FROM THE PRINCIPAL'S DESK

It gives me immense pleasure to note that the Department of Commerce, this year has offered an Add on Course on Digital Marketing. Since 2019, the Department has been offering an Add on Course on Entrepreneurship but this year keeping up with the industry trend and demand the Department has gone ahead and offered the students of the University of Delhi the opportunity to learn the technicalities of Digital Marketing. Keeping in mind the changes brought in the business environment due to the pandemic the subject has gained a lot of weight, therefore, this subject has been offered this year.

The industry experts Mr. Pradeep Singh and Ms. Neeti Sirohi, as resource persons have helped bridge the gap between theory and practice. This initiative of the Department aims at making students industry ready by learning the art of Digital Marketing.

I congratulate the two Conveners Dr. Shruti Mathur and Dr. Neha Singhal for shouldering this responsibility together with the other team members Dr. Sindhumani Bag, Ms. Devki and Mr. Yogesh. Hope the Department will continue the trend of offering more such meaningful and significant courses to the student fraternity.

MESSAGE FROM THE VICE PRINCIPAL

It gives immense pleasure on learning about the successful completion of the Add on Course “**DIGITAL MARKETING**” an initiative of the Department of Commerce.

I commend the efforts of **Dr. Shruti Mathur** and **Dr. Neha Singhal** in particular and their wonderful team comprising other teachers from the **Department of Commerce** for their thought to start this new Add on Course in online mode.

The dynamics of the COVID PANDEMIC has seen phenomenal distortions as well as opportunities. With no chance of physical marketing and the fear of meeting people, however, has not taken away the spirit to buy. It was this dilemma which led to leaning towards the online marketing and consequentially digital transactions has increased significantly.

DIGITAL PLATFORM, has evolved as the meeting place for both the buyer and seller, necessitating the sellers to showcase their products and complete the sale in virtual mode.

I am sure that this 36-hour course spanning over three months would have immensely benefited the students. Hopefully the interaction with both **Mr. Pradeep Singh** and **Ms. Neeti Sirohi**, experts in their fields and the learned resource persons for this course, has enhanced the knowledge of every student in the development of IT networks and designing the appropriate media for advertising. This digital literacy is in sync with the Honble. Prime Minister’s call for more digital financial transactions which also is the need of the hour.

Dr. S. Venkata Kumar

OVERALL RATING OF THE COURSE

FEEDBACK OF THE FACULTY

Classes have been so worthwhile! Faculty had an amazing way of breaking things down so that they are understandable, and always keeping it light and fun.

I have learned so much in my classes with Pradeep Sir. He paces the class just right so you feel challenged but not overwhelmed.

Neeti Maam is an excellent teacher! She provides both a great mix of listening, speaking and practical learning activities and a very safe, supportive learning environment.

Pradeep Sir's manner of teaching is so wonderful and refreshing!! He's patient and supportive, but really knows how to motivate her/his students.

Neeti Maam's teaching methods are great. Very clear and concise.

Pradeep Sir has an incredible gift for teaching. His classes seem like play but there is a lot of serious learning going on. I was already an intermediate/advanced student, but I learned something from every class, plus had a lot of fun doing it!
