The Green School Initiative is a flag ship program of Eco Club, Sri Venkateswara College. As apart of the MoU between AIIMS, New Delhi an outreach program is conducted for school children in Delhi-NCR. A team of faculty members and students from Sri Venkateswara College, along with Dr. Randeep Guleria visited Delhi Public School, RK Puram on 29th November 2022. The visit was under the guidance of Prof. Vartika Mathur and Dr. Pooja Gokhale Sinha. It was held with an objective of connecting the youth with the environment.

The event started with felicitation of Dr. Guleria and Prof. Mathur, followed by Prof. Mathur introducing students to Green School Initiative. She discussed importance of outreach activities and the need to connect schools with Higher Education Institutions. After that Dr. Guleria, Former Director, AIIMS through an interesting presentation, made students aware of the causes of air pollution and the ways in which we can mitigate it. He also talked about health issues related with air pollution. The presentation was followed by an interactive question answer session

Following this, a quiz was held to test students' knowledge on various environment related issues. The young minds participated in the quiz with full enthusiasm. Winners were provided with goodies and certificates. The Green School initiative is looking forward to many more interesting events in the future.
