MESSAGE FROM THE PRINCIPAL

It gives me immense pride to congratulate the Department of Commerce, Sri Venkateswara College, on the successful completion of the second batch of the add-on course on Entrepreneurship. This course mentored by Prof. Amit Kumar Bardhan with Dr. Shruti Mathur (Teacher-In-charge) and the Convener Dr. Arpita Kaul received a very popular response from the academic fraternity on account of the well designed syllabus and the pedagogic scheme of the same. The course would not have been a reality without them and their earnest efforts towards the same. I also take this opportunity to thank the resource persons for the same - Dr. Ashish Chandra, Associate Professor, Department of Commerce, University of Delhi, Dr. Sandeep Goel, Associate Professor, Department of Commerce, ANDC and Mr. Ramesh Kumar Barpa, Associate Professor, Department of Management, SSCBS. Their vision and guidance were invaluable for the success and completion of the course. I also congratulate the other team members Dr. Sindhumani Bag, Ms. Shilpa, Mr. Ajit Singh and Ms. Mohini Yadav for their enthusiasm and support during the entire tenure of the course.

Entrepreneurship is the only platform which provides a meaningful interface between academics and the industry demands. Honing the employability skills of the students at the college level goes a long way in paving the way for new industries and new leaders for the future. Sri Venkateswara College with such efforts as this course, remains committed to the ever evolving dynamics of academics and industry trends. We look forward to such other meaningful and innovative courses in the future.

(Dr. P. Hemalatha Reddy)

1. INTRODUCTION

In the current times, entrepreneurship has been accepted as the fundamental basis of industrialization and economic development. India today has a lot of job seekers but the pace of economic development is determined by successful entrepreneurs who are job creators. Entrepreneurs materialize available opportunities for the working population of the country and their contribution to increasing national income is quite significant, as they are the persons who functionally coordinate various sources of production.

The **Department of Commerce, Sri Venkateswara College**, under the able guidance of our Principal, **Dr. P. Hemalatha Reddy** understood the need of the hour and therefore took the initiative of starting an add –on course on Entrepreneurship for the students in April 2019 for the first time. This course aimed at infusing the problem solving skills, self-critical reflection and open-mindedness in the students attitudes. This course provided an insight into the important concepts of entrepreneurship, which can help our students to understand the mindset of entrepreneurs and key requirements for starting up any business. The students also learnt about idea identification, team building, need gap analysis and value propositions in the form of business plan. They also gained insights about analyzing and generating finances and developing various promotional and marketing strategies to their ideas of business plan. As the first batch got such a warm response the Department introduced its second batch in August, 2019 and improvised upon the assessment procedure.

Expected Learning outcomes

The students who took up this course learnt:

- The art of mobilizing people and resources
- Creating value propositions in the form of business plan
- Pitching the business plan so created

Course Duration

This was a three months course with a 36 hour duration which started on 31st August, 2019 and ended on 9th November, 2019. The classes were held on Saturday/ Sunday.
