Trip Report

Educational trip to Udaipur (27th October to 1st November 2018)

Students of B.Sc(Hons) Chemistry along with teachers of Chemistry department led by Dr. Sanjay Batra, went on a trip to Udaipur known as the “City of Lakes”, Dr. R.P. Singh, Mr. H.C. Tandon, Dr. Shikha Gulati, Dr. Devendra and Dr. Akanksha Gupta were the faculty members who accompanied the students in the trip. It was a 3 – days college trip, where approximately 30-40 students went.

For the progress of an institute as well as the students procuring education from that institute, exchange of strategy, views and ideas with other contemporary institutes and socialising with them is of real importance. With this as the prior objective, the first day of trip started with a visit to Mohanlal Sukhadia University and interaction with the faculty and students there could encourage the students to utilize the facilities and infrastructure available in their institute for the betterment of them as well as the institute.

In the second half of the day, students were taken to have a tour of Kumbalgarh Fort, a Mewar fortress on the westerly range of Aravalli Hills. Even though, it is a very old fort, students were amazed at the way it is being preserved till date which taught them the importance of preserving heritage sites.

On the second day students visited lakes such as Lake Pichola, Fateh Sagar Lake, etc, which was a great experience for all the participants and they learned the importance of environmental effects on water bodies. They could see how urbanisation and industrialisation has contaminated the natural water bodies. Then, on the last day they visited City Palace which taught them the importance to preserve the integrity of heritage sites.
