1. Event report Attested by Event Coordinator & IQAC Coordinator

The Women's Development Cell of Sri Venkateswara College conducted Gender Sensitisation workshop for the Electronics, Physics and History courses on September 26. The intent was to start and continue the conversation at an institutional level on such a critical subject. The need for gender sensitisation is to create a gender equitable, safe, and free campus.

Students and Faculty members attending the seminar

A wide range of topics was dealt with, including various types of sexism, gender training, patriarchy, harassment and stereotyping.

Dr Rina Ramdev explaining gender roles

Having acknowledged gender as a spectrum, we moved on to the social policing of women by the patriarchy and also popular culture normalises sexual harassment by labelling it 'eve teasing' and seeing it as an acceptable mode to show appreciation for a women's 'beauty.' The policing of women's sexuality and the glorification of her 'dignity' and 'respect' as a consequence of it were discussed as well.

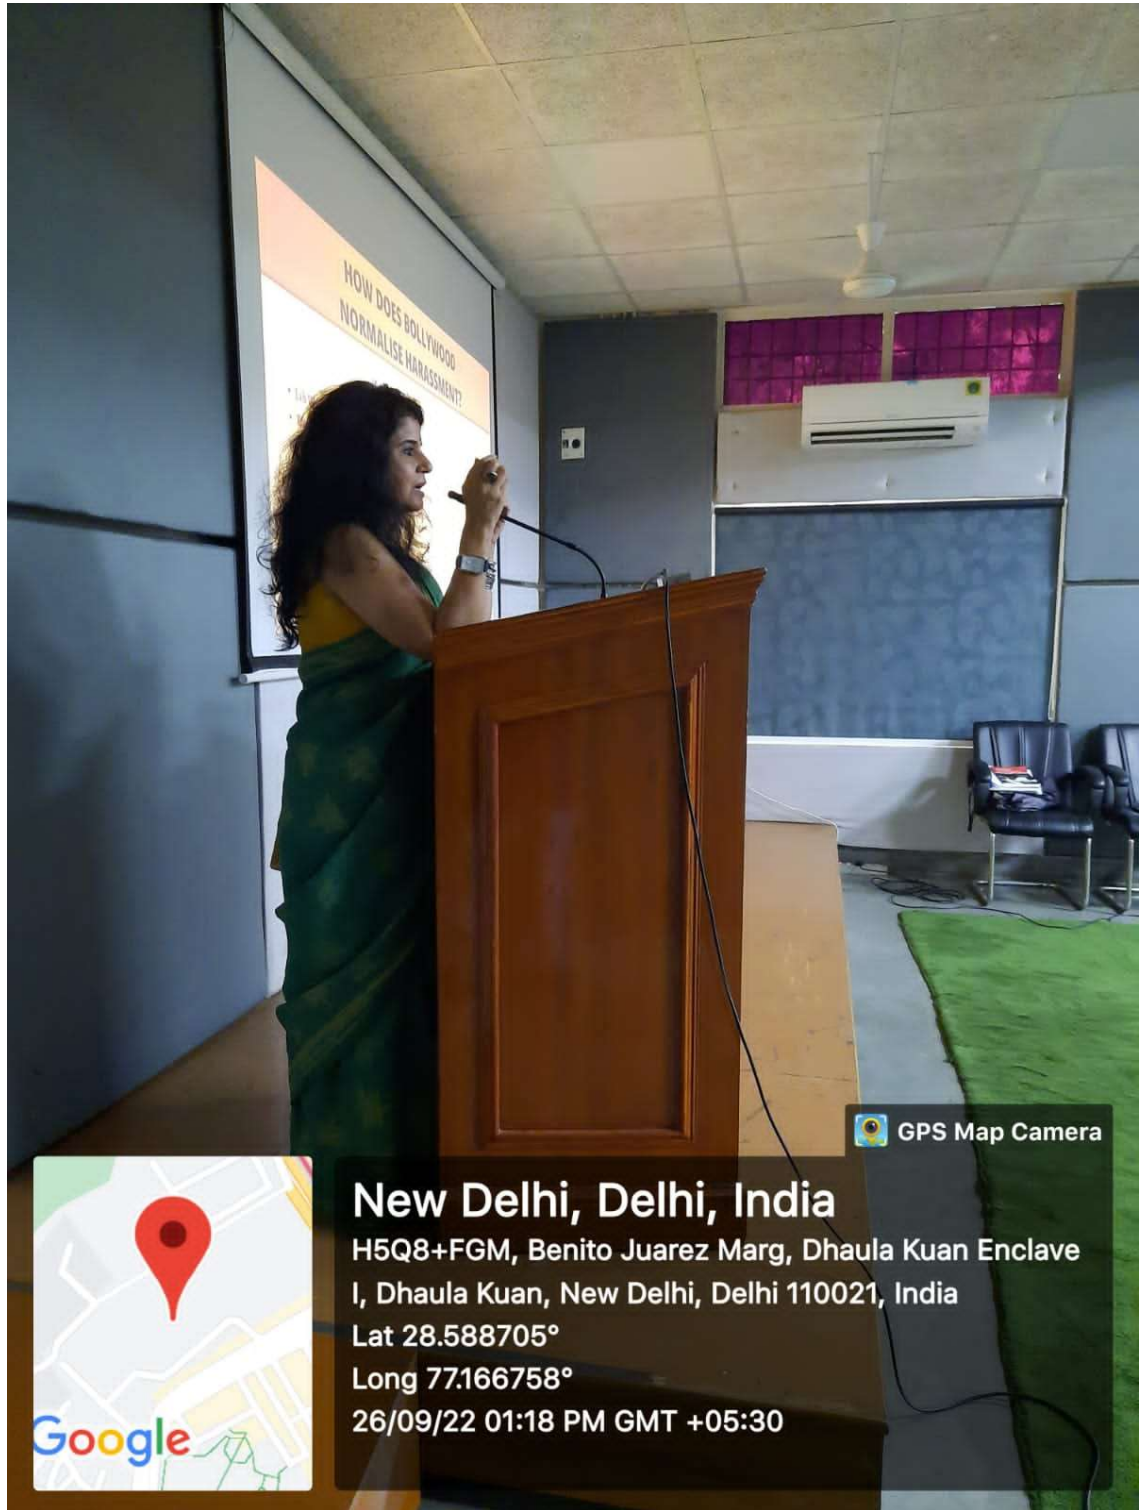

Students asking questions to Dr Rina Ramdev

As an interactive exchange, workplace sexism was raised too. How the patriarchal structure pits women against each other was also brought up. Low self-esteem and body image issues are reflected through the conditioning women are subjected to. The idealization of the 'superwoman' or 'multitasker' also creates pressure as it gives rise to unhealthy and unrealistic expectations of women.
