Why wasn't it not done on notified dates?

During the notified dates, there was no Core and students in the department to host the freshers. The elections for the council of the department was delayed to end of August. This week was the first week we have had as a council to decide on things after confirmation by our Teacher in Charge Dr. Brahma Reddy Sir

Vishnujeet Shukla

The Economics Association inaugurated its tenure with its first event of the year - the Freshers' Welcome, held on 6th September 2025. The program was designed to officially receive and integrate the new batch of students into the department. It was seamlessly executed by the second and third year students, who worked with great dedication to ensure its success.

For the first time, the event extended beyond the Department of Economics, also welcoming students from the B.A. Programme (Economics Major), making the occasion even more inclusive and memorable.

The evening commenced with an address by the President of the Economics Association, Mr. Vishwajeet Shukla, who warmly welcomed the freshers. In his speech, he shared valuable insights from his own experiences as a student. The welcome address was followed by a comprehensive speech from Dr. Brahma Reddy, the Teacher-in-Charge of the department. He spoke about the transition from school to college and encouraged students to actively participate in the wide range of academic and extracurricular opportunities offered at the institution for their holistic development. Building on his words, Ms. Kanika Pathania and Mr. Krishnakumar also addressed the freshers, motivating them to make the most of their upcoming journey.

With the opening segment concluded, the stage was handed over to the second and third year students, who had prepared a series of vibrant cultural performances that set a lively tone for the evening. Adding to the excitement, the second-year students organized an innovative game designed around a "fake wedding" theme. Participants were divided into two teams - ladkevale and ladkivale - distinguished by badges. The game involved picking objects from a table in sync with songs being played, which kept the audience engaged and entertained throughout. Another interactive activity was a fun quiz in which freshers had to identify movies based solely on a sequence of emojis, sparking both laughter and competitive spirit.

The evening further unfolded with a ramp walk, giving freshers an opportunity to showcase their personal style and creativity in line with the event's theme. The finale of the program was the much anticipated Talent Hunt, where the freshers impressed everyone with an array of performances ranging from singing and dancing to mimicry and more. The event concluded on a celebratory note with the announcement of titles such as Mr. Fresher and Miss Fresher, marking a memorable end to the evening.

The Freshers' Welcome 2025 was a perfect blend of energy, creativity, and inspiration. With laughter, talent, and togetherness filling the evening, the event gave freshers a vibrant start to their college journey and left behind memories to cherish.
