1. Event report Attested by Event Coordinator & IQAC Coordinator

The Women's Development Cell of Sri Venkateswara College organised a Gender Sensitisation Workshop for the Economics, Zoology and Botany courses on 13 September 2022. The workshop, led by WDC convener, Dr Rina Ramdev, addressed faculty and students about casual sexism, gender training, and sexual harassment.

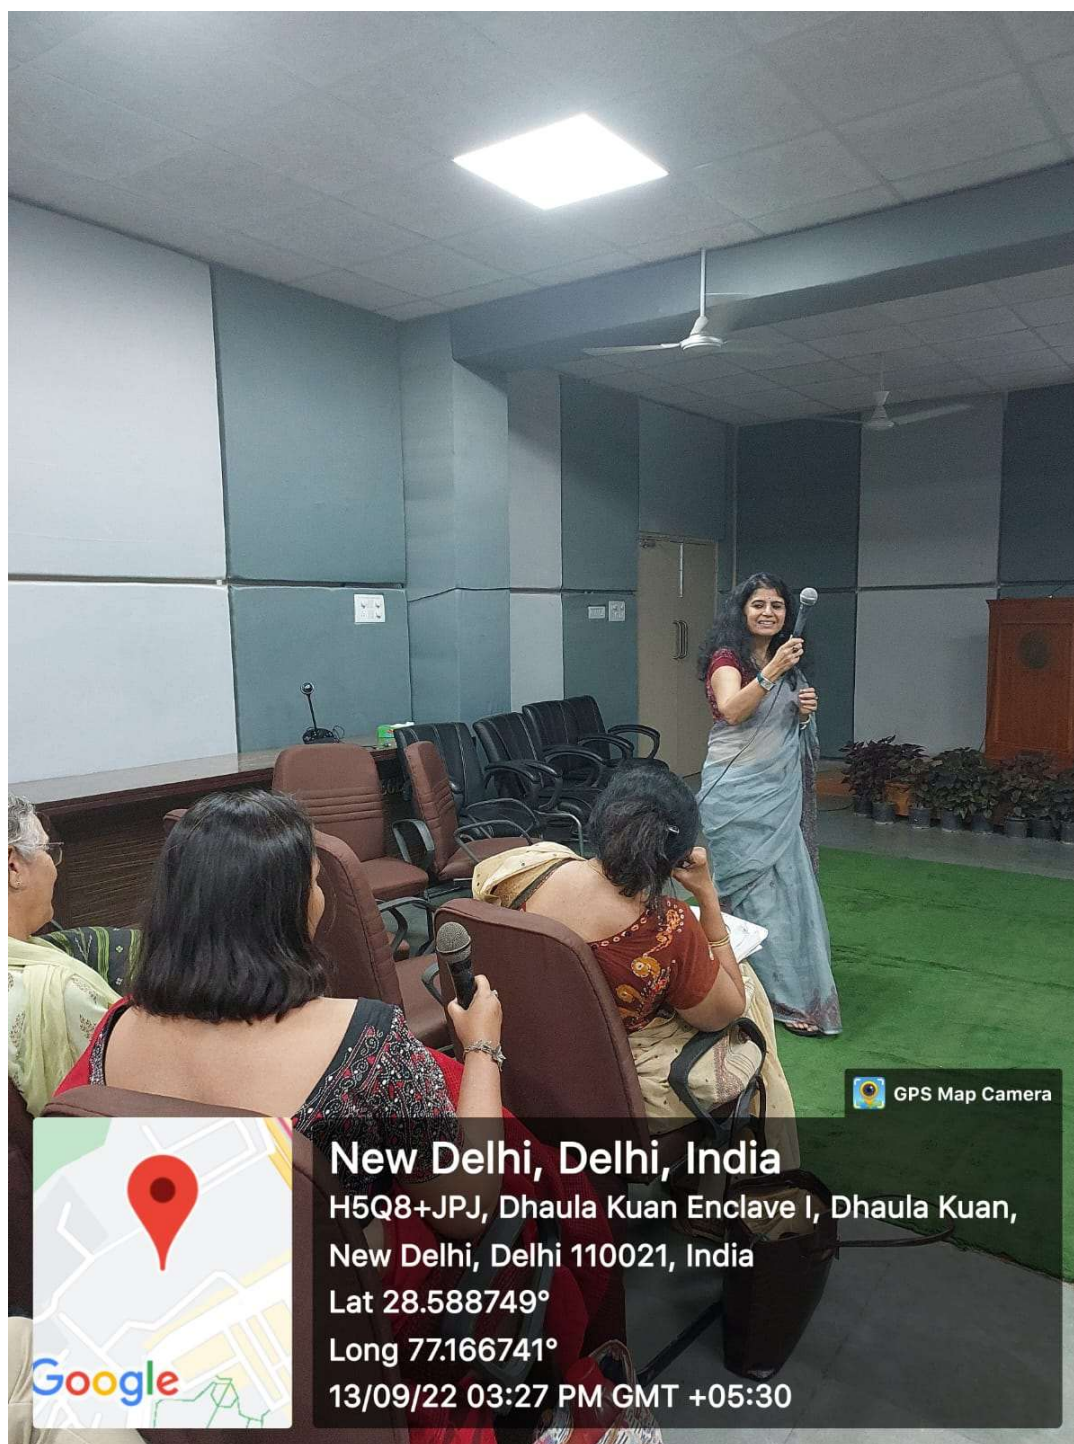

Dr Rina Ramdev explaining how sexism is normalised in meme culture

The workshop was followed by an informative discussion, which provided a forum for students and professors to discuss gender discrimination issues. It sparked a discussion about the