## Message from the Principal

**Dr. P. Hemalatha Reddy**

Principal, SVC

Sri Venkateswara College extends a warm welcome to all the aspiring students to embark upon an exciting and intellectually stimulating academic life. A premier educational institution under the aegis of the University of Delhi and the Tirumala Tirupati Devasthanams, Sri Venkateswara College has a proud history and a reputation to be reckoned with in the contemporary academic world. In the recent survey of institutions nationwide, the college has been accorded the status of being among the best colleges across the various streams of science, humanities and commerce. Sri Venkateswara College boasts of state of art technologies, dedicated faculty, and innovative teaching - learning modules that provide a completely new dimension to the academic experience of our students. We at Sri Venkateswara firmly believe in bridging the gulf between the research in our labs and the industry requirements, giving our students a firm foothold through placements and an alumni association that we are proud of.

Life at Sri Venkateswara has many different facets, not being reduced to the demands of academics only. Several societies hone the skills of the students in various fields, be it editing, designing, providing a platform for performative arts such as classical music and dance, theatre and photography, among many others. These associations are the pride of Sri Venkateswara as they have brought many laurels to the college not only in inter-college competitions within DU but also from the prestigious platforms nationwide. Sri Venkateswara College also has an illustrious list of sportspersons and has served the nation in its own way by nurturing talents who have now made their ways into various national teams.

We at Sri Venkateswara are also very sensitive to the larger responsibilities that rest on the shoulders of an educational institution. We have a host of new courses which cater to the new trends in academics and are tailored to the industry requirements and incubation centers to mentor the students. Sri Venkateswara has a green campus, being conscious of the environmental challenges that we are facing and also a campus which is sensitive to the needs to our differently abled students. Firmly rooted in our culture and taking on the future with all its challenges through indigenous knowledge, Sri Venkateswara's zeal can be summed up with the words of the Father of the Nation, Mahatma Gandhi - "I want the culture of all the lands to be blown about my house as freely as possible. But I refuse to be blown off my feet by any". A thriving campus, which opens new vistas of thoughts and encourages different ideologies to exist in harmony, our ardent belief can be echoed from this shloka in the Rig Veda, which says - "Let noble thoughts come to us from everywhere".

***I am sure that Sri Venkateswara College is going to scale new heights in upcoming academic session and I wish the entire fraternity the very best in all their endeavors.***

“

*A drop of water that falls on heated iron  
is lost, without a trace.  
This same drop on a lotus leaf  
shines spotless as a pearl.  
And it becomes a pearl if it happens to fall  
into an oyster in the sea in the fertile season.  
What you are—good, bad, or in between—  
depends on whom you're with.*

Shāhaji

”

# Our Beginnings and Vision

*“Truth through self-education”*

The desire to share knowledge and the dream to make education accessible to all brought together three visionaries, Smt Durgabai Deshmukh, Shri K. L. Rao and Shri C. Anna Rao in the early decades of India's independence; to craft a dynamic space for knowledge sharing that would seamlessly blend traditional values, learning with modern outlook and rationale in the heart of our county, Delhi.

The foundation stone of the present day campus in Dhaula Kuan was laid in the same year by eminent Indian philosopher and statesman Dr. Sarvepalli Radhakrishnan. Since then, the Upanishadic principle “Truth through self-education” has been the guiding principle in all our endeavors.

Thus, began our journey in shaping sensitive, balanced global citizens of tomorrow whose heart is cultured in indigenous values and mind is sharpened in critical thinking. From the outset, we have relentlessly pursued the ideals set by our founders and taken pride in creating a holistic learning atmosphere for students from diverse backgrounds at a minimum cost in our national capital for more than five decades.

**The dream blossomed into reality with the aid and encouragement rendered by Tirumala Tirupati Devasthanams (TTD) and Sri Venkateswara College made its modest beginnings in Andhra Education Society, 1961.**

# 15 Acres of green campus, unique flora and fauna, and state of the art infrastructure

The present day 15 acres of green campus with unique flora and fauna, and state of the art infrastructure stands testimony to the unwavering commitment of Sri Venkateswara College fraternity towards our vision. Today, our resources can easily compete with any small university in India or abroad. We believe in imparting value based education that would help students to make a mark in today's competitive world. Our goal is to churn out motivated individuals who will excel professionally and are also eager to contribute to our society in the best of their abilities.

We nurture young seekers of knowledge in their path of self discovery and mentor them to pursue their true passion and explore their potential through innovative pedagogy and modern facilities. Our college offers a platform for students from diverse backgrounds and strengths to excel in academics, research, cultural as well as social activities and sports. We take pride in the fact that “Venkyites” in today’s world are known for their penchant to excel in all walks of life.

## About the College

### A closer look

#### The college offers various undergraduate degrees

The college offers various undergraduate degrees in the **humanities, commerce and sciences**. Several add-on courses can be pursued by the students in addition to their regular courses. Language courses in **French, Spanish and German** are very popular among the students.

#### Several add-on courses

help students to engage with topics and ideas that are of contemporary relevance.

• INDIAN MUSIC • IPR

• CLIMATE CHANGE • ENTREPRENEURSHIP

#### Sri Venkateswara College has nearly

**180** Dedicated teaching staff

.....

