# BEYOND THE TANK 1.0

The first exclusive E-Cell meet went beyond mundane talks and discussions. With the purpose of building critical thinking skills, A.S.C.E.N.D conducted an interactive first-of-its-kind workshop focusing on communication, analytics and business acumen. Inspired from the much-popular show "Shark Tank", the hour long event was aimed at equipping participants with an opportunity to put into action their wit and express their opinions on the proposed business idea. A sample video was run for the members to analyse, critique and decide their stand on the proposal.
