Passcode: 2021

About the National Webinar

The Department of Commerce, Sri Venkateswara College, University of Delhi under the aegis of Department-College Interface & in collaboration with knowledge partner – Department of Commerce, Delhi School of Economics, University of Delhi organized a National webinar on “*New Paradigms in Business and Technology: A Careers Perspective*” on **23rd September, 2021 (Thursday)**, at **11:00 A.M. to 1:30 P.M.** on Zoom platform as an academic activity for enhancing the knowledge, skills and expertise in the domain of business and technology. A total of 174 participants attended the Webinar from all over the India.

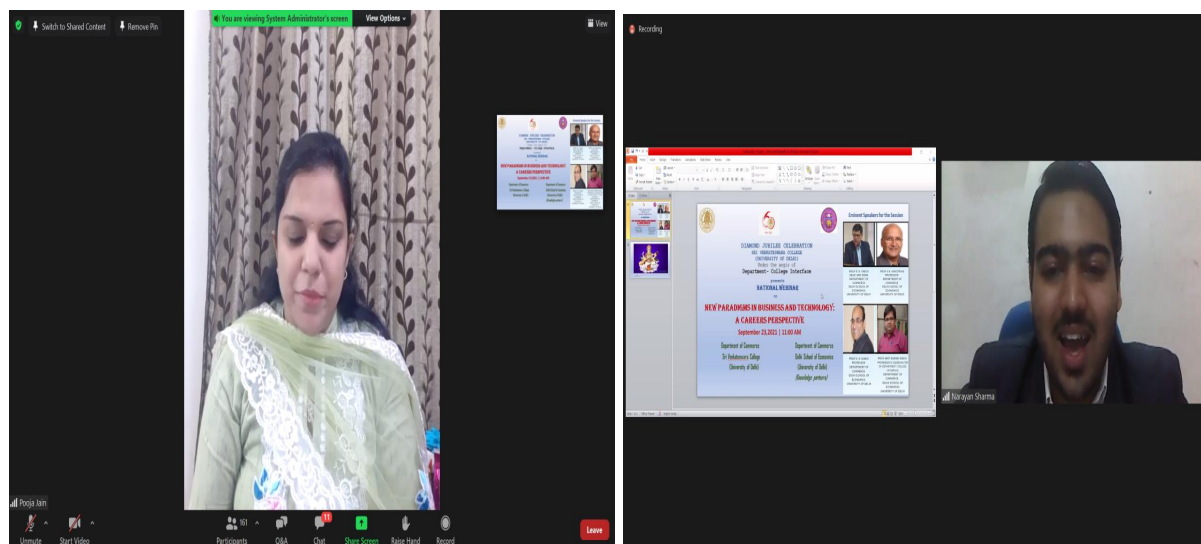

Objective

The objective of ‘National Webinar’ was to have a clear vision and defined roadmap to come up with a cohesive strategy that encompasses the innovative solutions to the changing paradigms in business and technology. This webinar exposed the participants to varied dimensions of interface between business and technology and enlightens the students about the career prospects in business.

Welcome address by Convenor

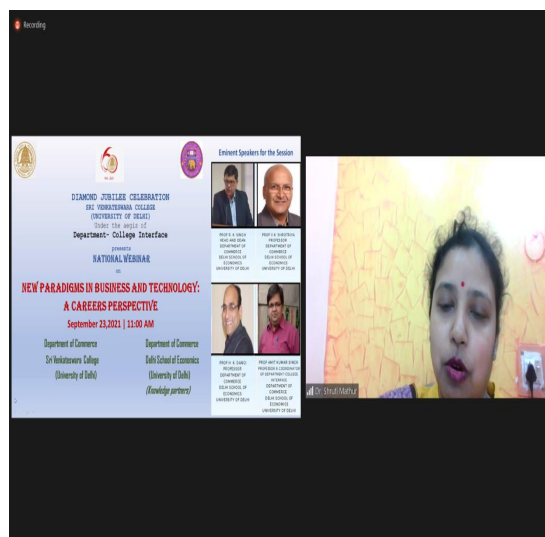

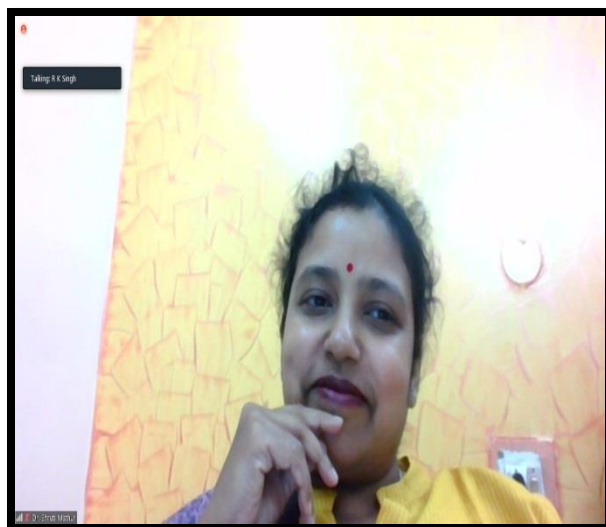

The National Webinar started formally at 11:00 A.M. with a spiritual note of seeking blessings of Lord Sri Venkateswara; Saraswati Vandana and welcome remarks by *Dr. Pooja Jain*, Convenor of the Webinar and esteemed faculty in the Department of Commerce. She welcomed the resource persons – *Prof. R. K. Singh* (Head and Dean, Department of Commerce, DSE, DU), *Prof. H.K. Dangi* (Professor, Department of Commerce, DSE, DU) and *Prof. Amit Kumar Singh* (Co-ordinator, Department – College Interface); *Prof. C. Sheela Reddy* (Principal, SVC, DU),

