPED LABS

Our college is known for its air conditioned ICT labs that are well-equipped with projectors and desktops to facilitate digital learning. However, what sets us apart from other institutions is our inspiring, approachable teaching faculty and helpful, attentive staff who are ever-ready to guide and assist students.

OUR FACILITIES

LIBRARY

A place for intellectual growth and development, the college library houses over a lakh books ranging from Biotechnology, Geometry to *A Song of Ice and Fire* (Game of Thrones). The library has subscriptions to various journals. It is digitized with e-book and internet facility and follows the open access system.

Our library also provides special services for the visually impaired students by making assistive technologies accessible with the help of our Equal Opportunity Cell and the DULS. We also have material in Braille in the library.

FACILITIES FOR DIFFERENTLY ABLED

Sri Venkateswara College believes in inclusivity and diversity. Our college is a differently abled friendly campus with ramps, rails and special toilets. The well-being of all its students' is a priority in the college.

MEDICAL ROOM AND COUNSELING

SVC has a medical room with trained staff to take care of medical emergencies in the college. Since mental health is an equally important aspect of holistic well-being, we have a college counselor who is available to all the students and faculty for one-to-one sessions.

BANKING FACILITY

The South Campus branch of Union Bank of India is situated within the college premises with a working ATM.

PHOTOCOPYING, PRINTING, AND STATIONERY

Photocopying, scanning, and printing services are available on the campus on payment.

BIOINFORMATICS CENTER

The center was established in the year 2006 with an objective to promote Biology teaching through Bioinformatics, with initial funding from the Department of Biotechnology (DBT) under the Biotechnology Information System (BTISnet) program. The BIC caters to the computational and bioinformatics needs of the undergraduate students, research scholars and teaching staff members from various departments of the college.

ICT FACILITY

The entire campus is Wi-Fi enabled. SVC has its own active directory domain server for Wi-Fi security and network security and provides every student, faculty and staff with their unique ID. Our internet resource lab has 80 systems, and we have three computer labs with 130 systems for student's use.

CAFETERIA

The college canteen is an epicenter of all student activities and discussions. A variety of delicious and healthy snacks are available here. It is especially known for its Masala dosa, Idli and Uttapam. The canteen is a relaxed space for intellectual debates or free-spirited conversations. The College has also recently inaugurated a snack station, aptly named the 'Maggie Point', which offers light refreshments like noodles, sandwiches and cold coffee.

BEYOND

Holistic Learning

These diverse events and activities are a testament to the college's dedication to creating a vibrant and intellectually stimulating environment. Talks by renowned academicians provide students with valuable opportunities to engage with experts in their respective fields, allowing them to delve deeper into subjects and gain insights beyond the confines of their textbooks. The exchange of ideas and perspectives that take place during these sessions further broadens students' understanding and encourages critical thinking.

Exhibitions serve as a platform for students to showcase their creative talents, fostering an atmosphere of artistic exploration and appreciation. Workshops, seminars, and conferences provide platforms for students to acquire new skills, expand their knowledge, and engage with professionals in different fields. These interactive sessions enable students to gain practical insights, learn from experts, and network with like-minded individuals. Educational trips offer students the opportunity to step out of the classroom and experience real-world applications of their studies.

Literary festivals and youth conclaves celebrate the power of words and ideas, bringing together students, authors, poets, and intellectuals to engage in discussions, readings, and performances.

Additionally, the college's involvement in hosting TEDx talks allows students to be exposed to inspiring and thought-provoking ideas from a diverse range of speakers.

By organizing such a rich tapestry of events and activities, the college creates an inclusive and stimulating environment that encourages students to explore their passions, broaden their horizons, and develop into well-rounded individuals ready to contribute to society.

Alumni Association

The purpose of the association is to bring together the alumni of the college. The association holds meetings that have emerged as a warm interactive ground for current students with alumni and the faculty. The Alumni Association contributes significantly to the development of the institution through financial and/or other support services.

ACADEMICS

College Magazine 'Neerajana'

Neerajana- the college magazine is published annually.

It showcases the literary and creative skills of students in:

- English
- Hindi
- Sanskrit
- Telugu
- Tamil.