**105** non-teaching staff members

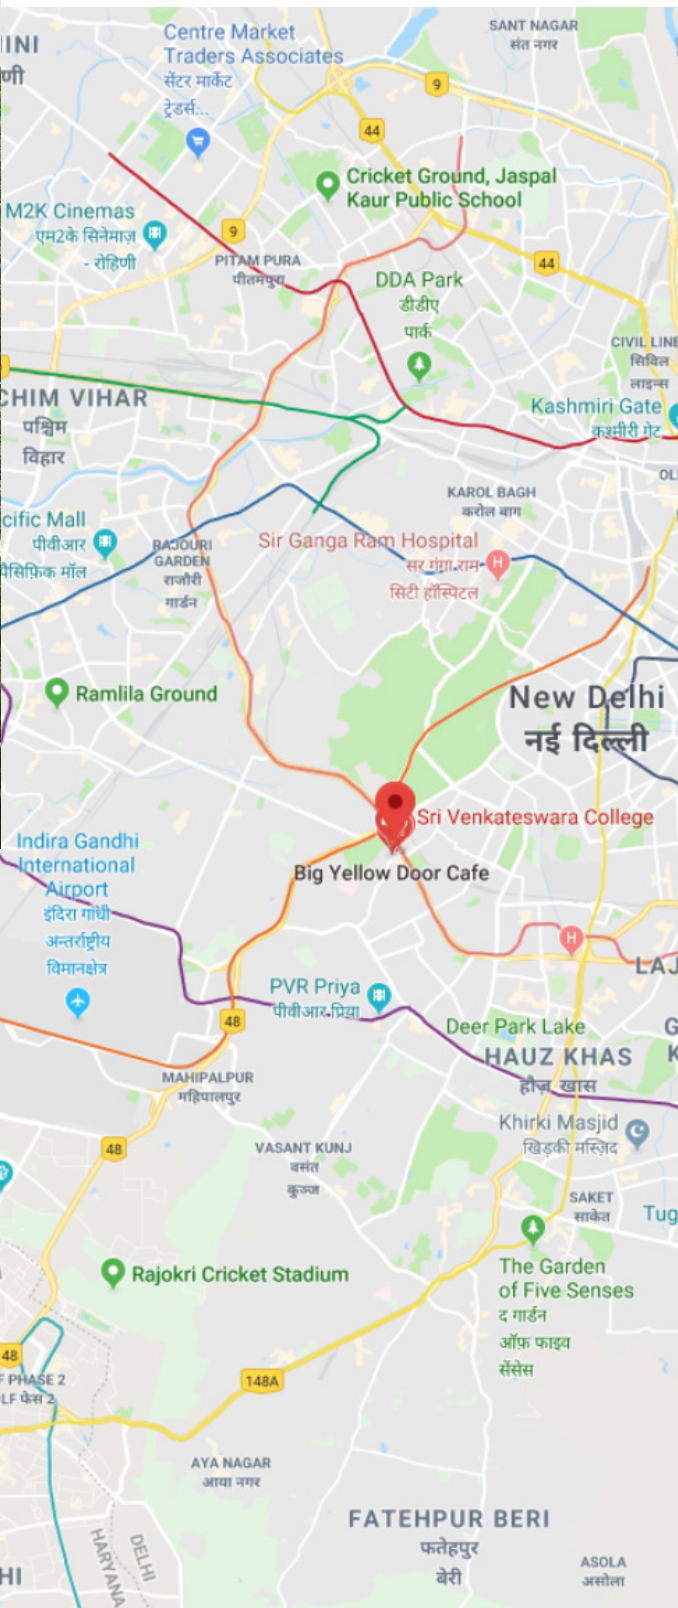

.....

**11** Postgraduate Courses

.....

**3500** Students on its roll

Our college is known for its well-equipped ICT and science labs but what sets us apart from other institutions is our inspiring, approachable teaching faculty and helpful, attentive staff who are ever-ready to guide and assist students.

## Our Campus and Connectivity

On entering the college gates, one is easily mesmerized by the sprawling green lawns, a welcome respite from the otherwise relatively drab scenery outside, comprising of the usual Delhi traffic. The green cover keeps Sri Venkateswara family safe from the pollution of Delhi.

Various student haunts like the common rooms, foyer, the front lawn, the lobby leading to the canteen, all contribute to a wholesome college experience. One of the most remarkable aspects of the college is its proximity to Satya Niketan, a popular student hang-out space in Delhi. The variety of affordable and pocket-friendly cafes makes it an ideal place for students to spend some time outside yet not be very far from campus. Moreover, many preparatory centers for civil services and other competitive exams are located right across the road.

We are well-connected to the ring road and are located at a stone's throw away from the Durgabai Deshmukh South Campus metro station (pink line).

We are right beside the main South Campus and are surrounded by various other DU colleges like Moti Lal, Ram Lal Anand, ARSD etc, which adds to the largely academic and student-friendly atmosphere. Right next door is the Indian Mountaineering Foundation offering a variety of courses in mountaineering for those who are interested in exploring nature and strengthening their physical abilities in the lap of nature.

“

.....

*Cultivation of mind should be the  
ultimate aim of human existence*

Dr. B.R Ambedkar

# Our Facilities

## Library

A place for intellectual growth and development, the college library is digitalized as per latest regulations (with e-book and internet facility) and follows the open access system. The library houses over a lakh book titles ranging from Biotechnology, Geometry to A Song of Ice and Fire (Game of Thrones). It subscribes to 68 journals, twelve newspapers in four languages and has twenty sets of encyclopedias and 200 educational CDs.

Students can also access the facility of departmental libraries and they may contact their department for the same. Our library also provides special services for the visually impaired students by making assistive technologies accessible with the help of our Equal Opportunity Cell and the DULS. We also have material in Braille in the library.