Convenor & TIC of Department of Commerce – *Dr. Shruti Mathur*; Advisory Committee Members & senior faculty members of the Department of Commerce, SVC – *Dr. S. Venkata Kumar* (Vice Principal), *Ms. Sunita Chhabra* and *Dr. Mamta Arora*; Organizing Members from the Department of Commerce, SVC – *Dr. Sindhumani Bag*, *Dr. Vinod Kumar*, *Dr. Neha Singhal*, *Ms. Shilpa*, *Dr. Arpita Kaul*, *Mr. Ajit Singh*, *Ms. Priyanka*, *Ms. Simranjeet Kaur*, *Mr. Ashish Jain*, *Ms. Mohini Yadav*, *Mr. Manish Kumar Dubey*, *Mr. Yogesh*, *Ms. Devki*, *Mr. Mukesh*; faculty members from Delhi University & other universities in India and students from the SVC and other colleges of Delhi University. She informed the audience that the SVC is basking in 60th year of its glorious academic journey and marked 2021 as the year of Diamond Jubilee Celebration (1961-2021) and recently SVC has been ranked as the Number 11 amongst the colleges all over India by NIRF Ranking 2021. Further, the proceedings were taken over by a Final year student, *Mr. Narayan Sharma* from B. Com (H) 3rd year.

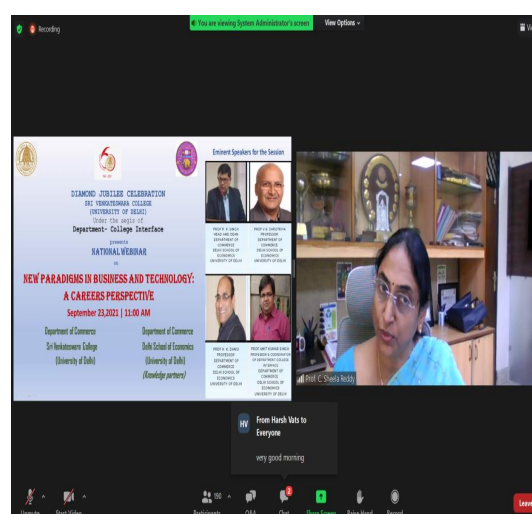

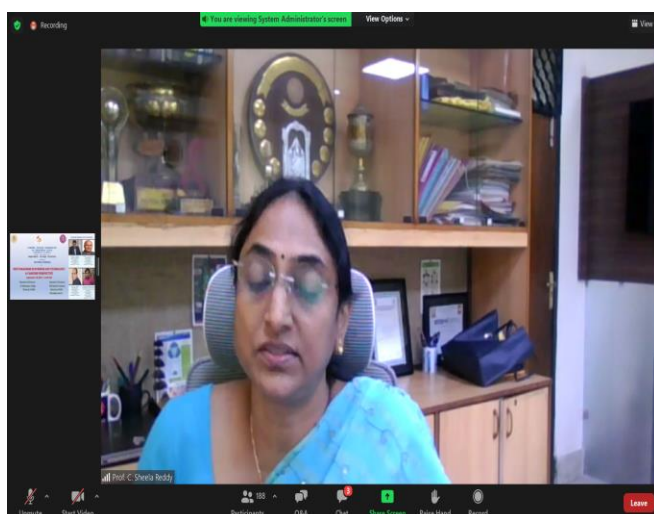

Welcome Remarks by Convenor and TIC

The Convenor and TIC of the Department of Commerce – **Dr. Shruti Mathur** was invited to give brief insights into the Department of Commerce. She highlighted various past events conducted by the Department like career counselling sessions for students, Add-on courses on Entrepreneurship and Digital Marketing, Faculty Development Programmes, extension and social outreach programmes under social initiatives and placement of students in various MNCs. She emphasised on the holistic education of students and new career opportunities in technology based business models in different sectors of the economy. She added that the whole department is committed for the welfare and growth of students.

