Report

CDF Board Activity

On 12th August 2025, the Connecting Dreams Foundation (CDF), Sri Venkateswara College, Delhi University, organized an interactive board activity in the Audi Lobby from 11:45 AM to 12:45 PM. The primary aim of the activity was to provide freshers with a lively and memorable introduction to the society, its functioning, and the social causes it champions.

The event was structured around a series of engaging and entertaining segments that encouraged both participation and interaction. One of the highlights was the “Dice and Dare” challenge, where participants rolled a dice and performed the dare corresponding to the number they landed on. This added an element of excitement and spontaneity, making the experience lighthearted and fun. Alongside this, the plate-holding and skipping rope challenges created an atmosphere of friendly competition. Participants pushed themselves to set records for the longest time holding the plate or achieving the highest number of skips, with their names proudly added to the leaderboard. These activities not only tested endurance and enthusiasm but also helped build camaraderie among the students.

To balance the energy with warmth, a compliment exchange segment was introduced where participants could either give or receive compliments. This simple yet meaningful activity sparked positivity, encouraged kindness, and created a welcoming environment for the freshers. Adding to the variety was the match-the-cards segment, where participants were tasked with matching shuffled cards that carried the different core values of CDF. This interactive exercise was an innovative way of familiarizing students with the society’s vision, values, and guiding principles while keeping the process enjoyable.

Throughout the activity, CDF's changemakers remained actively engaged with the freshers, offering insights into the functioning of the society, the range of projects undertaken, and the impact created through its initiatives. By blending fun with purpose, the board activity succeeded in capturing the interest of the participants while also instilling in them a deeper awareness of the mission and values of CDF. The event proved to be a lively introduction for the freshers, ensuring that their first interaction with the society was both memorable and meaningful.
