B. Sc. (H) Zoology course Physiology: Life Sustaining systems practicals component has an exercise on Spirometry. The syllabus requires students to understand the theory and principle behind the technique Spirometry. Due to support and encouragement of the Department of Pulmonary Medicine & Sleep Disorders, AIIMS-Delhi, we planned a visit to the centre to offer the students a chance to witness the working of the instrument and understand the working and practical use of the technique by interaction with the clinicians. The students were excited to get a hands-on experience of this process.
