### BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. - 1):

TOPIC/SUBJECT OF THE ACTIVITY	OBJECTIVES	METHODOLOGY	OUTCOMES
La compréhension orale	To make students understand the original French accents and motivate them to use the language on the daily basis.	Methodology which is carried out is based on Action-oriented approach. This approach considers above all the learner as a social actor having to accomplish tasks (which are not only linguistic) in given circumstances and environment. The learner will therefore have to carry out daily social actions that are anchored in a specific context. To achieve this, he will have to mobilize on the one hand his general individual skills, that is to say his knowledge of the world and his socio-cultural knowledge, and on the other hand his communication skills (linguistic, sociolinguistic and pragmatic).	Student can understand the basic salutations and the main points of an announcement. Student can understand a short message on an answering machine. He/She can usually identify the topic of a discussion taking place in his/her presence if people speak slowly. Student can understand short radio recordings.
La compréhension des écrits	To make students understand and analyse the different formats of French writing skills and their use in different aspects		Student can understand small messages, an informal letter or an email. A student can

			understand common signs and can identify the relevant information in an official document.
La production écrite	To make students understand and write the different formats and writing skills. To make them use these skills in different aspects.		A student can answer a questionnaire expressing his own opinions. A student can carry out a short exchange or write a simple dialogue. He/she can write short, simple notes, short messages, text messages relating to usual situations. Student can describe his familiar surroundings. And can describe or compare two objects/persons.
La Production orale	To make students speak the French language with basic information such as general introduction, daily activities etc.		A student can introduce himself or someone else simply, describe the living conditions by short series of expressions or unarticulated sentences. A student can describe his living conditions and his professional activity in simple terms. I can say what I like or dislike by explaining why. The learner can get simple information about

			a trip. A student can give someone information in predictable situations.
