BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/ SUBJECT OF THE ACTIVITY	National Science day on ” Chemi- Wizards-2025” Quiz & Puzzle Competitions
OBJECTIVES	The Objectives of the National Science day were as follows: <ul style="list-style-type: none"> ➤ To foster interest in science and technology among students and science enthusiast. ➤ To enhance critical thinking and analytical skills through interactive competitions. ➤ To create an engaging platform for participants to showcase their knowledge and creativity. ➤ To recognize and reward excellence in scientific thinking and problem solving.
METHODOLOGY	The event was organized with a structured approach to ensure a maximum participation and engagement: Inviting

	<p>Participants and creating awareness about the event. Designing & dividing batch wise participants for Quiz and Puzzle questions across different scientific domains. Establishing judging criteria and ensuring fair competition. The science quiz Competition tested participants knowledge in various scientific fields, including physics, chemistry, biology and technological advancements. The puzzle competition challenged participants with logic-based puzzles to encourage critical thinking. The Prize Distribution Ceremony celebrated the winners of both competitions, awarding them certificates and cash prizes.</p>
<p>INVITED GUEST / SPEAKERS WITH AFFLIATION DETAILS (IF ANY)</p>	<p>NIL</p>
<p>OUTCOMES</p>	<p>The Celebration yielded several positive outcomes. Batch wise Participants actively engaged with scientific concepts, fostering a deeper interest in science. The Quiz & Puzzle competition encouraged participants to think innovatively and sharpen their problem solving skills. The top two winners were awarded Prizes, motivating students to continue their scientific pursuits.</p>

REPORT

The Department of Chemistry of Sri Venkateswara College organized an enriching “National Science Day Celebration” on “Chemi-Wizards-2025”.

The National Science Day Celebration was an engaging and intellectually stimulating event that aimed to promote scientific curiosity and problem solving skills among participants in batch wise. The program featured a science quiz competition, where students and science enthusiasts demonstrated their knowledge in various fields such as Physics, Chemistry, Biology and Technology. Additionally, a Puzzle Competition encouraged analytical thinking through challenging riddles and logic- based exercises. The event culminated in a Prize Distribution Ceremony, recognizing the top two batch winners in each competition for their outstanding performance and along with GPS Photos & Videos. The primary objectives of the program were to enhance interest in science, foster critical thinking and acknowledge excellence in scientific inquiry. The well structured methodology ensured inclusive participation and fair competition. As a result, the event successfully increased scientific engagement, improved problem solving skills and strengthened community involvement in science education. The celebration was a memorable and enriching experience, inspiring individuals to further explore the wonders of science,

Subject: Grant of fund for celebration of Science Day

Respected Sir,

As you are aware that the Science Day Celebrations have been scheduled for the 28th of February, 2025.

In this regard, the Department of Botany is co-ordinating the celebrations this year, and an amount of Rs. 5000/- per Department shall be given.

The Departments may use the amount according to the need of the events and guidelines of the accounts section.

I request you to kindly allot Rs = 30,000/- (5000 x 6 for Botany, Biochemistry, Electronics, Physics, Chemistry & Zoology Departments), for the above mentioned purpose.

With regards

(P. K. Das)