National and International Collaborations

Sri Venkateswara College believes that society grows as a whole through sharing knowledge. With this belief, the College has signed some new MoUs with the Czech University of Life Sciences, Prague, the National University of Uzbekistan, the National Institute of Immunology, Delhi, the National Productivity Council, the Ministry of Commerce and Industry, and K. J. Somaiya College of Science and Commerce, Mumbai, in addition to the already existing MoUs with the All India Institute of Medical Sciences, New Delhi, and the Nordic Centre in India.

Department Association

Each student who joins the department by default becomes a member of the association it has. For instance, anyone taking a B.A. (Hons) in English becomes a member of the English Literary Association.

HOSTEL

Our hostel was set up in 2009 and has two separate wings:

- Sri Balaji Hostel for boys
- Shri Padmavati Hostel for girls.

The hostel rooms are available on twin sharing basis. The hostel also provides the students with a reading room, a table tennis room and a recreational common room in both the hostels. The on-campus residential facility is available for full time outstation undergraduate students of the college. Students from nearby areas like NCR-Delhi, Ghaziabad, Greater Noida, Faridabad, Gurugram etc are not eligible for accommodation in the hostels.

Students seeking admission in the hostel must fill the hostel admission form available on the college website. The hostels are the live wire of the campus life. Many festivals and events are celebrated in the hostels such as Diwali, Holi, Independence day etc. Numerous sports and extra-curricular activities are also organized within the hostels on a regular basis.

Hostel Life @ SVC

- Freshers & Farewell Party
- Outstation Trips & Tours

"I entered the college full of doubts and insecurities because I had never been out of the comfort zone of my home before I decided to join Sri Balaji Hostel. This hostel has given me the most life-changing experiences of my life. My hostel life is an amalgamation of emotions which I can't label as all altruistic or all atrocious as there are the things in life which can't be labeled as all black and all white but as grey instead. The diversity of the hostel mates has been enlightening; interacting with people from different backgrounds, cultures, and academic disciplines has enriched my perspective and personal metanoia. Supportive and welcoming wardens and caretakers provided me with a safe and secure environment. The vibrant atmosphere created by cultural programs and sports events contributed by the hostel is highly appreciable. These all added vibrant, supportive, and enthusiastic values to my life, which is remarkable. Each day in the hostel has been a cherishing festival."

"It definitely took time to accept the fact that now I have to adjust to a place where I won't have my family with me, but very soon I found a new family of jovial and supportive Wardens, the best lot of seniors ever, and wonderful batchmates who made the hostel a lot more bearable than it had felt in the beginning. On the occasion of festivals, people generally miss their family and home a lot. Maybe my parents wouldn't like this part, but I didn't miss my family one bit at any of the festivities, and it's all because of the way it was organised and celebrated in the hostel with everyone coming along to celebrate it together. Just for the record, the New Year's celebrations were my favourite! Recently, we had a hostel sports week organised by the sports committee, and it was so fun and refreshing. All those hostel nights and open houses where we would sit till late and jam are going to be etched in my memory forever."

"I had an amazing experience at the hostel that I will always treasure. The hostel has provided me with a comfortable and welcoming environment that quickly felt like a second home. The dedicated wardens are always available to help with any inquiries or needs. Everything I needed, including a comfortable room, study spaces, common areas, and recreational amenities, was provided by the hostel's well-maintained facilities. In addition, the hostel has helped me build life-long relationships with my fellow inmates from various backgrounds and foster a lively and welcoming community. My hostel roommates' companionship and encouragement have added to the fun of my stay. Overall, my time at the hostel has been full of rewarding events, opportunities for personal development, and priceless memories."

Sri Venkateswara College is renowned for its commitment to excellence in education and research. The college faculty is actively engaged in various research projects across a wide range of disciplines. The faculty members are dedicated to advancing knowledge, promoting innovation, and making significant contributions to their respective fields of study.

Funding by government agencies like DBT, DST, and SERB has helped in developing necessary infrastructure for research. The college also has collaborations with several international research groups and government agencies in order to address global challenges in science and public health.

SRI VIPRA

To ignite curiosity and inspire undergraduate students towards a career in research, SRI-VIPRA (Sri Venkateswara Internship Program for Research in Academics) provides a platform for the students to design and execute small research projects in a particular discipline of their interest. In this internship program, under the supervision of mentors, they learn to apply research to processes of experimentation, analysis, hypothesis testing, data interpretation, and logical conclusions. They also learn how to evaluate, organise, and write a quality research article. SRI-VIPRA also encourages interdisciplinary collaborations across departments.