## ICT facility

The entire campus and hostel is Wi-Fi enabled. We have our own active directory domain server for Wi-Fi security and network security and provide every student, faculty and staff with their unique ID. Our internet resource lab has 80 systems and we have three computer labs with 130 systems for student's use. Apart from this, we provide laptops to our faculty and students with disability. Seamless internet connectivity makes teaching-learning fun and engaging at Sri Venkateswara college.

## Bioinformatics Center

The center was established in the year 2006 with an objective to promote Biology teaching through Bioinformatics, with initial funding from the Department of Biotechnology (DBT) under the Biotechnology Information System (BTISnet) program. It is the first Bioinformatics Center established in the University of Delhi and North India for the benefit of students at the undergraduate level. The BIC caters to the computational and bioinformatics needs of the undergraduate students, research scholars and teaching staff members from various departments in the college. Short-term training programs are offered to students from colleges and universities all over India. ([www.bic-svc.ac.in](http://www.bic-svc.ac.in))

## Medical Room

Ensuring our students and staff well-being has always been our first priority. We have a medical room with a trained nurse to take care of medical emergencies in the college.

## Banking Facility

The South Campus branch of the Andhra bank is situated within the college premises. It eases the trouble of banking for students and staff alike.

## Eco friendly Campus

The college has nurtured a botanical garden for the requirements of the students of Botany and Life Sciences departments. However, the botanical garden is open to all and our staff is happy and eager to share knowledge and information with those interested in plant life and ecology. We have lush green lawns and a good variety of trees. The eco club has identified 48 different species of birds within the campus. The college has also adopted various environmental measures such as solar panels, solid waste management, small patch to grow vegetables organically among others to contribute positively to the environment.

## Photocopying, Printing, Stationary and PCO/STD

Photocopying, scanning, printing and PCO/STD services are available on the campus on payment. The photocopy shop is the hub of all students before the semester exams to get notes scanned, printed and photocopied. One can also buy stationary items here.

## Facilities for differently abled

We at Sri Venkateswara College, believe in diversity and one of the diverse population of the college constitutes differently abled. In order to suit the special needs of differently-abled persons the college has built ramps, rails and special toilets. These amenities make these students comfortable with the environment and help them perform well. Their well-being and performance is being well taken care of by the college.

## Cafeteria

The college canteen is easily accessible from any corner of the campus. It is the epicenter of all student activities and discussions. Numerous delicious and healthy snacks are available here. Students often say that one is not a Venky student unless one has tried the 'Masala Dosa' and 'Utthappam'. Our canteen offers food from all parts of the country but in the past few years it has developed a reputation in South Campus for offering exquisite South Indian delicacies.

The canteen is the hotspot for all extra-circular activities, as well as the space for intellectual debates and free spirited conversations. The canteen has vast seating arrangement with an AC room for staff and visitors.

# Home Away from Home

*Residential Life at SVC*

Our hostel was set up in 2009 and has two separate wings for boys and girls namely, Sri Balaji hostel for boys and Sri Padmavati hostel for girls.

## The hostel is a

**4** Storied building

**72** Rooms

**36** In each wing

Rooms are available on twin sharing basis. The hostel also provides the students with a reading room, a table tennis room and a recreational common room in both the hostels. The on-campus residential facility is available for full time outstation undergraduate students of the college. Students from nearby areas like NCR-Delhi, Ghaziabad, Greater Noida, Faridabad, Gurugram etc are not eligible for accommodation in the hostels.

Students seeking admission in the hostel must fill the hostel admission form available in the college website. The hostels are the live wire of the campus life. Many festivals and events are celebrated in the hostels such as Diwali, Holi, Independence day etc. Numerous sports and extra-curricular activities are also organized within the hostels on a regular basis.

The Principal is the Chairperson of the Hostel Committee. In case of any assistance or doubts the students must contact the Hostel Warden.

“

*Secluded from the chaos of Satya, Venky hostel has its own peaceful and vibrant ambience. The greenery that surrounds the hostel is a perfect wall against Delhi's pollution. Festival celebrations, sports activities, varieties of North Indian and South Indian cuisines in the mess, multi-ethnic co-hostellers and their diverse academic background are among the many characteristic features of this hostel. The hostel association is a great platform for personal development through social and leadership skill enhancement. Venky hostel is a place of profuse resource and opportunities for avid learners and seekers.*

”

### **Drishan Dahal**

B.Sc (Hons) Biochemistry 3rd year

“

*Venky Hostel has been like a second home for me. Learning to adjust with people of different backgrounds and opinions, getting opportunities to showcase your skills in various cultural, sports, etc events, finding geniality amongst staff members and wardens, this place has given its residents experiences that will surely go along with them for a long way and life long memories to cherish.*

”

### **Shailja Chaurasia**

B.A (Hons) History 3rd year

# Expand Your Horizons @SVC

Our college attracts students from different parts of our country and the world. This diversity helps in accentuating learning outside the classroom through social interaction, making the atmosphere more conducive to overall development.

To encourage extra-curricular activities, there are various college societies that one can be a part of based on their interest, ranging from debating to dramatics, or dancing to singing. There are other non-performative societies in place as well like Enactus and the Placement cell. Venky's college fest, Nexus, is one of the most renowned fests in DU, hosting amazing and varied artists each year. Apart from this, we regularly organise Talks by renowned academicians, Exhibitions, Workshops, Seminars, Conferences, Educational Trips, Literary Festivals, Youth Conclave, TEDx talks and many more events throughout the year.