Address by Principal

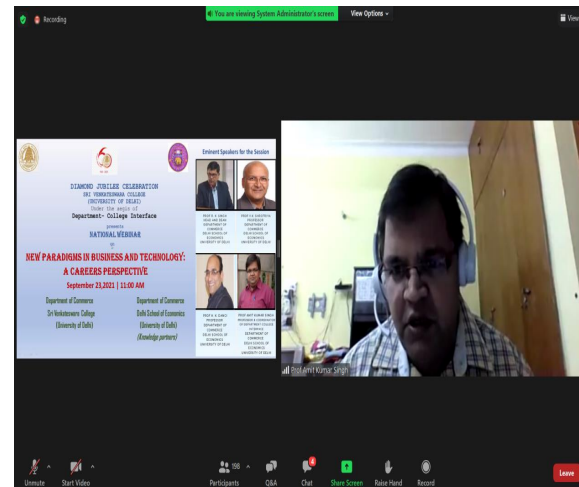

The esteemed Principal, **Prof. C. Sheela Reddy** formally inaugurated the National Webinar and welcomed the esteemed guest and participants with her kind words and highlighted the significance of technology and innovation in our day-to-day lives and the ways in which they are transforming the business world. She thanked Prof. R. K. Singh (Head and Dean, Department of Commerce, DSE, DU) for launching the Department-College Interface and providing a blessed opportunity to SVC for organizing this National Webinar. Moreover, she emphasised on continuous collaboration in future and gaining mutual benefit from organizing webinar, workshops, seminars and case studies competition.

Speaker Session: 1 (Resource Person: Prof. Amit Kumar Singh)

The theme of the session was “***Stock Market and Technology***”. The key resource person was ***Prof. Amit Kumar Singh***, who delivered an insightful and knowledge enhancing lecture on role of emerging technology in stock market and career prospects present in securities market. He has elaborated the following sub-themes in this session:

- Initial Public Offers (IPOs) and Primary Market in India
- Covid- 19 pandemic and Recent IPOs and investment scenario
- Evolution of stock market
- 40-year journey of SENSEX
- Trading in India and use of telephone in trading of stock
- Screen-based trading system; its benefits, DEMAT account; ASBA;
- Algorithmic trading evolution in India
- Career options in stock market, why a career in stock market? Employment avenues, skills required and educational institutions e.g. NSE Academy, BSE Academy, NIFTY Trading Academy, NISM offering formal education in stock market

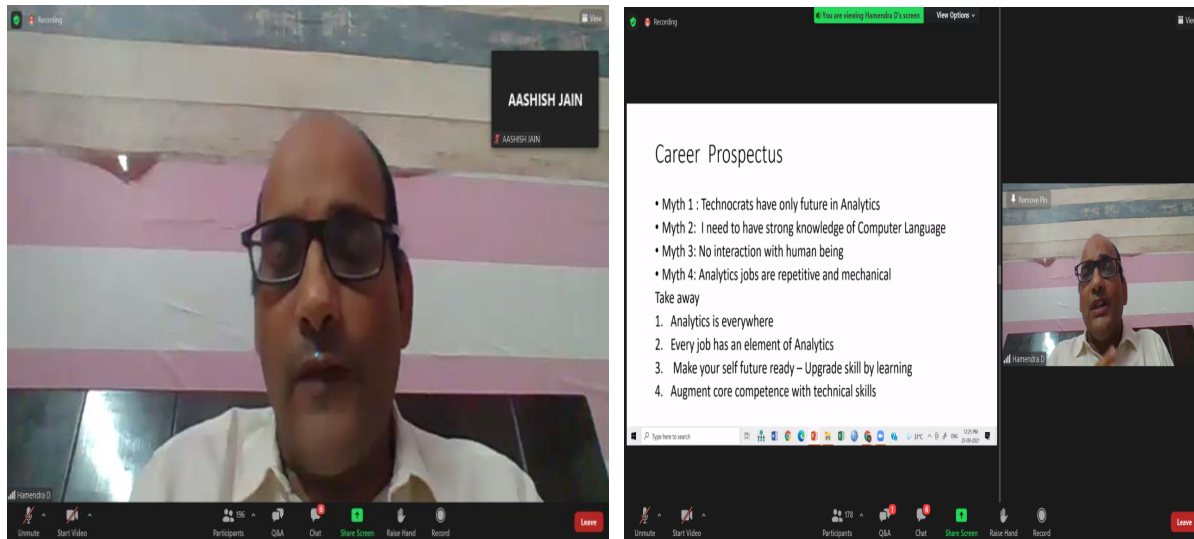

Speaker Session: 2 (Resource Person: Prof. H.K. Dangi)

The theme of session was “***Emerging Careers in Data Analytics***”. The key resource person was ***Prof. H.K. Dangi***, who delivered informative, insightful and knowledge centric lecture on emerging careers in data analytics. He elaborated on various online training program that aims to make one a master of all the basic and advanced level skills in various tools and technologies involved in the field of Data Science, Machine Learning, Deep Learning, and Artificial Intelligence. He covered the following sub-themes in this session:

- What is analytics all about?
- Analysis and analytics
- Data Mining, Data Analytics, Data Analysis, Data Science, Big Data and Machine Learning
- Types of Learning: Supervised, Reinforced and Unsupervised

- Analytics design
- Career prospects in Data Analytics

He concluded that analytics is everywhere and every job has an element of analytics. One should make himself ready by upgrading skill by learning and augmenting core competence with technical skills.

