Criterion II	Teaching Learning & Evaluation	Criterion VI	Governance
Criterion III	Research, Innovations & Extension	Criterion VII	Institutional Values & Best Practices
Criterion IV	Learning Resources and Infrastructure		

Proofs

ACTIVITY REPORT

The Department of Electronics, Sri Venkateswara College organized its First-Ever Virtual Annual Alumni Meet on Sunday, 20 February 2021. The program began with an introduction by Kanchan Yadav followed by a beautiful monologue on college life recited by Astitwa Tripathi. After this, a welcome address was given by Dr Sunita Jain (Teacher-in-Charge). In her inaugural address, she expressed happiness at the overwhelming response from the alumni for the meet. She opined that social distancing and online meetings have become new-norm in the recent past. At the same time, this pandemic has taught us lessons of being flexible and accommodative. More than 35 alumni of the department of electronics attended the event from different parts of the world including Abu-Dhabi, Australia and the UK. Approximately 50 students and 9 faculty members were also present for the meet. All the faculty members interacted with alumni and expressed that alumni can contribute in a big way in taking their Alma mater to the next level by instituting awards, prizes and joint projects. They urged the alumni to contribute to enhancing the knowledge and skill domains of current students by conducting webinars for career counselling. A plethora of activities were organized by the students. Sonakshi Singh recited a beautiful poem on Mother. It got even more rejoicing when the 'Virtual Games' were introduced to the alumni by Ujawal Kumar. 'Guess The Song' by emoticons toggled up the singer in them, 'Scavenger Hunt' made them realize that there's still a lot more coltishness left in them. Ishika Chauhan, Ishika Sharma, Shekhar Kumar and Chandra Shekhar provided their significant contribution in planning, inviting and organizing the event. All the technical stuff was handled by Manav Kapoor. The whole event was coordinated by Shivangi Singh and Rajdeep Pandey. Before the annual alumni meet, the event details were shared with the alumni through various social media platforms and Emails by Mr Hari Singh (Faculty Coordinator, Alumni Meet). The objective of the alumni was to provide a forum to establish a link between the alumni, faculty members and current students of the department and to give an opportunity to alumni to express their views about college The alumni were living their college days back. Despite working in multiple domains in different parts of the world, a thread of emotional connection was clearly visible as they were interacting with teachers, recalling memories pouring nostalgia. It was an incredible reunion of alumni, faculty members and students.