## Department Association

Every student automatically becomes a member of the department association he/she joins. Eg. A student enrolled in B.A.(Hons) English course will by default become a member of the English Association as would other students of their parent department.

## Alumni Association

The purpose of the association is to bring together various alumni onto a common platform. The association holds meetings that have emerged as a warm interactive ground for current students with alumni and the faculty.

## The College Magazine- Neerajana

Neerajana is published annually and showcases the literary and creative skills of students in English, Hindi, Sanskrit, Telugu and Tamil.

## International Outreach

Sri Venkateswara College has MoUs with International Universities for academic and cultural exchange programs as part of its global outreach. SVC recently signed a joint agreement for cooperation in Bioinformatics with Martin Luther University, Halle-Wittenberg, Germany in February 2019. Our college also signed MoU for academic & cultural exchange with Nordic Centre, a consortium of 19 Universities in Sweden, Norway, Iceland, Denmark and Finland. These MoUs are anticipated to benefit the students immensely through exchange programs for research and training.

In the past year, we had visitors from the Lincoln University, the New Zealand and the Harvard Business School. Following the visit of eminent scholars and academicians, New Zealand - India Lecture Series was organized and Prof. Ravi Goonaratne, Lincoln University, New Zealand, delivered lectures in Sept 2018 at SVC.

# Fine Arts Association

Rooted in culture and an embodiment of diverse talents, the Fine Arts societies of Sri Venkateswara College are spread across numerous fields. An array of activities- competitive as well as non-competitive are carried out under the aegis of the Fine Arts Association.

The Indian dance society **Nrityangana** is a brilliant example of sculpting modernity in tradition and has collected many laurels, while Verve, the western dance society is well reputed for establishing a formidable name in the competitive dance circuit. Leonci, the art society is known for creating magic with their brushes, with members specializing in drawing, sketching, painting, smudging and many more styles of artistic presentation of ideas.

The college's music societies- **Alaap** and **Crescendo**- specializing in Indian and western music respectively, have gained immense popularity in the college circuit by composing unforgettable, enchanting melodies year after year. **The photography society, Effulgence** is well known for weaving magic through the photographic lens. The quizzing society, **Conquizodars**, prides in having an undisputable success rate. The college is also well known for its dramatic societies- **Verbum** and **Anubhuti**- that stage plays in English and Hindi respectively, across the eternally culturally active city of Delhi. The newest society of the lot, **Petrichor**, a multilingual society, comprising of writers, poets and storytellers has quickly risen in being one of the best in Delhi University

**To put it in a nutshell, Sri Venkateswara College apart from being one of the most academically stimulating environments in the country, also provides a rich cultural exposure to its students, allowing them to explore their talents, skills and make best use of opportunities.**

## VERVE, The Western Dance Society

of Sri Venkateswara College has established a formidable name in the competitive dance circuits. It incorporates various dance forms like the hip-hop, contemporary, locking, popping, house, breaking, etc., in its routine. Verve has been known to create a legacy with dances performed to perfection. The highly enthusiastic dancers win accolades for the college wherever they go and are very popular among students.

## ALAAP, The Indian Music Society

of Sri Venkateswara College is an ensemble of music enthusiasts who come together to create classical renditions compiling various ragas and adorning them with even more elating vocals and instruments. Ranked as the best Indian music society in the Delhi University for the year 2017-18, Alaap focusses on presenting the renditions as a choir in various inter college competitions. Alaap expresses music in a way that it touches the soul !!!

## ANUBHUTI, The Dramatics Society

of Sri Venkateswara College was founded in the year 2003. Since its debut, it has served as a home for its members - a circle of learning, discipline and solace. Each year, the innate thespian nature of the society stands tall and raises its voice, calling out to make a difference in the socio-political sphere of life. In the course of its existence, Anubhuti has taken up and designed its performance on a wide array of topics such as: Suicide (2014-15), Negligence in the Medical Sector (2015-16), Normality of Sexuality (2016-17), The Condition Of Muslims (2017-18) and Gender Politics (2018-19). The hard work and originality behind Anubhuti's stories, music and characters has managed to strike a chord with the audience and it has helped in making a mark for itself in the Collegiate Theatre Circuit. Anubhuti has earned several positions in the past years at prestigious institutions like IIT Bombay, IIT Delhi, IIT Kanpur, Sahitya Kala Parishad. Various Best Music and Best Actor awards were awarded to the team and its members respectively.

*“To dance is to be out of yourself. Larger, more beautiful, more powerful”*

## NRITYANGANA, The Indian Dance Society

of Sri Venkateswara College abides to these empowering words of Agnes de Mille. Nrityangana performs both Classical and Folk Dance forms with the sole aim of preserving the prestigious culture of India since 2015. Our performances range is wide and inclusive. We are known for our performances in Garba, Lambadi, Madiya, Hariyanvi, Kathak, Bharatnatyam, Mohiniyattam, Kathakali, etc. The Nrityangana Society has won 34 competitions in the year 2018-19 at various colleges. Nrityangana's victory is not just limited to Delhi University Colleges and has carved a niche for themselves outside DU as well. The society takes pride in performing at International Kala Mela organized by the Lalit Kala Academy.

## EFFULGENCE, The Photography Society

of Sri Venkateswara College is a part of the Delhi University Photographers Club. The society organizes weekly photo-walks to scenic locations in Delhi and around with its members. The photographs clicked are displayed in the yearly exhibition Kodachrome, during Nexus. The society also takes part in various photography competitions held at different Delhi Univeristy Colleges. Effulgence has made its mark in the college circuit by being one of the societies that brings back home lots of accolades.

