BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	The annual Flagship event of the economics association, i.e., Blisspoint
OBJECTIVES	Blisspoint is an event where participants engage in thought-provoking dialogues, competitions, and activities that challenge conventional wisdom and inspire new perspectives. With a diverse lineup of events spanning various facets of economics and beyond, we aim to provide a platform for holistic growth and learning.
METHODOLOGY	Welcome address and introductory remarks by the college faculty and core team, followed by an enlightening presentation by distinguished speakers each day. The event concluded with an interactive Q&A segment. This was followed by 7 events spread across both days.

INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	<p>Dr Satyaki Roy, Associate Professor at ISID,</p> <p>Dr Pravakar Sahoo, Senior Lead at NITI Aayog,</p> <p>Dr Lekha Chakraborty, Professor at NIPFP,</p> <p>Mr Subhasish Nath, CEO, Global Risk Management Institute (GRMI),</p> <p>Mr Saurabh Jain, founder, Fun2Do Labs</p>
OUTCOMES	<p>The event began with Dr. Lekha Chakraborty’s powerful session on Fiscal Federalism and Gender Budgeting, urging policy to prioritise people over GDP and highlighting the need for human-centric, data-driven reforms. Dr. Satyaki Roy followed with an in-depth discussion on global trade, exposing structural issues in manufacturing and shifting power dynamics. Mr. Subhashis Nath explored emerging geopolitical trends, fiscal imbalances, and strategic realignments shaping the global economy.</p> <p>Mr. Jain inspired students with his entrepreneurial journey, stressing self-learning, innovation, and India's unique challenges. Dr. Pravakar Sahoo concluded the event with insights on India’s economic trajectory over the next 25 years, followed by an engaging Q&A on policy, governance, and global relevance.</p> <p>The events that followed attempted to engage the students to widen their intellectual horizons via fun activities, including debates, quizzes, case competitions and much more.</p>

Not keen on having Maggi Point on coupons as they are not giving any kind of subsidised items to our college students. However, he is paying heavily subsidised rent to college. We should not be promoting them at all. Since this is the 2nd time coupon is being printed, it is being allowed as one time exception.

REPORT

Organiser: The Economics Association, Sri Venkateswara College, University of Delhi.

Event: Blisspoint 2025

Date: 28th March, 2025

Venue: Seminar Hall, Sri Venkateswara College, University of Delhi

Blisspoint is the event that lies at the heart of our annual endeavours. It is an event that encapsulates the essence of our Economics contingent by encouraging innovation, fostering creativity, and stimulating thought-provoking dialogue among participants. Additionally, it embodies the spirit of innovation, creativity, and intellectual discourse.

This year, Blisspoint'25 is centred around the theme "**Where Darwin Meets Keynes in the Age of Global Geopolitics**", blending the schools of Charles Darwin and John Keynes, exploring the intricate dynamics of survival, adaptation, and transformation in the rapidly transforming global economic ecosystems.

The event would not have been possible without our title sponsor, Global Risk Management Institute. GRMI, with its cutting-edge postgraduate program in risk management, is a leader in this field, with its course covering all facets of risk.

DAY 1: March 28, 2025

The Economics Association of Sri Venkateswara College, under its flagship event, Blisspoint'25, hosted an insightful speaker session featuring an erudite group of academics; Dr Lekha Chakraborty, a Professor at the National Institute of Public Finance and Policy; Dr Satyaki Roy, an Associate Professor at Institute for Studies in Industrial Development, New Delhi and special invitee Mr Shubhashis Nath, Founder and CEO of Global Risk Management Institute (GRMI).

The event commenced with President Sriram Senthilkumar welcoming the audience and introducing Blisspoint'25. He highlighted the relevance of this year's theme, highlighting the intersection of economic thought and evolutionary change in global geopolitics.

Dr S. Krishnakumar, the department's teacher-in-charge, enlightened us with his inspiring words and introduced the guests of honour to the event. Then, the faculty presented our guests with mementoes. A traditional lamp-lighting ceremony marked the start of the program, symbolising knowledge and enlightenment. This was followed by the felicitation of distinguished guests, thereby honouring their dedication and contributions. The key highlight was the unveiling of the department magazine **Econ Expressions '25**, a celebration of student creativity and academic excellence.

