on

BASICS OF QUALITY RESEARCH

ABOUT SRI VENKATESWARA COLLEGE

Established in 1961, Sri Venkateswara College is a constituent college of the University of Delhi. It has been accredited 'A' grade by NAAC (2016) and has a NIRF ranking of 11 (2021). It is managed by Tirumala Tirupati Devasthanam & UGC and awards degrees in more than twenty disciplines at undergraduate level.

A key part of the college, the Department of Commerce, is well renowned for its academic rigour, vibrant societies and a cosmopolitan culture. The faculty is dedicated towards holistic development of the students and ensure a competitive environment in the college. The department offers excellent placement opportunities and is proud of it's alumni community.

ABOUT HANSRAJ COLLEGE

Hansraj College is one of the largest constituent colleges of the University of Delhi and has been ranked as one of the top five colleges for science, arts and commerce several times in the last decade. The faculty and students of the college have contributed immensely to the fields of academics, sports and culture. The college faculty is dedicated towards the growth and development of the institution academically and administratively and constantly thrive for excellence. Hansarians have been placed in diverse professions and services worldwide and are bringing fame and laurels to the institution.

ABOUT PMMMNMTT

The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching emphasises the need to change the role and working of a teacher from being a mere disseminator of information and knowledge to the one who advances the frontiers of existing knowledge by actively developing and creating new insights into diverse social and physical phenomena.

ABOUT THE PROGRAMME

“Research is to see what everybody else has seen, and to think what nobody else has thought.”

~Albert Szent Gyorgyi

The programme aims to familiarize the participants to the nuances of research. It will focus on the basics of research, use of software for social sciences, predictive analysis of data by employing various tests. The programme will also sensitize the participants to the contemporary statistical analysis techniques of Sentiment Analysis and Meta-Analysis.

This programme is specially designed to give an insight into basics of research, research methods- problem and design, measurement theory, literature review, sampling theory and methods, hypothesis testing and interpretation, meta-analysis and sentiment analysis. It will focus on practical sessions on SPSS, use of Indian Databases etc. It aims to bridge the gap between theory and practice of research. The programme has following highlights:

- **Research Gap Identification and Problem Formulation**
- **Practical Sessions on SPSS/PASW**
- **Meta Analysis**
- **Sentiment Analysis**
- **R Software**
- **Indian Databases**

OBJECTIVES OF THE PROGRAMME

To acquaint the participants with formulating research problem and design

•

To enable the participants to conduct quality research using Meta Analysis and Sentiment Analysis

•

To give hands-on experience to participants on basics of SPSS/PASW

•

To enhance the knowledge and understanding of stakeholders on various Indian databases
