

SURVEY- 24th September(NSS Day)

To celebrate NSS Day, 30 members of our team conducted survey in 6 groups in different areas of Delhi like RK Puram, Nanakpura, Vasant Gaon, Daryaganj etc. covering both urban and rural areas. They all had different topics related to cleanliness like Swachh Bharat, Solid Waste Management, River Pollution etc. This survey made us gather a lot of information and made us aware about the situations we didn't know were happening. We also created awareness regarding our topics. Also we made sure that paper was not wasted during the whole project and we used electronic methods and waste papers. It was a learning experience for all the members.

The survey was to find the current situation of cleanliness in different parts of Delhi and we found out that we are lacking a lot in terms of cleanliness, despite of having dustbins people are not using it and people are aware about the harmful effects but still not one is ready to take any step. We need to bring the change, and it's our responsibility to be the change that we wish to see.