The guests were then introduced with brief insights into their accomplishments, adding value and inspiration to the occasion and invited to the podium.

The first speaker, Dr. Lekha Chakraborty, delivered an insightful session on **Fiscal Federalism and Gender Budgeting**. She emphasised that in economics, *people matter*, and policies must reflect real-life needs across research, business, and finance. Citing John Robinson's idea that *what goes around comes around*, she urged students to *go beyond definitions* and translate ideas into actionable policies. She highlighted the role of statistical organisations in collecting data and conducting surveys to shape policies beyond mere GDP figures. Discussing the relationship between public policy, budgeting, infrastructure, and human development, she argued that GDP is not everything—human-centric policies are essential. She also stressed the impact of R&D in shaping inclusive economic policies and how **gender budgeting** is a crucial tool to combat gender discrimination and create equitable opportunities in society.

Our second speaker of the day was Dr. Satyaki Roy. Dr Roy talked about the Global Trade dynamics concerning the globalised world of the 21st century. He took the discussion forward by providing an in-depth analysis of Indian and Global Import-Export conditions, highlighting the structural challenges within the manufacturing industry and the broader implications of global production channels and networks on developing and underdeveloped nations. His insights shed light on the evolving nature of global hegemony in the context of globalisation, offering students a comprehensive understanding of the multifaceted challenges and opportunities in international trade.

The final speaker of the day was Mr. Subhashis Nath. He presented a comprehensive picture of emerging economic trends and geopolitical realignments reshaping the global order. Drawing on his experience in international affairs, geoeconomics and strategic affairs, Mr. Nath examined global trade flows, fiscal

disequilibrium, and political reconfigurations. He also highlighted how evolving power dynamics among major economies influence multilateral trade agreements, monetary options, and development agendas. His commentary enabled students to visualise the broader context of fiscal strategies and policy responses in an evolving multipolar world.

The ceremony concluded with a Q&A session and a heartfelt gratitude to all participants and organisers, leaving the audience with pride and motivation.

Events Report:

1. ClueQuest

ClueQuest was hosted by the Economics Association of Sri Venkateswara College on the first day of its Annual Event, Blisspoint 2025. Harshita Gupta and Mukund Baheti headed the event.

ClueQuest was a multi-round event hosted by the Economics Association at Sri Venkateswara College's annual fest, Blisspoint '25. It assessed participants' knowledge of economics, logical reasoning, and overall awareness in three engaging rounds. The activity began with an online crossword event hosted on Unstop. The top teams from this initial round moved to the offline second round — an action-packed treasure hunt. Teams solved their way through campus using cryptic clues to get to specific points. Organisers validated their answers at each point before releasing the next clue. The top five teams that broke the trail made it to the final round. The third and last challenge was an escape room. All five teams were given a laptop with 11 PDFs, one unlocked the other in sequence. It required accuracy, creative thinking, and speed. The first three teams to successfully unlock all 11 clues won. The 1st position was secured by the team comprising Vaibhav Sharma, Karan Patel, and Krishna. The Event Heads and Dr Mausumi Mohanty congratulated the winners. It was an event that was intellectually charged, which combined the elements of thrill, teamwork, and a dash of chaos, characteristically Blisspoint spirit.

2. Pazariq

Pazariq was hosted by the Economics Association of Sri Venkateswara College on the first day of its Annual Event, Blisspoint 2025. Ayush Hans and Jessica headed the event.

As a part of Blisspoint 2025, the Economics Association of Sri Venkateswara College organised a case competition -Pazariq, which witnessed enthusiastic participation and was judged by Gauransh Singh Bhatia and Vibhav Harit. The theme for the case competition revolved around Alpha Pharma, a growing Indian pharmacy, grappling with the challenges posed by newly imposed US tariffs. The participants were expected to derive solutions to navigate the situation and to provide strategies for its growth and innovation. The competition witnessed the participation of 20 teams from various esteemed colleges of Delhi, each delivering high-quality presentations that addressed key aspects such as cost considerations, global competition, feasibility analysis and other strategic factors. Each team had a unique take on tackling the issue, addressing various socio-economic and business strategies. The event was further enlivened by intense cross-questioning rounds from the participants and the judges, fostering insightful discussions. The 1st position was secured by Team Case Busters, represented by Atharv Gupta. Overall, Pazariq proved to be a platform for future leaders to attest their market understanding.