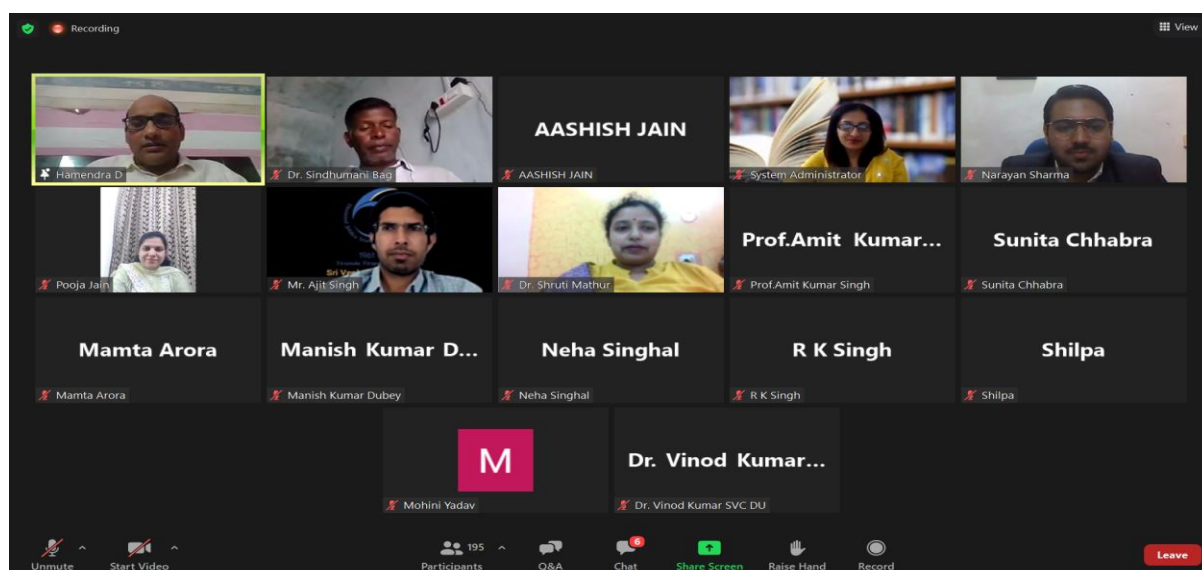

Speaker Session: 3 (Resource Person: Prof. R.K. Singh)

The theme of the session was “*Interface between business and technology*”. The key resource person was **Prof. R.K. Singh**, who delivered informative and insightful lecture on the interplay of technology in business models. He said that in today’s physical and digital age, the business is carrying out operations 24×7 with no constraint of space and time. Moreover, he stated the role of emerging technology based business models across various industries like OLA, Spotify, ZOMATO, CRED, UNACADEMY, KHAN ACADEMY in the growth of economy and generating employment opportunities for the people. Further, he discussed the role of emerging technologies in education across all levels and how digital education has transformed the education sector and development of a new learning model i.e. digital learning platform.