The research internship programs are conducted by our faculty and is imparted through:

- Online
- Offline
- Hybrid modes

SOCIAL RESPONSIBILITY

NSS

During the 2022-23 session, the National Service Scheme (NSS) of Sri Venkateswara College in India focused on social responsibility and community development. They organized events like the Asha Drive, Diwali Mela, and Jaagriti fest, which aimed to uplift the underprivileged residents of Sanjay Camp and promote unity and celebration. Workshops, self-defense training, webinars, and a social media campaign addressed various important issues and empowered individuals. The "Joy of Giving" drive concluded the session by providing support to the needy. Overall, NSS SVC played a vital role in transforming lives, empowering individuals, and creating a more inclusive and compassionate society.

CONNECTING DREAMS FOUNDATION

Connecting Dreams Foundation, Sri Venkateswara College (CDF SVC) is a youth-led organization that aims to promote positive youth development and address community-based problems. They contribute to multiple UN Sustainable Development Goals and currently focusing on combating women's unemployment through the production and sale of handcrafted scented candles; Project Purna raises awareness and provides guidance to underprivileged high school students in choosing career paths and securing admission to top institutions; Project Angrezi Vartalaap aims to improve communication skills and confidence of underprivileged students through public speaking training. CDF SVC follows a 3C model of social entrepreneurship—collecting resources, creating innovative solutions, and implementing them for positive community transformation.

EMPATHISE

Empathise, the mental health club of Sri Venkateswara College, prioritizes holistic well-being by creating a safe space for students and focusing on self-love, self-awareness, and self-acceptance. Through their peer-to-peer support group, they provide a non-judgmental environment for students to express themselves. The club conducts activities promoting self-love and gratitude, while their outreach team organizes seminars on important topics like suicide prevention and stress management. Empathise believes in the healing power of empathy and strives to make the campus a happier place for all students.

EQUAL OPPORTUNITY CELL

The Equal Opportunity Cell (EOC) is dedicated to creating an inclusive and supportive environment for differently-abled students. They organize various events and initiatives to bridge the gap between specially-abled individuals and mainstream society. The EOC celebrates Helen Keller Day, conducts webinars on empowerment, and organizes workshops to equip students with skills for personal and professional growth. They also arrange educational trips to foster understanding and empathy, hold seminars to discuss educational policies, and organize an annual fest to showcase the talents of differently-abled students. Through their efforts, the EOC has created a vibrant and empowering community that promotes equality and a sense of belonging.

ENACTUS

Enactus SVC, one of the most active societies of Sri Venkateswara College, was established in 2015 with the aim of fostering entrepreneurship and social sensitivity among students. They work on three projects in seven different departments, focusing on empowering underprivileged communities.

Enactus SVC's Crimson Project focuses on reusable cloth-based sanitary napkins, Project Gulzar repurposes floral and paper waste, and Project Fankaari aims to eliminate plastic packaging. Their initiatives empower beneficiaries and contribute to a sustainable and inclusive society.

WDC

The Women's Development Cell (SVC) at Sri Venkateswara College is a UGC-mandated body dedicated to empowering women and gender minorities, fostering a safe and inclusive campus environment. Through gender sensitization workshops, campaigns, and initiatives, the SVC challenges stereotypes, educates about gender issues, and promotes inclusiveness and respect. Their efforts include a newsletter, a feminist archive, and active involvement in social causes. The SVC organizes a Pride festival and creates a safe space for all genders and identities on campus. They recently organized a unique musical storytelling session with 'The Aahvaan Project,' promoting reflection, unlearning, and love. Committed to empowerment and social justice, the SVC aims to create an inclusive, equitable, and empathetic society for all.

ENVIRONMENTAL CONSCIOUSNESS @SVC

"Protecting our planet is not an option; it's a necessity. Let's be conscious custodians of the Earth and ensure a greener, cleaner, and brighter future for generations to come."

The world's growing vulnerability to climate change has alarmed everyone around the globe to frame strategies to impede its baneful impacts. Our country has also addressed this critical issue through its National Action Plan on Climate Change (NAPCC) by the Ministry of Environment, Forest and Climate Change. Sri Venkateswara College fairly realises its responsibility and believes in continuous contributions to society.