3. Code Red

Code Red was hosted by the Economics Association of Sri Venkateswara College on the first day of its Annual Event, Blisspoint 2025. Manan Dewan and Arshia Pundir headed the event.

CODE RED was held on 28th March as a part of Blisspoint'25. The event consisted of forming a crisis committee to deal with global crises, with an aim to provide students with a platform to engage in diplomatic discussions, improve public speaking and negotiation skills, and stimulate international relations. The event hosted 8 teams from various colleges across Delhi University. The major objective of the competition was to enhance critical thinking, problem-solving in international affairs and public speaking skills among students. The competition featured committees such as HSBC, Deutsche Bank, BNP Paribas, World Bank, JP Morgan Chase, AIIB, Sber Bank, and the IMF.

The competition consisted of crises such as debt restructuring policy, the USA's withdrawal from the IMF and the World Bank, the freezing of monetary transactions between the country and the organisation, and the Petrodollar agreement. The delegates were judged on the basis of their research, diplomatic skills, and ability to solve crises and negotiate. With a sharp eye and composed presence, Ms. Aislinn ensured thoughtful evaluation. The 1st position was secured by Reya. After the feedback session with the participants, in which much constructive criticism was exchanged, they parted ways, each having gained a little more understanding of what real-world crisis decision-making can look like.

4. Ecodessey (Flagship Event - Day 1)

Ecodessey was hosted by the Economics Association of Sri Venkateswara College on the first and second days of its Annual Event, Blisspoint 2025. Prachi Kapoor, Anusha Katyal and Krsna Varadpande headed the event.

The Economics Department proudly presented **Ecodyssey: Rebuild, Revive, Revitalise**, the flagship event of **Blisspoint'25**, a competition that transformed economic theory into a thrilling, hands-on journey. In economics, the "Blisspoint" represents the optimal balance – the precise combination of elements that delivers maximum satisfaction without excess. Ecodyssey embodied this concept, challenging participants to craft winning strategies with limited resources across three dynamic stages: **Ecoludo**, **The Auction**, and **The Pitch Deck**. With a prize pool exceeding ₹20,000, the stakes were high, and the experience was nothing short of extraordinary.

Ecoludo launched with an enthusiastic welcome that set an inspiring tone. Participants were immediately immersed in a rich narrative — a world of islands where survival hinged on sharp decisions. Round One thrust them into action: with scarce resources and a relentless clock, they strategised, negotiated, and bid for control of the islands. The atmosphere crackled with intensity as they balanced analysis with instinct, each move amplifying the stakes.

The eight teams advanced to **The Auction**, held on campus, where critical thinking met real-time challenges. Guided by inventive lore — featuring a protagonist consulting an ancient, timeless machine code — they tackled diverse auction formats to secure vital resources for their islands. With limited funds and tight timelines, every decision demanded precision. The pressure turned the room into a crucible of strategy and resilience.

DAY 2: March 29, 2025

Organiser: The Economics Association, Sri Venkateswara College, University of Delhi.

Event: Blisspoint 2025

Date: 28th March, 2025

Venue: Seminar Hall, Sri Venkateswara College, University of Delhi

The Economics Association of Sri Venkateswara College, under its flagship event Blisspoint'25, hosted an insightful speaker session, featuring Dr Pravakar Sahoo and Mr Saurabh Jain.

The event commenced with President Sriram Senthilkumar welcoming the audience and introducing Blisspoint. He elaborated on the relevance of this year's theme, highlighting the intersection of economic thought and evolutionary change in global geopolitics. Vice President Bhavya Pant then introduced the esteemed guests. Dr S. Krishnakumar, Teacher-in-Charge of the Department, provided an introduction to Mr Saurabh Jain, emphasising his journey as the Founder of Fun2Do Labs, Director General at ADIF, and Ex-Vice President at Paytm. He then presented him with a memento and the association's annual magazine, Econ Expressions '25, before inviting him to speak.