policing of women's clothing choices; while some concerns were raised, it was stressed that the stigma lies not with the wearer but with the gaze of the observer.

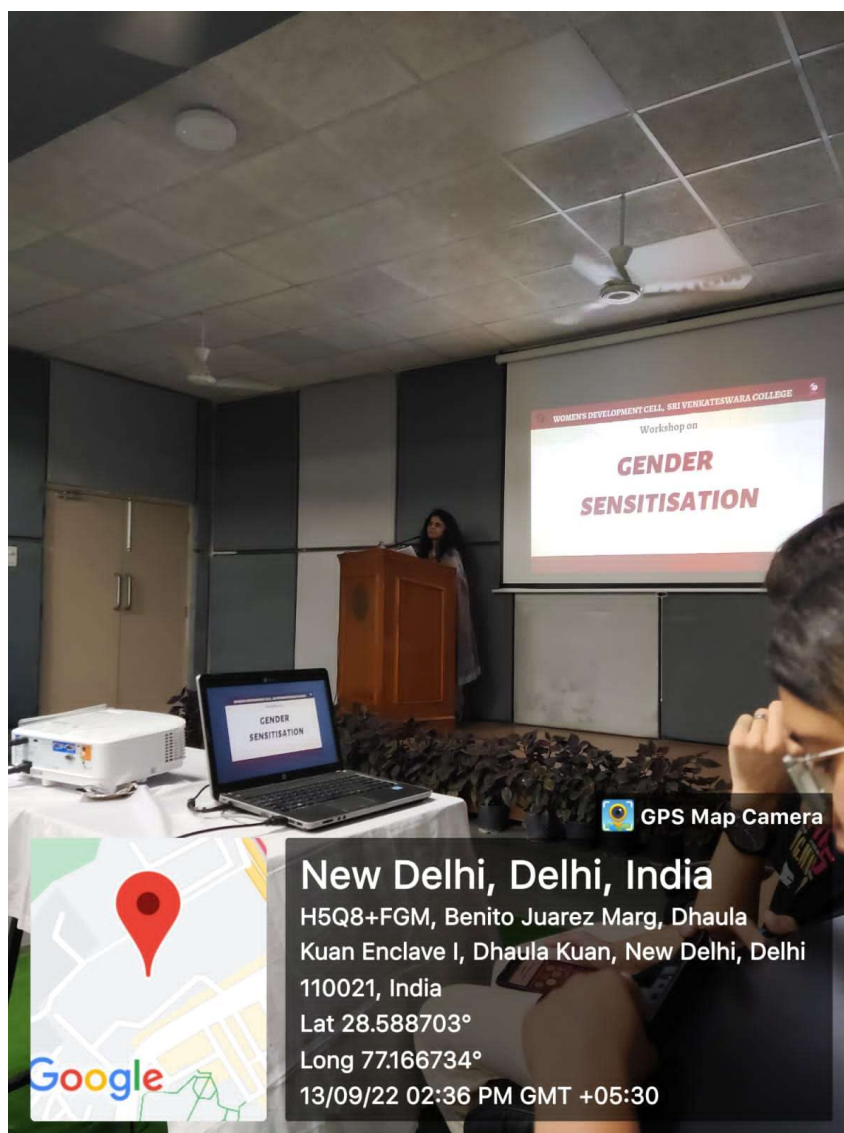

Students and Faculty members attending the seminar

Students voiced their opinions on gender sensitization issues such as the "importance of respecting pronouns and preventing harassment of non-binary people on campus" and "how several Bollywood movies are also riddled with sexist dialogues against men."

Dr Rina Ramdev interacting with the audience

The workshop observed both parties accepting each other's views and understanding the various issues experienced.
