REPORT

An online orientation program for Value Addition Courses (VAC) was organised on Zoom platform by IQAC, SVC on 06-09-2024 from 3:00 pm to 5:00 pm for first semester students. The session was simultaneously live on YouTube. Faculty members from different departments presented and discussed the various VAC options offered by their departments while informing the students about the credits, structure and outcomes of the courses. The session began with a welcome note by Dr. Sunita Yadav, Co-coordinator, Criteria I IQAC, SVC followed by an introductory address by Dr. Deepti Jain, VAC Nodal Officer, SVC. Dr. Deepti Jain informed all the participants about the various options and combinations they can opt for VAC. Each student needs to opt for one VAC paper in one semester and need to complete four VAC papers in four semesters. Students need to give three preferences for VAC in the ERP portal. If a student wants to opt for VAC paper offered by Delhi University and not by the college then the student needs to select cluster college while filling in preferences in ERP portal. The college is offering 13 VAC papers this semester. After this, presentations were delivered by various faculties of different departments in order to facilitate the students' smooth selection of VAC options. The queries were taken up after each presentation and in the end at length. The faculty members also mentioned the eligibility criteria for VAC courses. The students were asked to fill out the attendance cum feedback form.
