The BAP Department organized a vibrant **Freshers' Welcome Ceremony** to warmly receive the newly admitted students and help them feel a part of the department family. The event was coordinated by **Dr. Deepti Jain**, whose guidance and efforts ensured that the program was well-organized and enjoyable for everyone present.

The celebration began with a warm welcome address, introducing the freshers to the department's culture, faculty members, and senior students. The event created an atmosphere of enthusiasm and interaction, allowing the newcomers to become comfortable in their new academic environment. A variety of cultural activities were organized during the program. Freshers participated in different

performances such as singing, dancing, and other creative presentations that showcased their talents and confidence. These

These performances made the event lively and entertaining for the audience.

One of the highlights of the program was the **Mr. Fresher and Miss Fresher competition**, where selected participants went through different rounds to display their personality, confidence, and talent. After a fun and engaging competition, the titles of **Mr. Fresher and Miss Fresher** were awarded to the most outstanding participants.

Another exciting segment of the event was the **“Most Talented Fresher”** category, where students demonstrated their unique abilities. In this category, **I was honored with the title of “Most Talented Fresher.”** It was a proud and memorable moment that made the event even more special for me.

The Freshers’ Welcome concluded with appreciation for all participants and

organizers. The event successfully created a friendly bond between seniors and juniors and marked the beginning of a memorable academic journey for the new students of the BAP Department.
