## **BRIEF INFORMATION ABOUT THE ACTIVITY**

| TOPIC/SUBJECT OF THE<br>ACTIVITY                            | How to do well in Aptitude Tests                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| OBJECTIVES                                                  | The main objective of the webinar was to understand how to ace an aptitude test and why are Aptitude tests important.                                                                                                                                                                                                                                                                                                                                                                                |
| METHODOLOGY                                                 | <ol> <li>PPT</li> <li>Discussion</li> <li>Q&amp;A Session</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| INVITED SPEAKERS<br>WITH AFFILIATION<br>DETAILS<br>(IF ANY) | Mr Amit Poddar is a graduate from Sri Venkateswara college and<br>an MBA from Indian Institute of Planning and Management. He<br>worked for a US based MNC-Primus Telecom for two years and then<br>shifted to the Education Industry and looked after Academics and<br>Marketing and then joined T.I.M.E. in 2006 as a knowledge expert<br>and have grown to a Senior Regional Head Position with 15+ years of<br>exploring the corporate world.<br>E-Mail ID: <u>atul.gupta@time4education.com</u> |

| OUTCOMES | 104 participants of Sri Venkateswara College attended this webinar.                                                                            |
|----------|------------------------------------------------------------------------------------------------------------------------------------------------|
|          | The webinar conducted by T.I.M.E was very informative. The                                                                                     |
|          | webinar was started by giving the introduction of Mr. Amit Poddar                                                                              |
|          | who has been in T.I.M.E since 2006 as a knowledge expert and has                                                                               |
|          | grown to a senior regional head position with 15+ years of exploring                                                                           |
|          | the corporate world. Then he gave a brief intro on the subject on how                                                                          |
|          | to ace an aptitude test and why are Aptitude tests important. The                                                                              |
|          | overall analysis of the Aptitude Test and the stages one goes through<br>were also discussed. In the last there was a question/answer round in |
|          | which he gave replies to many of the students' queries.                                                                                        |
