Founded under propitious aegis of Tirumala Tirupati Devasthanams, Sri Venkateswara College has successfully completed 55 years of its existence. With 2018, Sri Venkateswara College embarks on yet another year of mentoring students to be global citizens, with a mindful of contemporary cognitive capabilities, and a heart with indigenous values with the expectation that such holistic development helps students to face the challenges of a modern society with a competent approach. The college gives its students a platform to optimize their potential in academics, research, dramatics, dance and music with state-of-the-art facilities and programs. National and international exchange programs facilitate students to hone their talents and also bring us laurels at an international level. Emphasis is laid on imparting to students not just academic brilliance, but also ideals of diversity, equality and social justice. A green, vibrant and pulsating campus with various cultural and social events has been an age tradition of Sri Venkateswara College that exposes students to different cultural ethics. We at Sri Venkateswara College, not only believe in inclusion, but also ardently practice it by giving special attention to differently abled students and thus, the college is deeply committed to a sustained effort in establishing benchmarks in every aspect of a remarkable educational journey.

### About the College

The Tirumala Tirupati Devasthanams (TTD) engaged in the management of the sacred hill temple of Lord Sri Venkateswara at Tirupati (Andhra Pradesh) believes that the temple as a place of worship must bring about national integration and, schools and colleges should light up the path of devotion through education and enlightenment. Inspired by its zeal to spread the spiritual values and Indian culture, a devout scholar and an active social worker Dr. Durgabai Deshmukh engaged some of the finest thinkers of modern India like Dr. Sarvapalli Radhakrishnan, Dr. C. Anna Rao and Dr. K.L. Rao to establish Sri Venkateswara College at New Delhi under its aegis in 1961.

Located today in Dhaula Kuan and acknowledged as the South Campus's numero uno college offering a wide- ranging bouquet of up to date study programmes and boasting an enrolment strength rivaling many a small university, it has expanded over the half century adapting dynamically and continually to felt needs the emerging educational demands of the times. The College imparts high students through innovative pedagogy and modern training quality education to facilities, provides holistic personality development through strong academics active participation in co-curricular programmes that include fine arts, sports and leadership training. The objective is to develop a sense of ethics and responsibility in students and to broaden their perspectives so that they are able to succeed in today's global, competitive and dynamic environment. The four guiding principles of the doctrine of Indian culture, namely, dedication and duty, material well-being for the benefit of society, pleasure of meaningful living and salvation through self-knowledge were meant and remain still the chosen ideals vivifying its branches of arts, humanities and sciences in the college. Unsurprisingly then, it is perceived as a feather in the cap of today's student community to be able to say that they are a "Venkyite" - a popular mantle many aspire to, but only a fraction of the aspirants will ultimately be able to actually claim.

Sri Venkateswara College today has 180 teaching and 250 non-teaching staff members and around 3500 students on its roll. It also offers 10 post-graduate courses for study and provides one year post-graduate diploma course in Molecular and Biochemical technique and a certificate course in German Language.
