Detailed Report of the Event

Trisectrix- The Mathematics Department of Sri Venkateswara College, The University of Delhi, organized a Farewell party for the Batch of '23 on 28th April 2023 (Friday) room number 14/T2 of Sri Venkateswara College. The purpose of the event was to provide a wish of happiness and best wishes to the students' batch of 2023, to embark their journey in the college.

The program commenced with a few performances bringing high energy to the department. The students were dressed in ethnic and formals and showcased their talents in the fields of dancing, singing, painting, poetry, and stand-up comedy. The event proceeded as the students were each given a title suiting their personality or talent. They were also presented with farewell cards that had sweet messages from their teachers and a group photograph of the entire batch along with a convocation cap. The exalting performance of students and their witty nature to perform the fun tasks given to them made the event lively and spirited. The participants were made to play a game of picking up a chit, wherein they had to perform an impromptu task allotted to them. This not only tested their sportiveness but also allowed them to ease their nerves. The event was followed by a video message from our old faculty members who shared a special bond with the batch which made their hearts stir. The faculty members along with the President and Vice President of Trisectrix then cut the cake as their last celebration with the batch. After moments of contemplation, the hosts announced the winners of the four grand titles- Mr. Farewell and Best Dressed (Male and Female) and the teachers gifted them with sashes and presents. The traditional turning of the tassel ceremony marked the end of this vibrant and high-spirited event.
