REPORT

Empathise — the mental health society of SVC , organised a board activity titled “Mood Playlist” on 11th August 2026 in the foyer from 11 a.m. to 2:00 p.m.

In this board activity, students had to write what songs they listened to when sad. Using post it notes, students wrote down their favourite songs. Further, we also had a table activity titled “ Write and Release” where we asked the students to write anything that they felt was holding them back. It was a successful activity with many students participating. We also organised a small game where everyone who won received a bookmark as a prize.

Several students, along with a few faculty members, participated in this board activity, making it a remarkable success.

We thank Principal Sir for allowing us to put up our board in the foyer. We also extend our thanks to the Caretaker for providing us with the board and the table required for conducting this activity.
