## REPORT

The Bling’25 Distribution Drive was conducted on 16th October 2025 as a continuation of the fundraising efforts under Bling’25. Held as a key initiative under CDF SVC’s social outreach activities, the drive emphasized the immediate and meaningful allocation of the funds and resources raised, ensuring that support reached the beneficiaries without delay. The effort reaffirmed the organization’s commitment to community welfare and sustainable impact through its ongoing social projects—Project Alankriti, Project Roshni, and Project Prerna.

The distribution process was thoughtfully planned to cater to the specific needs of each project group. Beneficiaries of Project Prerna received educational kits—including notebooks, pencils, and other learning essentials—supported by Gurudiksham, to encourage academic continuity and enhance learning opportunities.

In addition to this, the drive also featured a Pad Distribution Drive focused on menstrual health and hygiene. Sanitary pads, provided with the support of the Pinkishe Foundation, were distributed among women and young girls. This was accompanied by an interactive awareness seminar that addressed menstrual hygiene practices, debunked common myths, and encouraged open, informed dialogue around menstrual wellness. This component ensured that the support offered was both practical and educational, promoting dignity and health.

Through organized planning, sponsor support, and the dedicated efforts of volunteers, the Bling’25 Distribution Drive ensured equitable and timely resource allocation. By translating fundraising outcomes directly into on-ground action, CDF SVC continues to strengthen its mission of fostering positive, inclusive, and sustainable social change.