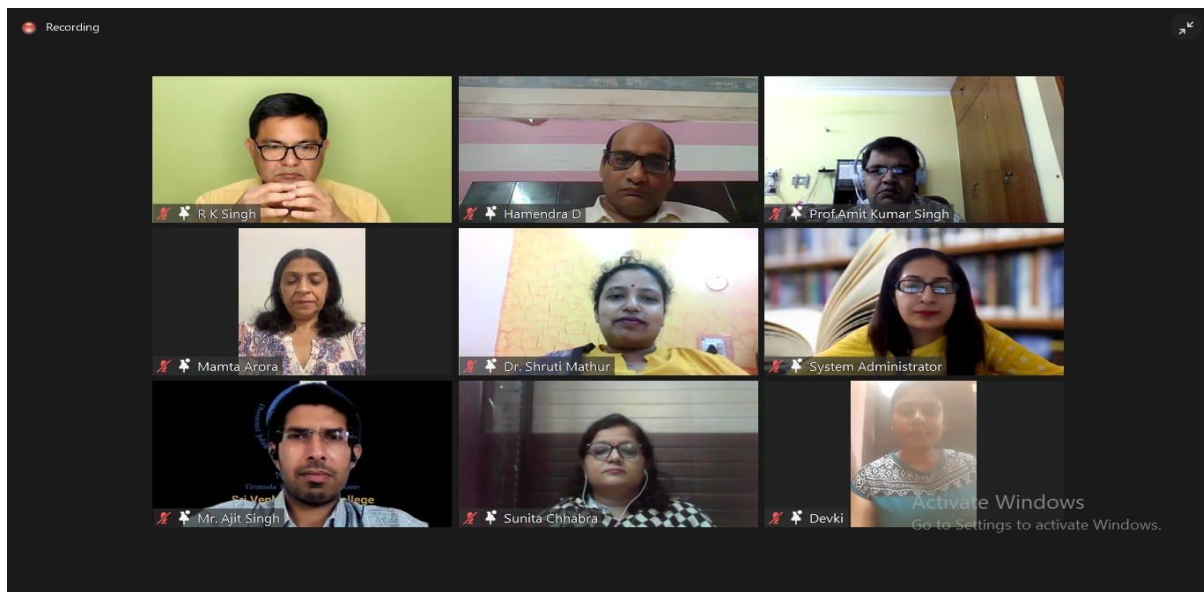

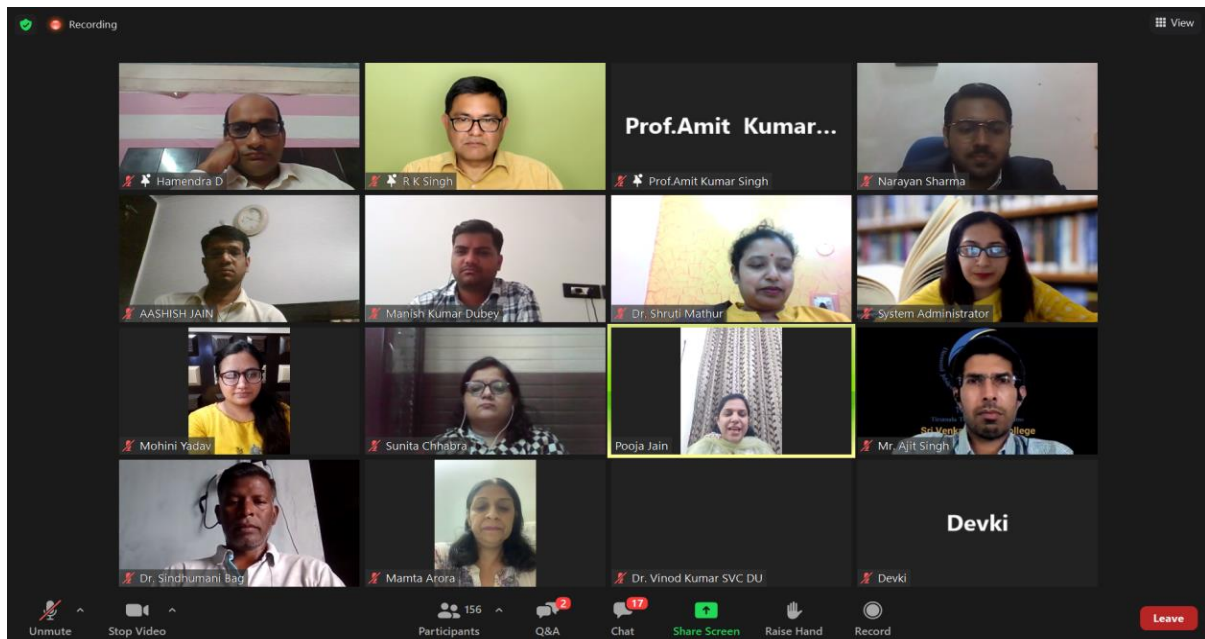

Question & Answer Session

The Question-Answer session was moderated by **Dr. Arpita Kaul**, faculty from the Department of Commerce, SVC. She played an instrumental role in moderating the session between key resource persons and audience. The questions belonged to a wide spectrum of role of technology in business skilling, emotions and technology and how technology will reduce unemployment. The resource persons replied positively on the queries of students and ended the session with advising the students to have proactive approach in learning.

Vote of Thanks

The vote of thanks was proposed by the Convenor of the National Webinar, **Dr. Pooja Jain** and she expressed gratitude to each and every one who made this webinar successful by his or her gracious presence including resource persons, Principal, Vice Principal, entire organising committee and participants. The webinar observed an august gathering with 174 enthusiastic participants who reciprocated positive and constructive feedback.

How satisfied are you with the webinar?