Solar Power-Based Electricity

This initiative by the college showcases its commitment to embracing renewable energy sources and reducing its carbon footprint. By aligning with the "National Solar Mission" and implementing solar power-based electricity generation, Sri Venkateswara College is actively contributing to the nation's efforts in achieving sustainable energy goals. The partnership with M/s HFM Roof Top Energy Pvt. Ltd. further reinforces the college's determination to harness clean and green energy through the installation of grid-connected rooftop solar panels. This significant step inspire and educate the college community about the importance of renewable energy in building a greener future.

Swachhta Action Plan Institution

The college has been recognised as a Swachhta Action Plan Institution (Cert:SAP/33/MGNCRE/MoE/September/2021) by MGNCRE, Ministry of Education, Government of India. Post-COVID, under the Swachhta Action Plan, the college reached out to COVID survivors and helped them overcome their trauma. The activities included supplying food and essentials and raising vaccination awareness.

Regular cleanliness drives were conducted, ensuring proper waste management and maintaining a clean environment. The college also organized awareness campaigns on the importance of sanitation, encouraging students and staff to adopt sustainable practices in their daily lives. These efforts helped foster a culture of cleanliness and well-being within the college community.

Vermicomposting

The college purchases organic manures, and has switched over to vermicomposting and microbial composting to recycle the organic matter. One of the most significant solid wastes is leaf litter and kitchen waste (canteen and hostel mess). These organic wastes are being recycled by adopting vermicomposting for leaf litter and microbial composting for kitchen waste.

The nutritional requirements of our plants are fulfilled by the vermicomposting of the waste generated in our own garden. We refrain from using any chemical based fertiliser. Through this practice, the college ensures that its plants thrive and flourish without the need for chemical-based fertilizers, emphasizing its commitment to eco-friendly and sustainable agricultural practices.

"Environmental consciousness is the key to securing a sustainable future for our planet. Let us embrace our responsibility to protect and preserve the Earth, for it is our duty and the legacy we leave behind."

Rainwater Harvesting

As an environmentally conscious campus, the college constantly endeavours for water conservation and has therefore successfully established numerous rainwater harvesting pits and infrastructure on campus. Through these initiatives, once again, the college acts as a benefactor for the NAPCC's one of the main missions, the "National Water Mission". This proactive approach towards water conservation showcases the college's commitment to responsible environmental stewardship and demonstrates its dedication to supporting national initiatives aimed at water resource management and sustainability.

Eco Club

The eco club at Sri Venkateswara College is a group of environment-enthusiastic teachers and students. It has members from all the streams that work together for the cause of the environment. Eco Club SVC has six thrust areas: The Green School Initiative, a thrust that takes place in collaboration with AIIMS, allows us to join hands with the school's student body in spreading awareness of environmental pollution and health hazards. Our college partnered with Green-O-Tech for waste paper recycling. The Eco Club organized a paper collection drive from May 25th to June 5th, 2023. We collected over 786 kg of paper waste for recycling, showcasing our dedication to sustainable practices.

"Deepening ties through two-way mobility"

Indo-Australia ROUNDTABLE

On 1 March 2023, Sri Venkateswara College hosted a roundtable to highlight the importance of international bilateral cooperation between India and Australia and also to understand the higher education aspirations of undergraduate students at the University of Delhi. The event was a stepping stone for international collaboration on student exchange and research cooperation with Australian universities. It was at this very event that the announcement of the setting up of campuses at

two famous Australian universities in India was made. The event led to networking between University of Delhi Principals, Deans, Directors, Vice Chancellors, Provosts, other officials of Australian universities, and education ministers of both countries. It was attended by 30 Vice Chancellors, Provosts, and other officials of Australian universities, 30 Principals and Deans of the University of Delhi, faculty members, and students of Sri Venkateswara College. The event was also attended by former Australian cricketer Adam Gilchrist, who also played a friendly match at the college ground.

Sri Venkateswara College, one of the premier educational institutions in the country, celebrated its momentous Diamond Jubilee with great grandeur and enthusiasm on August 28, 2022. The college grounds were abuzz with excitement as students, faculty, alumni, and distinguished guests gathered to commemorate this remarkable milestone. The valedictory function, the highlight of the event, witnessed the presence of luminaries from the field of education. Eminent personalities, renowned for their contributions to the educational landscape, graced the occasion and enlightened the audience about the transformative National Education Policy 2020. A mesmerizing cultural program was organized to celebrate the rich heritage of our nation.