# NEXUS

Cultural Festival

The college organizes its annual cultural festival 'Nexus' under the banner of the Fine Arts Association every year during the months of February or March. Spread across three days, it welcomes students from all colleges under Delhi University and is known for providing an enthralling experience. 'Nexus' puts together a series of competitive as well as non-competitive events for students to participate. It is instrumental in not only promoting the arts but also providing to create more and to exhibit their creative abilities.

**While the days are spent in student participation, the evenings are dedicated to a series of live performances, bringing some of the best artists from the country in the fields of Sufi, Rock and Pop music. Past festivals have seen the likes of Kailash Kher, Sunidhi Chauhan, Armaan Malik and bands such as Indian Ocean performing for a crowd of over 10,000 students, guaranteeing an evening full of memories and fun. Since its genesis, Nexus has quickly built a reputation for being one of the most well organized and sought after cultural festivals.**

**The Nexus 2019 festival witnessed soulful and electrifying performances from the Nooran sisters, The Local Train and Jubin Nautiyal.**

## The youth of today, the leaders of tomorrow

The Students' Union is the premier student body of the college. It gives a platform to the students to enhance their leadership qualities and political sensibilities. Its primary objective is to raise student issues and redress their grievances. All the students of the college automatically become the member of Students' Union. An election is held to elect the President, General Secretary and other office bearers of the union.

### The following are the aims and objective of the Union as per university constitution:

To promote mutual contact, a democratic outlook and a spirit of oneness among the students of the college.

To promote the social, cultural and intellectual development of the students.

To promote consciousness among the students of the College for the events taking place around them with a view to better equipping them as responsible and educated citizens and to build up a healthy students movement.

To promote among the students of the University of Delhi a sense of service to the people and duty towards the State.

## Youth Conclave'19

This vibrant, vivacious, inspiring event was organized by the SVC students union to showcase the power of youth. Several eminent personalities from different walks of life were invited.

- General Bikram Singh, Former Chief, Indian Army
- Ms. Laxmi Agarwal, Social Activist
- Prof. Randeep Guleria, Director, AIIMS
- Khuda Baksh, Indian Idol finalist, 2017
- Ms. Ira Singhal, IAS topper batch 2014
- RJ Naved, All India Radio

## Student Union office bearers 2018-2019

Mr. Randeep Singh, President

Mr. Mukeem Chauhan, Vice President

Mr. Asit Utkarsh, General Secretary

Mr. Jai Kishen, Joint Secretary

Mr. Khalid Bashir, Central Councilor

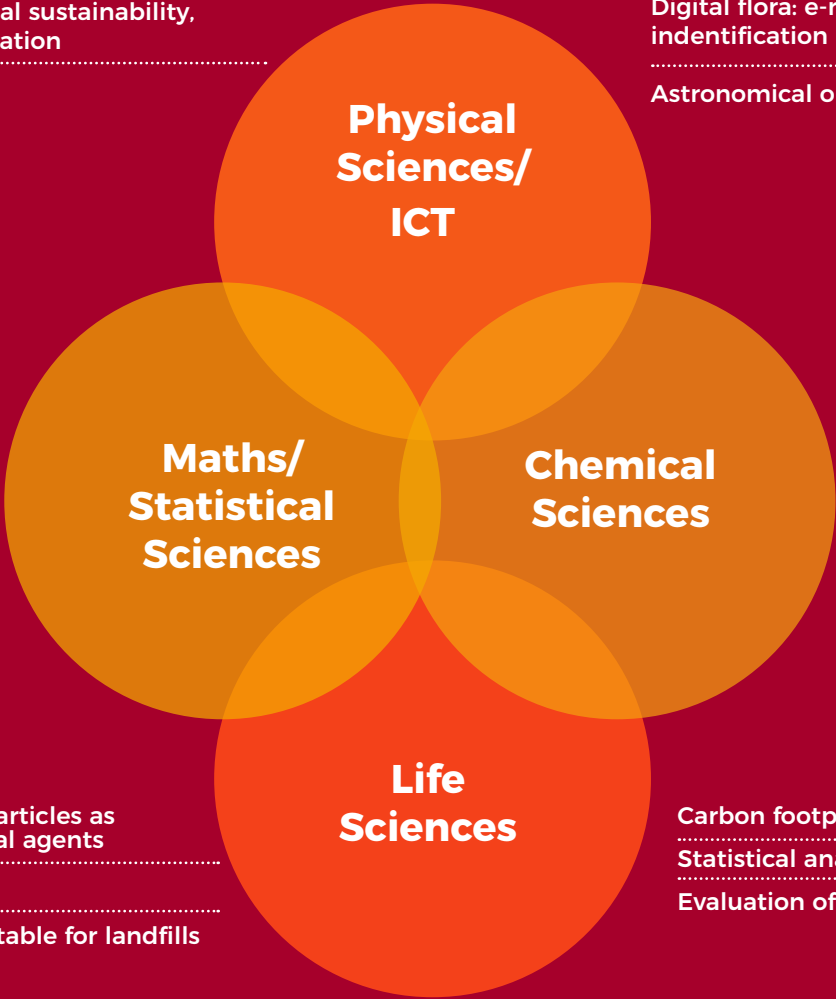

Mr. Piyush Baisoya, Central Councilor

# DBT Star Program

Sri Venkateswara college in 2009 received the prestigious Star College grant from the Department of Biotechnology, Govt. of India. The college was also later in 2015 upgraded to the Star Status Scheme. This program has been initiated by DBT to support and improve undergraduate science teaching in colleges and universities across the country.