REMARKS BY THE PARTICIPANTS

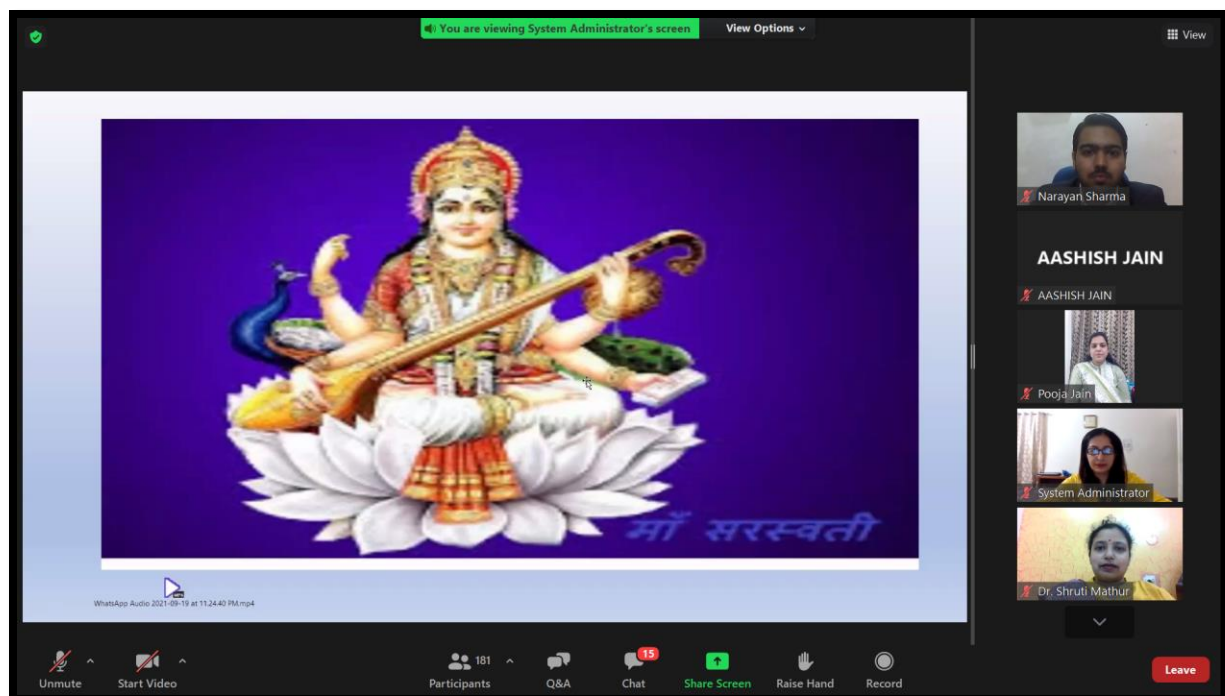

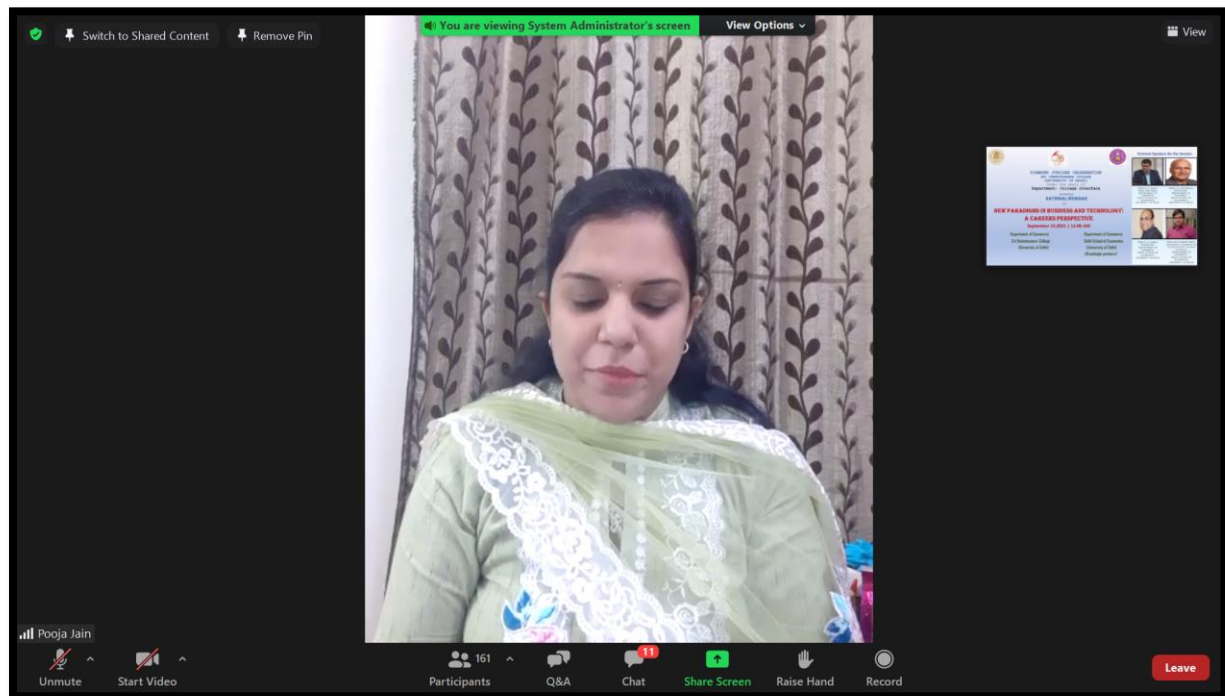

- ❖ Very Informative session
- ❖ More events like this organize in future
- ❖ The session was very informative and interesting
- ❖ Very fruitful
- ❖ The session was extremely informative.
- ❖ Great session
- ❖ Session was amazing.
- ❖ Webinar was so informative and interesting.
- ❖ Great Session
- ❖ Excellent
- ❖ The webinar was very informative. Hoping for more webinars like these.
- ❖ Waiting for next session like this on some practical topics for college student future earning.
- ❖ The webinar is really very nice and time worthy
- ❖ Very insightful
- ❖ It was a very informative and fruitful session.
- ❖ Session Time can be extended.
- ❖ Very informative and nicely organised session
- ❖ Topics taken up for discussion in today's session were extremely useful and relevant. Looking forward to more such sessions!
- ❖ Overall well managed & informative session
- ❖ It has certainly added few valuable inputs to my existing knowledge about the topics.
- ❖ sharing recordings with participants will be highly appreciative. By this, it could be shared with our students who by somehow were not able to attend this amazingly informative webinar.