Valedictory Function

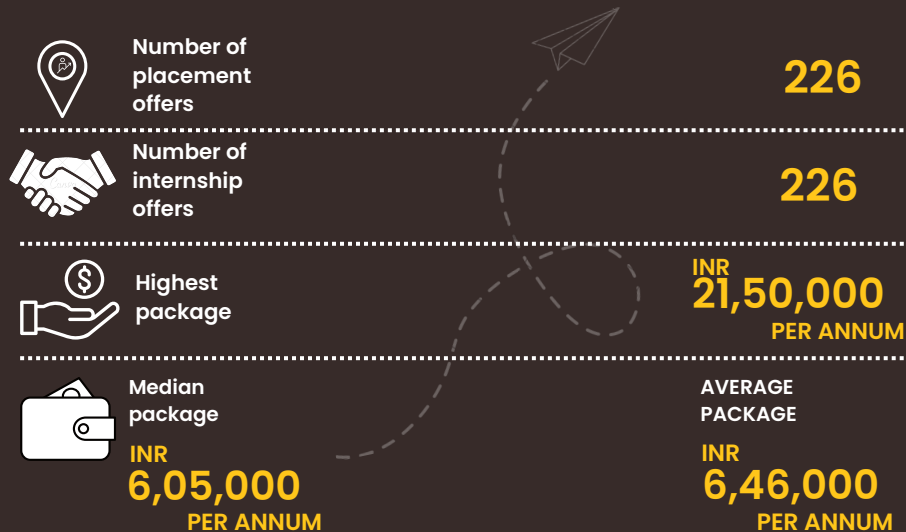

"Diamond Jubilee
1961-2021"

Students showcased their talents through captivating performances, representing various cultural traditions from across India. To commemorate this historic occasion, a diamond jubilee souvenir of the college was released by the honorable education minister, Shri Dharmendra Pradhan. The invited speakers shared their vision for the country and the importance of teachers and students in it. They underscored the pivotal role of education in fostering an enlightened and progressive society. A mesmerizing cultural program was organized to promote unity in diversity and celebrate the rich heritage of our nation.

Our Placement Cell assists students in pursuing their career in the areas of their interest and facilitates their entry into the industry. Understanding the importance of using the right knowledge, skill sets, and aptitude for the right assignment, the placement cell places particular emphasis on giving corporates and students the choice of mutual selection. It is responsible for identifying the right student-organisation fit; it invites organisations to the campus for placements.

SUBJECT: FEE REFUND POLICY 2023-24

The University Grants Commission has considered the matter in its 570th meeting held on 27 June 2023, and after considering the relevant factors decided, the following fee refund policy for the academic session 2023-24 vide D.O. No.F.2-71/2022 (CPP-11) dated 3 July, 2023.

- Notwithstanding anything contained in any guidelines prospectus/ notification schedule, a full refund of fees shall be made by the HEIS on account of all cancellations of admission/migrations of students up to 30 September 2023 and with a deduction of not more than Rs. 1,000, as a processing fee, up to 31 October 2023
- For any admission schedule extending commencing beyond after 31 October 2023, the provisions contained in the UGC Notification issued in October 2018 on Refund of Fees and Non-Retention of Original Certificates shall apply (reproduced below for ready reference):

Category	Percentage of Refund of fees*	Point of time when notice of withdrawal of admission is received in the <u>HEI</u>
(1)	100%	15 days or more before the formally notified last date of admission
(2)	90%	Less than 15 days before the formally notified last date of admission
(3)	80%	15 days or less after the formally notified last date of admission
(4)	50%	30 days or less, but more than 15 days after formally notified last date of admission
(5)	00%	More than 30 days after formally notified last date of admission

- It may also be noted that the UGC has notified the Redressal of Grievances of Students Regulations, 2023 wherein "delay in, or denial of the refund of fees due to a student who withdraws admission within the time mentioned in the University Schedule, subject to guidelines, if any, issued by the Commission from time to time" has been defined as one of the grievances.
- Further information may be obtained from the UGC website.
