**1. Event report Attested by Event Coordinator & IQAC Coordinator**

The Women Development Cell of Sri Venkateswara College organised a Gender Sensitisation Workshop for the Mathematics, Commerce and Statistics courses on 22 September 2022. The workshop was conducted by WDC convener, Dr Rina Ramdev.

**Dr Rina Ramdev citing examples of sexual harassment from Bollywood**

The workshop focused on creating awareness for both the faculty and students on issues of casual sexism, gender training, and sexual harassment.

**Dr Rina Ramdev explaining sexism**

It was pointed out that sexism which might appear harmless is in fact, actuality patronising and condescending and regressive— for example ‘complimenting’ a woman for her beauty, fragility, modesty and so on. Gender training is initiated both implicitly and explicitly from the very birth of a child. The practice of protectionism was also discussed, wherein a woman is robbed of her agency, and prevented from taking decisions about her own life

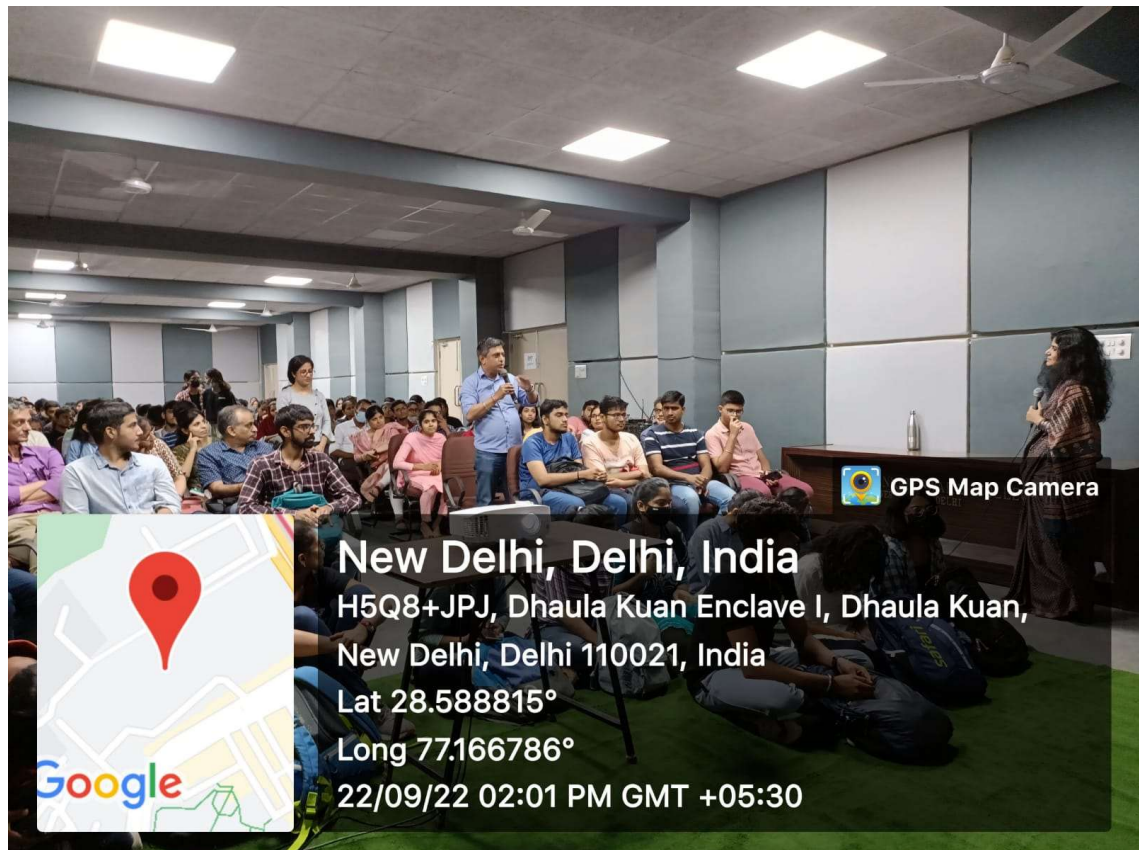

**Audience members interacting with Dr Rina Ramdev**

The creation of rape culture and victim blaming too implies that ‘boys will be boys.’ The impact sexism has on men was discussed, for the ways in which it emotionally stunts them, gaslights them into believing they have been emasculated when they display gentler, softer behaviour.

**Students from different departments attending the seminar**

In the discussion between Professor Rina and the attendees, a variety of issues were brought to light again. To summarise, the workshop proved to be a success, and led to some extremely important conversations that everyone would learn from.