Under this flagship scheme the college saw a tremendous growth in instrument procurement that helped improve the 'hands on' training to students of all six science courses that are offered in our college. The scheme also helped strengthen the academic infrastructure wherein students and staff were able to experience intellectual freedom and creativity. The program also enhanced the quality of the teaching and learning process and provided an avenue to stimulate original thinking and promote innovation.

## Some of the key activities that have been conducted under this program

- Value and open-ended experiments that helped inculcate analytical abilities and promote scientific temper in students.
- Educational and field research that took students beyond the classroom to observe and experience science in Nature and in industry.
- Conferences, symposia, lecture series and faculty development program that provided a platform for interaction with peers, academia and industry.
- Outreach programs that enabled us to popularize and excite school children and general masses towards science.
- MindSpar Ideathon competition showcasing critical thinking, innovation and creativity of undergraduate and high school students in Delhi-NCR region. Upcoming MindSpar version 2.0 competition is eagerly awaited.

# Research @SVC

The faculty of SVC along with regular teaching is also actively involved in cutting-edge research. We are working on several research projects in various disciplines, which are funded by government funding agencies like DBT, DST, and SERB. The college has collaborations with several international research groups from prestigious universities and institutes to address global challenges in science and public health as well as with Indian governmental agencies for cultural preservation.

Our faculty has made significant contributions in research and have been recognized for the same with several awards and fellowships. The emphasis on research is instrumental in inspiring young minds and in promoting innovative thinking.

Faculty actively Involved in Research	23
No. Of Ph.D Scholars	35
UG Students involved in innovative projects	280
Papers Published	450
Patents Filed / issued	1/2

# Climate Change Initiatives

We at SVC try to create awareness on climate sustainability amongst the students at undergraduate level (i.e. our student); school students (through Green School Initiative) as well as in general public (through public talks) through workshops, seminars and lectures. We believe that educational methods are more effective when we are able to identify the cause and effect of a problem that is related to our life.

**A climate change education project, TROP ICSU (<https://tropicsu.org>), has been initiated as a global project with generous support by International Council of Science and is co-ordinated by IISER, Pune.**

It aims to improve awareness of climate change and the science behind it among students by developing teaching aids for teachers at the high school and undergraduate levels. Our faculty members have developed several educational e-resources in such a way that they bring climate-change related examples and case studies to the core curriculum (<https://tropicsu.org/resources/lesson-plans/>).

We have undertaken several initiatives ranging from research projects and awareness programs in day-to-day practices towards environmental sustainability such as the use of solar panels, waste management, vermicomposting, special awareness drives such as save electricity and tree plantation, an Eco-Club supporting the cause. Our commitment towards building a better and healthy environment can be glimpsed in our practices. Apart from introducing a compulsory course in Environmental Studies we also promote digitization and paper free governance. We have used less than 50% of the total green cover in our built-up area.

# Student Internships

To cater to the growing demand of students eager to get hands on training and exposure to research, Sri Venkateswara Internship Program for Research in Academics (SRI-VIPRA) was launched in 2019. The objective of SRI-VIPRA is to organize summer internships to promote undergraduate research in college. Under the supervision of mentors, students learn to design and execute small projects in disciplines of their interest for the duration of 2-3 weeks. As a part of internship program, students submit a report of the project and present it before an expert committee. The program helps students to get hands on experience in research and gives them an opportunity to develop writing and communication skills.

# Social Responsibility and Awareness

Awareness about social responsibility, self-reflexivity and understanding the ethical implications of one's actions helps students to take initiatives that are productive and have a positive impact on the world around us. Here, at Sri Venkateswara College we encourage students to ask questions about the fundamental nature of things. We mentor them in their explorations, shape sensitive and humble individuals who are eager to take responsibility and strive to create a better future for all of us.

## NSS

NSS plays a prominent role in our ventures to give back our dues to the society. Various activities such as nukkad natak, cleanliness drives, awareness drives and many more events were carried out this academic year. Currently, volunteers of NSS-SVC are teaching 120 underprivileged kids in Sanjay Camp. Project Astitva is a woman-centric project with a focus on empowering women in Sanjay Camp.

Teach for India conducted a workshop on 9th October, 2018 (Wednesday) on "Pedagogy and lesson planning" and "Behaviour management".

The volunteers of NSS-SVC who are the part of EACH ONE TEACH ONE programme (an initiative by NSS-SVC) participated in the workshop. Book bank is a student lead initiative envisioned by the NSS. The aim is to create a student run library that will expand the resources through donations. It is a humble attempt to make books, reading material and notes available to all.

We at NSS hope that all voters use their right to vote righteously and judiciously so that we get a government that works its best for the development of the country. Students took a pledge under the guidance of Dr. R.P Singh, our respected acting Principal and Mr. Virendra Kumar (AO) and the Convener of NSS, Dr. Ram Kishore. The pledge was taken in both Hindi and English.

