REPORT

The Bling 3.0 Distribution Drive was conducted on 24th October 2024 as an extension of the Bling 3.0 fundraising event. Organized as part of Day 2 of Bling, the drive aimed to ensure the immediate distribution of funds and resources raised during the event, directly benefiting the intended recipients under CDF SVC's social welfare initiatives. The initiative focused on efficiently allocating contributions to support the beneficiaries of Project Alankriti, Project Roshni, and Project Prerna, reinforcing the organization's commitment to social development.

The distribution process was carefully planned to maximize impact. Educational materials, including notebooks, pencils, and erasers, were provided to beneficiaries of Project Prerna, with these resources sponsored by Gurudiksham to support students' academic needs. Additionally, energy drinks, sponsored by Headshot, were distributed among beneficiaries of Project Alankriti and Project Roshni, addressing their nutritional requirements.

The initiative effectively facilitated the equitable distribution of resources, ensuring that all contributions were utilized for the intended purpose. Through meticulous execution and the support of sponsors and volunteers, the drive successfully reached the target communities. By immediately implementing the outcomes of its fundraising efforts, CDF SVC continues to advance its mission of creating meaningful and sustainable social impact.
