EVENT REPORT

Event Report: AIIMS-Affiliated Event on Air Pollution Awareness

Date: 21st December, 2023

Venue: NDM School, Sarojini Nagar

Organizers: The Eco Club, Sri Venkateswara College

Objective:

The event aimed to raise awareness about air pollution among students and empower them with knowledge on its detrimental effects and preventive measures.

Key Activities:

1. Speech by Dr. Pawan Kumar (AIIMS Affiliated):

Dr. Pawan Kumar, associated with AIMS, delivered an informative speech on the topic of air pollution. His presentation covered various aspects including the sources of air pollution, its impact on health and the environment, and measures to mitigate it.

2. Quiz Competition:

A quiz was conducted covering topics related to air pollution, environmental science, associated diseases, and health effects. This interactive session allowed students to test their knowledge and gain insights into the complexities of air pollution.

3. Poster Making:

Students engaged in a creative session of poster making, where they visually depicted the issues surrounding air pollution and potential solutions. This hands-on activity fostered creativity and reinforced learning on the subject.

Participants:

Students from classes 6 to 8 enthusiastically participated in the event, demonstrating a keen interest in learning about air pollution and its implications.

Outcomes:

The event yielded several positive outcomes:

1. Increased Awareness:

Students gained a better understanding of air pollution, its causes, and consequences. They were sensitized to the importance of addressing this pressing environmental issue.

2. Empowerment:

Through the dissemination of knowledge, students were empowered to take proactive measures to protect themselves and their surroundings from air pollution. They learned practical steps they can take to minimize exposure and contribute to cleaner air.

3. Creative Expression:

The poster making activity provided students with a platform to express their ideas and concerns about air

pollution creatively. This encouraged critical thinking and problem-solving skills.

Conclusion:

The event served as a valuable educational initiative, fostering awareness and empowerment among students regarding the issue of air pollution. By engaging in informative sessions and interactive activities, participants gained valuable insights and skills to address this global challenge effectively.

Acknowledgments:

We extend our gratitude to AIMS for their collaboration and support in organizing this event, as well as to Dr. Pawan Kumar for his insightful presentation. Special thanks to all the students and faculty members whose active participation made the event a success.

Future Implications:

Moving forward, it is imperative to continue such educational initiatives to promote environmental awareness and empower future generations to become stewards of a healthier planet.

CERTIFICATE

UNIVERSITY OF DELHI

Eco Club Certificate of Award

This is to certify that Mr./Ms. _____ of
class _____ and _____ school has been secured
_____ position in _____ competition organised by the Eco
Club of Sri Venkateswara College for the session 2023-24.