## THE ECO CLUB

The Eco club highlights environmental issues that are the major concerns of our present day lives. Sri Venkateswara College relentlessly works towards creating a sustainable future by bringing together the students, staff and administration. We focus on day-to-day practices for creating environmental sustainability by encouraging the use of solar panels, waste management, vermi composting as well as by conducting special awareness drives such as 'Save Electricity Campaign' and 'Tree Plantation Drive' on a regular basis. Our Eco Club strongly believes that it is their duty to spread environmental awareness, not just within the college but also to the world outside, especially to our future generations. We work towards this end through our much-coveted Green-School Initiative

## EQUAL OPPORTUNITY CELL

Equal Opportunity Cell @SVC aims at providing equal opportunities and platform to the differently abled students. We encourage our student's participation in various competitions both inside and outside university programs. We connect students to readers and writers, provide necessary facilities such as tactile path, study material in Braille and work towards easing access to knowledge.

EOC also organizes trips for the recreation for differently abled student as well as designs and conducts fun activities such as tug of war, camel riding, etc regularly.

## SHAKTI - THE WOMEN'S DEVELOPMENT CELL

Every year 'Shakti' brings together passionate committed feminists who accompany us on our journey of learning and unlearning in the much contested realm of gender. In the past few decades WDC has earned the reputation of being a liberal space with a voracious appetite for conversations that empower the existential core of our society. WDC finds its true power in initiating conversations on everything from the pressing social issues of domestic violence, oppressive intimate relationships, sexual harassment etc., to the psychological and spiritual issues of self discovery, uninformed compliance, the power structures of patriarchy. WDC comprises of around 100 active volunteers.

In the past year, WDC volunteered in the Sensitisation campaign organised by Karmasakshi Sewa Sansthan, an online safety summit which had 3 panel discussions on topics like fake news, women and gendered abuse and law enforcement. The main attraction of the event was the 'Ask Me Anything' session with Gurmehar Kaur. To celebrate the striking down of Section 377 and to show our support, WDC took an active part in the pride celebration to celebrate love and the outlook of LGBTQ community. Several group discussions were held on issues like Abortion rights, Marital Rapes, need for safe sex practices organized by the #AbSamjhautaNahin, Know your Rights session by Josh talks in association with Vivel, a legal awareness workshop, had speakers including Shabnam hashmi, Divya Dureja, etc.

# Sports at Sri Venkateswara College

Some people imagine the roar of a crowd at a packed football stadium when they think of college sports, but that is only one part of the story. College Sports is also about the untold saga, it is the space for building everlasting friendships, camaraderie and sportsmanship. To promote the same we offer a wide variety of engagements ranging from bowling, golf, wrestling, tennis, swimming to relay and frisbee. Our college offers opportunity to all students in sports and ensures students and teachers participation in sports organized by the Physical Education Department throughout the year. Differently abled students are particularly encouraged to participate in sports as it helps in providing space for interaction outside classroom, enabling better motor coordination and in boosting self-confidence.

**The college has excellent outdoor sports facilities for Cricket. College hosts the oldest cricket academy in Delhi; Sonnet. Many reputed teams like the Indian women team, Indian railway women team and renowned cricketers like Virender Sehwag, Ashish Nehra, Shikhar Dhawan, Yuvraj Singh, Ajay Jadeja and Harbajan Singh have practiced in our grounds. We have facilities for Lawn Tennis, Basketball, Football and indoor facilities for Table Tennis, Chess, Carom etc.**

In the year 2018-19 our students represented India at the international level and secured first positions in many fields. Some notable mentions are:

Soumya Gupta, B.A. (H) Political Science	International Trap Shooter
Lakshjeet Singh Sandhu, B.A. Program	International Trap Shooter
Vaibhav Kandpal, B.A. (H) Political Science	International Cricket player
Sarthak Chhibber, B.A. Program	International Golf player
Shagun Narain, B.A. (H) English	International Golf player
Ayush Badoni, B.A. Program	International Cricket player
Mandeep, B.A.(H) Hindi	International Para Athlete

**Sri Venkateswara

**Tania Sachdev**  
(Chess, 2009)

**Manavjit Singh**  
(Shooting, 1998)

# Placement Cell

Our Placement Cell assists students in pursuing their career in the areas of their interest and facilitates their entry into the industry. Understanding the importance of using the right knowledge, skill sets and aptitude for the right assignment, the Placement Cell lays particular emphasis on giving corporate and students the choice of mutual selection. It is responsible for identifying the right student- organization fit; it invites organizations to the campus for placements.

# Discipline

SVC has reputation for being one of the best disciplined College in Delhi University. While our students enjoy a vibrant community life, they are also aware of the importance of discipline and good conduct College has robust surveillance system. The entire campus is under CCTV coverage.

Some ways in which discipline may be reached:

- Irregularity in attendance, persistent idleness or negligence or indifference towards the work assigned.
- Causing disturbance to a class or the office or the Library or sports (indoor or outdoor).
- Misconduct or misbehaviour of any kind at the time of election to the students body .
- Misconduct or misbehaviour of any kind, towards a teacher or an employee of the college/University or another institution or any member of Statutory body or the University or any visitor to the College, University or another institution.
- Causing damage to furniture or any other property of the college or any institution of the University.
- Lewd, disrespectful behaviour towards women.
- Misconduct, both inside and outside the college campus, is considered unbecoming of a student of this college.
- Making noise in the corridors and the library which are designated silence zone.
- Littering.
- Smoking alcohol consumption, drug abuse.
- Inciting others to do any of the acts aforesaid.
- Use of Mobile phones inside the class rooms.
- Ragging in any form.

Smoke free Zone-Delhi University is partnering with Delhi Police and the World Foundation-South Asia in Promoting a tobacco free environment. As a step in this direction, Smoking is Banned in our College.

