REPORT

On March 20, 2023, the DATRI organisation and Sri Venkateswara College's National Service Scheme (NSS) collaborated to host a blood stem cell donation camp. The main goals of the event were to raise awareness of blood cancer, highlight the value of blood donation, and inspire people to give blood for a good cause. The event, which was held outside, attracted a sizable crowd of attendees who actively participated in the interactive conversation and gave blood. The NSS-SVC team and DATRI organisation did an excellent job planning and carrying out the event. The NSS-SVC team and DATRI organisation were successful in spreading knowledge about blood cancer and the value of blood donation through this event. In terms of fostering a positive environment for blood donation and raising awareness of the value of blood donation, the event was a huge success.

nss.svc Once a blood donor, always a lifesaver

Blood cancer is a common disease spreading very fastly in the world but it is something that can be cured. Bestowing a helping hand to someone fighting in a grave situation of life and death can be a great boon for them. You don't need to be a doctor for saving someone's life but can do it just by donating your blood stem cell.

NSS-SVC in Collaboration with DATRI organisation is pursuing ahead with this good cause. We are elated to announce that NSS SVC is organising a donor registration camp which will be held on 20th March from 12 PM onwards. We are also coming up with an interactive session that will be held in room number 57 and the donor registration procedure will be done in the foyer.

There's no greater feeling in the world than watching the sombre eyes spark up with life and joy. So, come ahead and be the spark in someone's life. We excitedly look forward to your presence and participation.
