## MESSAGE

I am very proud to be a part of Sri Venkateswara College, New Delhi, an institute of excellence under the aegis of the Tirumala Tirupati Devasthanams, Tirupati. The Devasthanam Trust runs several institutes for various noble causes out of the offerings made to the corpus of Lord Venkateswara, the Presiding Deity of the Seven Hills. For us, the cause of education to all at an affordable cost has always been a driving force. Education here however, takes on a much larger and deeper dimension where The Trust aims at inculcating the philosophy and ethos of our ancient culture through the spectrum of modern thoughts and technology.

It is indeed a delight for me that Sri Venkateswara College, New Delhi has scaled such illustrious heights from its modest beginning in 1961, catering to ideals of higher education, to become one of the premiere national institutes under the University of Delhi. The trajectory traversed by the college to such a pinnacle of success has in fact, become a source of inspiration to other institutes run by our management.

I extend my good wishes to all the admission seekers aspiring to join this institute, which has such a dedicated team of staff. During their association with this reputed institution they are also prepared to take on larger challenges in life with a balanced holistic approach. As the Brihadaranyaka Upanishad rightly says, the quest of education here at Sri Venkateswara can be construed as:

" Asato Maa Sad-Gamaya  
Tamaso Maa Jyothir-Gamaya  
Mryor-Maa Amrtam Gamaya "

Which translates into

" From ignorance lead me to  
Truth, From darkness, lead  
Me to light, From death, lead  
Me to immortality. "

I pray to the Lord of Seven Hills to shower his blessings on this college for accomplishing much more and winning unparalleled laurels and accolades in the years to come.

# About The College

The Choice of every student....

The Tirumala Tirupati Devasthanams (TTD) engaged in the management of the sacred hill temple of Lord Sri Venkateswara at Tirupati (Andhra Pradesh) believes that the temple as a place of worship must bring about national integration and, schools and colleges should light up the path of devotion through education and enlightenment. Inspired by its zeal to spread the spiritual values and indian culture, a devout scholar and an active social worker Dr. Durgabai Deshmukh engaged some of the finest thinkers of modern India like Dr. Sarvapalli Radhakrishnan, Dr. C. Anna Rao and Dr. K.L. Rao to establish Sri Venkateswara College at New Delhi under its aegis in 1961.

Located today in Dhaula Kuan and acknowledged as the South Campus's numero uno co-educational college offering a wide-ranging bouquet of up to date study programmes and boasting an enrolment strength rivaling many a small university, it has expanded over the half century adapting dynamically and continually to felt needs and the emerging educational demands of the times. The College imparts high quality education to students through innovative pedagogy and modern training facilities, provides holistic personality development through strong academics coupled with active participation in co-curricular programmes that include fine arts, sports and leadership training. The objective is to develop a sense of ethics and responsibility in students and to broaden their perspectives so that they are able to succeed in today's global, competitive and dynamic environment. The four guiding principles of the doctrine of indian culture, namely, dedication and duty, material well-being

for the benefit of society, pleasure of meaningful living and salvation through self-knowledge were meant and remain still the chosen ideals vivifying its branches of arts, humanities and sciences in the college. Unsurprisingly then, it is perceived as a feather in the cap of today's student community to be able to say that they are a "Venkyite" – a popular mantle many aspire to, but only a fraction of the aspirants will ultimately be able to actually claim.

Sri Venkateswara College today has 180 teaching and 250 non-teaching staff members and around 3500 students on its roll. It also offers 10 post-graduate courses for study and provides one year post-graduate diploma course in Molecular and Biochemical technique and a certificate course in German Language.

HOSTEL, the place where life grows up beyond beds and books. It is the best part of our growing up days. The bitter-sweet memories of those days always bring a smile to our face. The new environment and new people brought a sense of independence as well as loneliness. Among all these, I was indeed to prove my worth. In fact, I learnt an important lesson that difficulties help us to know the outer world and to grow. I made some friends for life and learnt quite a bit from them. I still remember the late night studies before the examinations, loud shouts and the laughter shared with friends. Now, I wish I could get back another such night. I feel that it's a part of life to go to hostel in order to make something out of your life.

The Fine Arts Association is the cultural fulcrum of the College comprising different Societies like the Western and Indian Music, English and Hindi Dramatics, Choreography, Folk and Western Dance, Film and Photography and the Quiz Society.

At the beginning of new academic session, various societies conduct auditions to select and enroll students as their members. The cultural calendar begins with a series of intra- college competitions that gives students, especially those from First Year, the opportunity to not just compete but also integrate and mingle with other students from the College. In this they are also guided by both the Convenor as well as Senior members of their Societies. In this way they forge important relationships with their peers and also become important contributing members of the vibrant community space that the Fine Arts Associations creates at Sri Venkateswara College.

Committed to imparting a holistic education, we at Sri Venkateswara College take great pride in both, the academic excellence of our students and also their cultural achievements. Under the convenorship of Dr. Shalini Sen, we welcome once again students to hone their talents and be a part of The Fine Arts Association.