The Principal of the College has the ultimate authority to take action on any breach of discipline.

# Admissions

## 2019-2020

# Academic Calender

SEMESTER I/III/V	
Classes Begin	20th July, 2019 (Saturday)
Mid-Semester Break	07th October, 2019 (Monday) to 13th October, 2019 (Sunday) Note: Dusshera on 8.10.019 (Tuesday)
Classes begin after Mid-Semester Break	14th October, 2019 (Monday)
Dispersal of classes, preparation leave and Practical Examination begin	16th November, 2019 (Saturday)
Theory Examination begin	30th November, 2019 (Saturday)
Winter Break	17th December, 2019 (Tuesday) to 31st December, 2019 (Tuesday)

SEMESTER II/IV/VI	
Classes Begin	1st January, 2020 (Wednesday)
Mid-Semester Break	09th March, 2020 (Monday) to 15th March, 2020 (Sunday) Note: Holi on 10.03.2020 (Tuesday)
Classes begin after Mid-Semester Break	16th March, 2020 (Monday)
Dispersal of classes, preparation leave and Practical Examination begin	28th April, 2020 (Tuesday)
Theory Examination begin	11th May, 2020 (Monday)
Summer Vacations	26th May, 2020 (Tuesday) to 19th July, 2020 (Sunday)

# Admission guidelines

**Sri Venkateswara College is a constituent college of the University of Delhi.**

- Admission to Sri Venkateswara College is as per guidelines laid by the University of Delhi.
- Please check DU Bulletin of Information for Admission to Undergraduate Courses (2019-20) at [http://www.du.ac.in/adm2019/pdf/17062019-UG\\_BULLETIN\\_JUNE17Revised.pdf](http://www.du.ac.in/adm2019/pdf/17062019-UG_BULLETIN_JUNE17Revised.pdf)
- Applicants seeking admission to Undergraduate Courses for session 2019-2020 are required to fill the Online Admission Form on the University of Delhi Undergraduate (UG) Admission Portal (<https://ug.du.ac.in/>)
- Applicants who wish to be considered for admission to various Undergraduate Courses based on merit are required to register online for all categories, including unreserved (UR) / SC / ST / OBC/EWS.
- Applicants seeking admission under supernumerary categories, namely Reservation of seats for Persons with Disabilities (PwD), Kashmiri Migrant (KM), Reservation for Armed Forces (CW) and Ward Quota shall also apply online on the UG admission portal.
- Extra-curricular and Sports Quota (Supernumerary Seats): It is mandatory for Colleges to provide sports facilities and encourage all students to participate in sports and extracurricular activities by introducing inter-class competitions and mass sports. Applicants seeking admissions under ECA/Sports have to register online at UG Admission Portal. The guidelines for admissions under ECA/Sports is available at [http://www.du.ac.in/adm2019/pdf/17062019-UG\\_BULLETIN\\_JUNE17Revised.pdf](http://www.du.ac.in/adm2019/pdf/17062019-UG_BULLETIN_JUNE17Revised.pdf). Details about the list of ECA and Sports for admission intake will be uploaded at [www.svc.ac.in](http://www.svc.ac.in). The admission of ECA applicants shall be administered through centralized trials by the University of Delhi.
- Applicants seeking admission under Foreign Students' category have to apply separately on Foreign Students' Registry website <http://fsr.du.ac.in/>

## GENERAL INFORMATION

- 01.** Admissions to undergraduate courses require physical presence of students and only eligible students will be given admissions on the basis of announced cut-offs.
- 02.** The announcement of cut-off lists for all Programmes/ Categories of Applicants (UR/OBC/SC/ST/PwD/KM) will be made through the college notice board /University and College website in accordance with the DU schedule.
- 03.** There will be separate cut-offs for General, SC, ST, OBC , EWS , PwD and other Category students.
- 04.** Rounding-off of fractions to determine eligibility is not permissible.
- 05.** Gap year(s) will not be a bar for purposes of admission to the undergraduate courses.
- 06.** As per Ordinance-I of the University, there is no minimum age bar for admission to the undergraduate and postgraduate courses in the University and its colleges except in the courses where the respective regulatory bodies, such as Medical Council of India (MCI), All India Council of Technical Education (AICTE), Bar Council of India (BCI), National Council for Teacher Education (NCTE), Dental Council of India (DCI), etc. have prescribed the minimum age requirement in their regulations.
- 07.** Verification of original certificates at the time of admission is essential.
- 08.** Verification of certificates will be carried out and the college retains its right to seek verification of information submitted from competent authorities. Concealment or misrepresentation of any material information is liable to lead to cancellation of admission, in addition to appropriate legal action.
- 09.** All certificates are subject to verification by a competent authority. As per the University of Delhi rules, the college will accept self-attested copies of documents/papers provided by the applicant. However, if any false attestation/ falsified records are detected, the student will be debarred from attending any course at the University of Delhi and its colleges for the next five years. In addition, a criminal case under relevant section(s) of IPC (viz. 470, 471, 474, etc.) will be initiated.
- 10.** The eligibility and admission criteria for each undergraduate course will be strictly as per the guidelines given by University of Delhi. [http://www.du.ac.in/adm2019/pdf/17062019-UG\\_BULLETIN\\_JUNE17Revised.pdf](http://www.du.ac.in/adm2019/pdf/17062019-UG_BULLETIN_JUNE17Revised.pdf)
- 11.** As per University of Delhi Ordinance VII (2), a minimum of 66% attendance in each semester is compulsory in order to appear for the semester examination.
