INAUGURAL CEREMONY

Exordium the Civil Services Cell of Sri Venkateswara College was founded as a Club in March 2020 and approved by college on 6th December 2020 with a purpose to fulfil the need of a society in our University that can guide, motivate and furnish the needs of the aspirants, provide them with resources and work towards their personality development. To celebrate this joyous occasion the cell organized its Inauguration on 12th January, 2021.

The ceremony witnessed a gathering of 291 aspirants on Zoom platform and a live broadcast of the ceremony took place on YouTube simultaneously which saw a constant number of more than 100 viewers, totalling 738 views.

The Inauguration opened with the cell President, Shivam Ganeshia introducing Exordium to the students. He followed the history of the cell from its foundation to its present day stand. He mentioned the true motivation behind the cell and also shared the experiences of the volunteers with a heart touching video. This graceful moment was followed by the cell convener, Dr. Vartika Mathur who delivered kind words for the students of the cell and their dedication.

Our diligent volunteer, Rajdeep Pandey then introduced and welcomed our Guest of Honour for the evening, Dr. Sanjeev Chopra, Director of LBSNAA.

Dr. Sanjeev Chopra is an IAS officer of the 1985 batch. Originally from Kapurthala, Punjab, he has served in multiple capacities with the central and state governments in India. He is also a primary patron and honorary consultant to a premier literary festival, the Valley of Words International Literary Festival. He is currently the Director of the Lal Bahadur Shastri National Academy of Administration. Immediately prior to this, he was the Additional Chief Secretary to the Government of West Bengal, in charge of Industry, Commerce and Enterprises Department and Director General of ATI, Kolkata.

Dr. Chopra addressed the gathering with the wisdom of his words, thanking everyone for their efforts, congratulating Exordium on the works the cell has been brewing. He talked about the UPSC exam pattern, on the importance of writing and how critical thinking is one aspect which always clears the exam.

He introduced a panel of phenomenal IAS Officer Trainees from The Society of Social Services, who shared their experiences and preparation strategies with the aspirants.

- Ms. Pari Bishnoi, completed her graduation from DU (Indraprastha College) and was ranked 30 in CSE-2019. She advised the aspirants to make full-fledged use of internet for the preparation.
- Mr. Ashish Agrawal is a mechanical engineer (IIT-Kanpur) and worked as a design engineer in Japan. He talked about why self-study is more important than coaching.
- Mr. Dheeraj Singh is a MBBS doctor from BHU. He emphasized on the need of consistency during the preparation and proper analysis of syllabus.
- Mr. Navneet Sehara has completed his B. Tech from IIT-Bombay. He highlighted the need of constant revision after completing a portion of the syllabus.
- Mr. Yuvraj Seddharth has completed his B. Tech from Indraprastha University. He stressed upon the dynamic nature of the CSE Examinations and how it is important to be dynamic ourselves to cope up.

The team of officer trainees also talked about a website, csewiki.org that they have designed and has ample information to help aspirants of various dimensions.

Dr. Chopra showed his sincerity towards eradication of misconceptions prevalent about Civil Services and offered his and his team's full support to Exordium in order to make a pool of resources for the benefit of the student aspirants. Exordium is working tirelessly on the collaboration in mutual understanding with Dr. Dheeraj Singh, Nodal Officer of Society of Social Services.

The Inauguration culminated in a vote of thanks by Ananya Gupta and while guests were allowed to leave after that, students were kept back for the first ever orientation session of the Cell.

ORIENTATION SESSION

To familiarise the freshers with the cell's functioning, Exordium organised an online Orientation session after the Inauguration, which had a participation of around 250+ students overall. The aim of Orientation was to introduce students to the working and teams of the Cell and to clear their doubts.

This session was hosted by Retika Kanaujia and Shrestha Khandelwal. They gave a comprehensive account of the cell, elucidated the different teams and explained the procedure on how to apply for membership and volunteership of cell.

It was followed up by a Q/A session which was hosted by Shivam Ganeshia, Mahek Agarwal, and Yogesh Chaddha in which students cleared all their queries regarding the smallest of issues.

Exordium would like to extend its sincere regards to Dr. Rajendra Phartyal who provided his assistance throughout the event and without whom this inauguration ceremony wouldn't have been possible.

The inauguration ceremony as well as the orientation proved to be massive success coupled with a great turnout of students, a motivating and captivating speech by the Guest of Honour and the guidance and support given by the panel of officers for further association. Team Exordium worked very diligently to make this event a success before vis-a-vis during both the sessions.
