Criterion III	Research, Innovations & Extension	Criterion VII	Institutional Values & Best Practices
Criterion IV	Learning Resources and Infrastructure		

## **Proofs**

### **Activity Report**

Exordium efficaciously conducted third volume of Inspirigence, an Instagram live series with extrusive bureaucrats within a proximate schedule with a theme of 'Spectrum of opportunities within the civil services'. The series of session took place from 14<sup>th</sup>- 15<sup>th</sup> November, 2021 & 9<sup>th</sup> January, 2022.

Instagram being an easily accessible platform hosted a large number of aspirants coalesced together for our sessions. The sessions witnessed a constant 300+ viewers throughout. Current viewership of all the sessions is 3000 plus.

With a clear vision to explore the multifariousness of civil services, our first session with IRS Sabiha Rizvi ma'am guided about the different arenas of revenue services. After we took heed of her experience session, it was sublime to note that behind the anorak of roles and responsibilities of an officer, there exist a normal human being finding happiness in little things. Escalating the laurels of first session, our second session with IFS Himanshu N Singh outstretched our understanding of Indian Foreign Services. He articulated that IFS officer is a emblematic of diplomacy representing our country with a firm voice of the entire nation. Drawing curtains to the live Insta series, our third guest speaker IRS Urvi Verma, shared her journey of becoming IRS officer and joining the revenue services. Session of IRS Urvi Verma was postponed to 9<sup>th</sup> January, 2022 due some urgent work.

With a yearn to explore the beauty of bureaucracy we are now counting days until we have our fourth volume of Inspirigence.
