REPORT

On February 10, 2023, the NSS Society of SVC held a successful dog collection drive to honour February as Pet Month. Participants banded together to buy a variety of things, including blankets, towels, toys, and dog food, in an effort to collect necessities for campus pets. The initiative was greatly supported by campus staff and students, who helped to make it a huge success. This project by the NSS Society of SVC created awareness about the value of protecting animals and showed how important it is to do so. Such endeavours are essential if our society is to improve the environment for all living things. The overwhelming support for the effort shows that people are willing to support initiatives that will improve the lives of animals, and this successful event represents a little step in that direction. In conclusion, the NSS Society of SVC's dog collection campaign highlighted the need of caring for dogs and advancing animal welfare.
