"I've been running to fetch slots for me and my wife. She can't walk because of a fractured ankle. But now that the vaccination had come to us, we had to catch hold of the opportunity."

Bottomline: Vaccination is a SURVIVAL ESSENTIAL. Just like Water, Food and Shelter.

Vaccination drive feedback from Sanjay camp people

"I was so apprehensive about this. I have thyroid and I've lived on medications for the last 7 years. But once I saw my neighbours turning up for this, I too decided to walk in. Now that I've talked to doctor saheb and the team, I think I should be proud of myself."

Bottomline: A Pandemic doesn't see your Age, Class, Gender or Race. But the effects are selective. If Vaccination is the alternative, LET IT BE THE ONLY ONE, for EVERYONE.
