Subject: Seeking permission to conduct a 'Diwali Celebrations' in the college premises on 3rd November 2023.

Respected Sir,

We, the team, of NSS-SVC want to conduct a Diwali Celebrations on campus this year and are seeking the required permissions for the same. The event is scheduled for 3rd November 2023 from 11:00 AM to 5:30 PM and will encompass several activities and we seek permission for the same.

NSS-SVC's annual Diwali Celebrations will revolve around the idea of empowering the people of our community and celebrating the festival of lights together with everyone by empowering our Indian Heritage and Indian roots. We would like to have 13 stalls set up in the college main ground wherein NGOs, women from our adopted slum community, and others can showcase and even sell their products. This platform will empower our local community and facilitate fundraising for distribution drives and community development initiatives.

For the same, we seek permission to allow for tent and stalls set up in the college main ground on the day of the event. We also seek permission for the entry of people to set up tent and DJ in the college campus. As a part of our celebration, college students will showcase their talents through performances, adding cultural depth to the event and their Indian roots. We also plan to organise games to engage our audience and enhance the festive spirit of Diwali Celebrations.

We would like to request permission for a DJ and Music system to provide music and create a festive atmosphere during the event. Additionally, we plan to incorporate cultural performances and other dance activities to connect with our Indian cultural roots. We also seek permission for lighting of Diyas on the auspicious occasion of Diwali Celebrations.

We assure you that all necessary safety and security measures will be in place to ensure the well-being of participants and attendees. We will adhere to the college's guidelines and regulations regarding the usage of the college premises.

We think that this event can give our society the desired exposure in the Delhi University circuit as well as allow us to interact with and help the people of our adopted community through distribution drives, fundraisers, etc. Therefore, we hope for a positive response from your end.

Thank you.