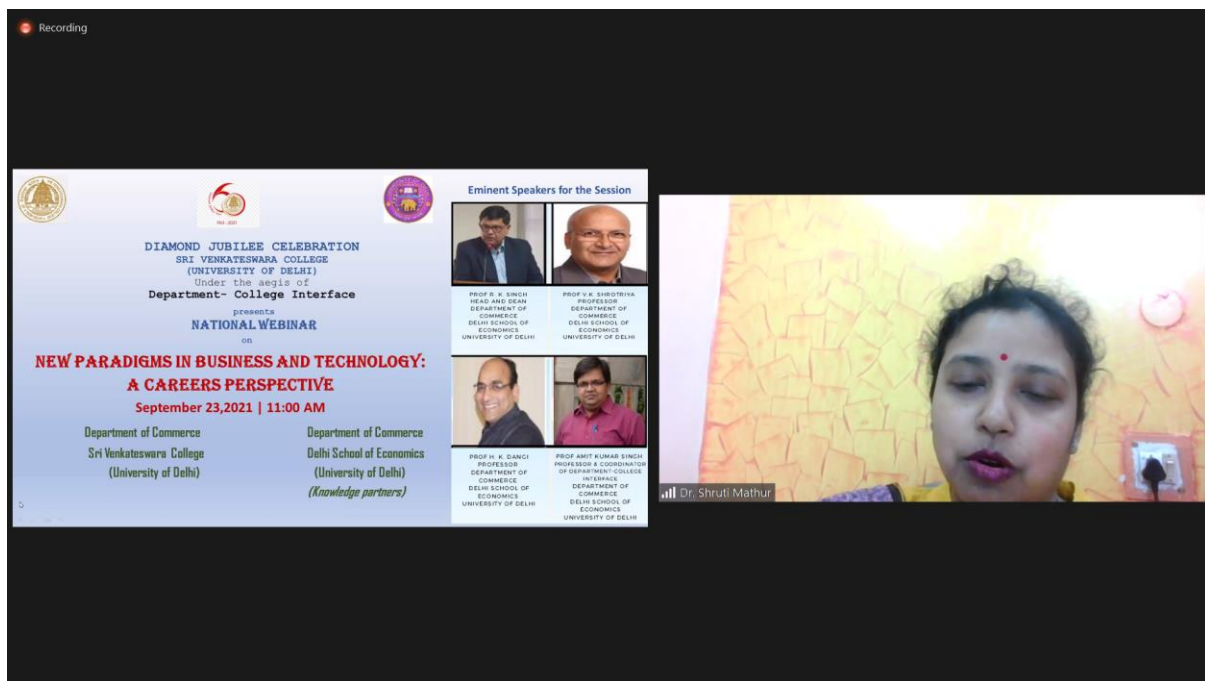

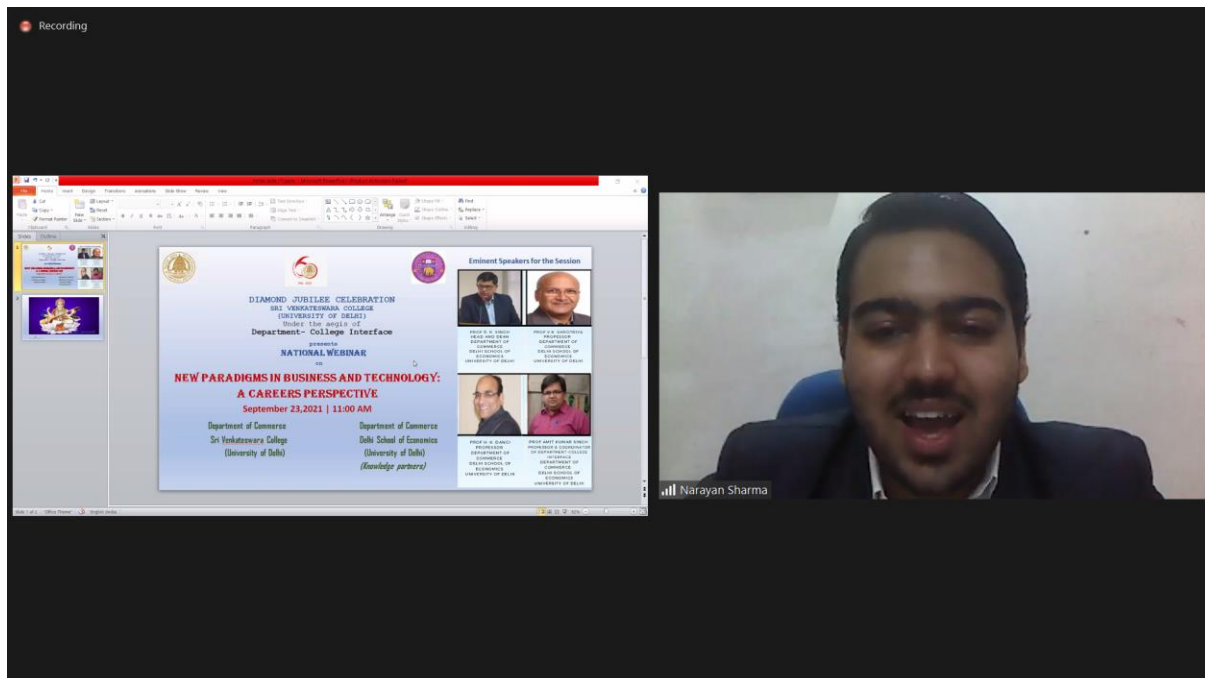

- ❖ A very Insightful session, especially about the Stock Markets, IPOs and Analytics in everyday day as well as a career option. Thank you for the session.
- ❖ Very much informative webinar, Great work by the department.
- ❖ Going on with such kind of interesting topics. very nice initiatives hope to continue it
- ❖ This webinar very informative and helpful for future.so this webinar session very helpful for us.
- ❖ It's really an informative session. I get the detailed view about stock market, analytics and technological advancements in the world. This session encourage me to upgrade myself because the competitors are not only humans but machines as well.
Thanks !
- ❖ The session was very helpful and informative
- ❖ It was a very insightful webinar. I really enjoyed it, especially the stock market insights by Prof. Amit Kumar Singh.
- ❖ amazing
- ❖ The webinar conducted by the honoured faculty of Department of Commerce under the guidance of respected Principal Ma'am Dr. Sheela Reddy, Professor R.K. Singh, Professor Amit Kumar Singh and Professor Hamendra K. Dangi was really enlightening. It gave us insight into different topics covering technological changes in stock market, analytics and business leading world. This webinar definitely has left a resounding effect on our mind with the most appealing true statements 'upgrade new skills by learning' and 'a machine can perform work of fifty ordinary people but it cannot perform the work of one extraordinary person'. It also helped in learning and enhancing my knowledge regarding multiple perspective available for career in various field.
Moreover, I am really looking forward for another such informative webinar in the upcoming years .
- ❖ Fabulous interaction
- ❖ Fair Value for time

LEARNING OUTCOMES

- Comprehensively understanding the intersection that exists between business and technology
- Delving deeper into stock markets and the digital revolution that resulted in a remarkable overhauling of the same
- The fusion of analytics and regular life and how to upgrade oneself at par with the recent developments
- Insights into varied business models adopted by multiple successful companies and the significance of technology in restructuring the business models as per the dynamic changes.
- Tips to grab career opportunities with the rapid advancement in technology used in the business and acing it.
- Exploring the emerging career avenues that exist on the intersection of business and technology, especially in the field of data analytics

Career Prospectus

- Myth 1 : Technocrats have only future in Analytics
- Myth 2: I need to have strong knowledge of Computer Language
- Myth 3: No interaction with human being
- Myth 4: Analytics jobs are repetitive and mechanical

Take away

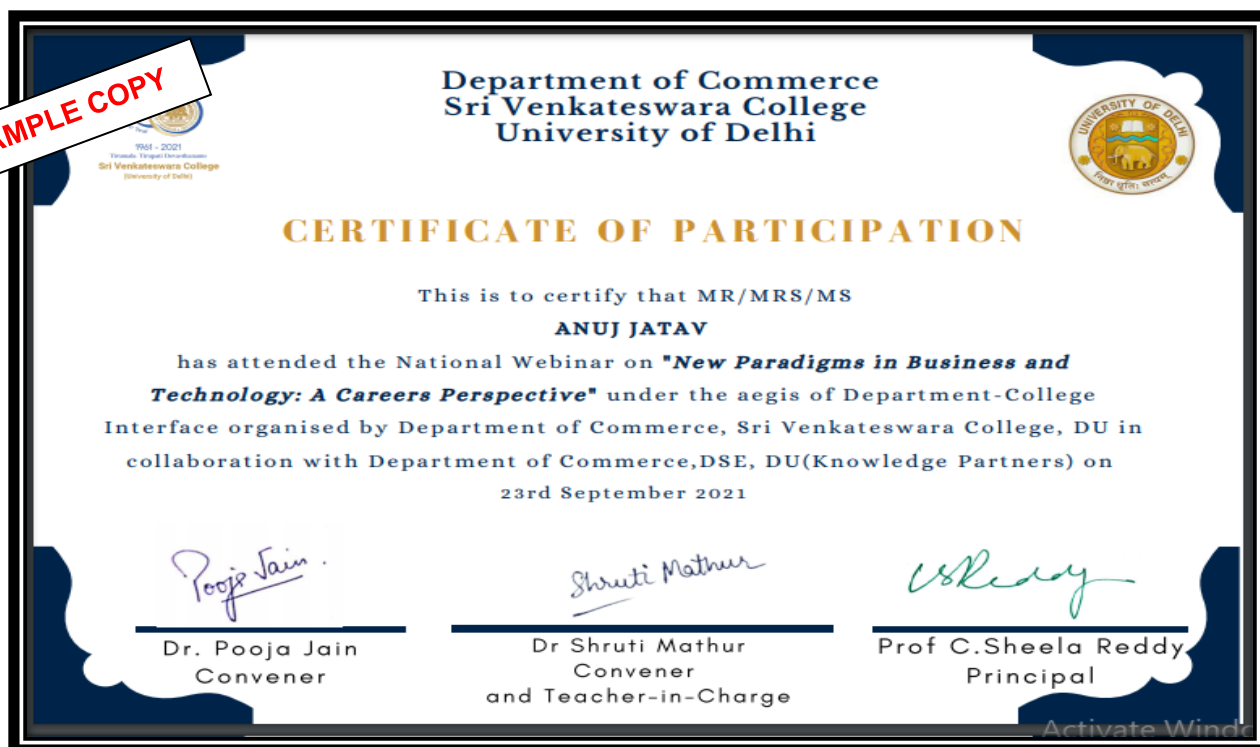

1. Analytics is everywhere
2. Every job has an element of Analytics
3. Make your self future ready – Upgrade skill by learning
4. Augment core competence with technical skills