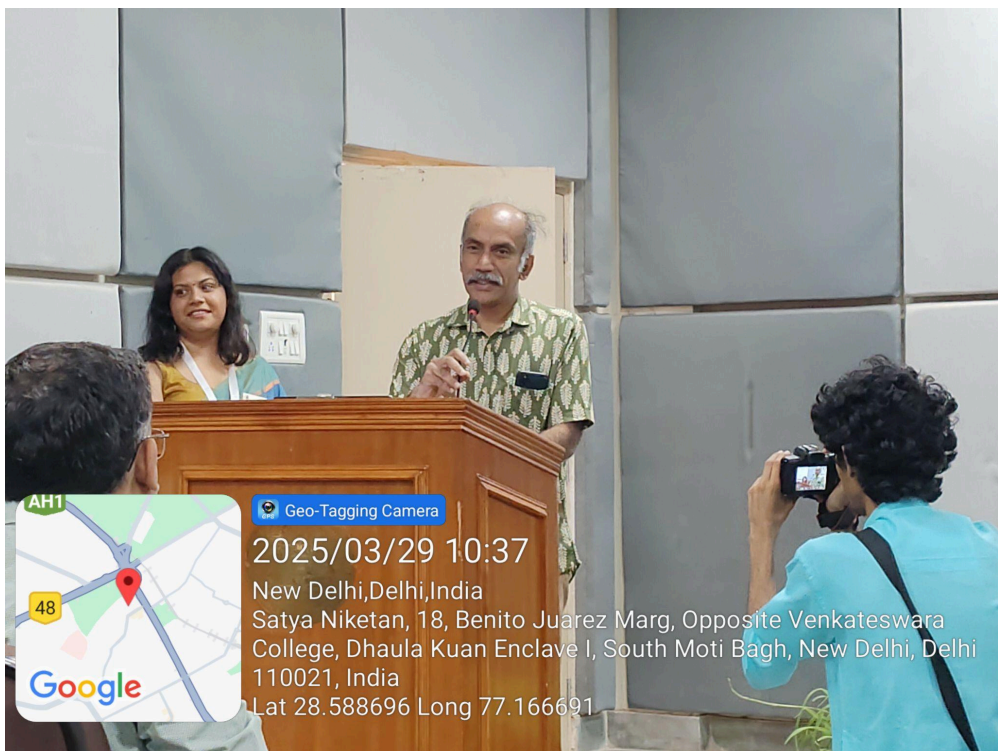

Mr Jain, a Chartered Accountant with a deep passion for technology, shared insights on self-learning and entrepreneurship. Referencing Adam Smith's needle manufacturing example, he illustrated the power of the division of labour and economic efficiency. He introduced the concept of the Age of Abundance, explaining how resource constraints are diminishing, while time and human resources remain critical challenges. Drawing from his experience at Paytm, he discussed the importance of building solutions for India, stressing that real innovation comes from solving pressing problems, not just technological advancements.

After Mr Jain's address, the Editorial Head, Jayveer Sehgal, invited Dr Pravakar Sahoo to speak. Dr S. Krishnakumar introduced him and presented him with a memento and a copy of the annual magazine. Dr Sahoo, a professor at the Institute of Economic Growth (IEG), New Delhi, discussed India's economy and its future over the next 25 years. Through a presentation, he described India as an important part of the global economy and a trusted partner worldwide. He emphasised that India's growth is the result of well-planned policies rather than chance. He explained key areas of economic progress, including reforms shaping development, a strong banking sector, trade and investment policies, and important social and economic indicators that reflect the country's long-term growth.

After his address, Dr Sahoo engaged in a thought-provoking Q&A session, where he addressed crucial topics such as the falling rupee, NITI Aayog internships, local governance, and the issue of EV protectionism.

The session concluded with Joint Secretary, Ananya Singh, delivering the vote of thanks, expressing gratitude to the esteemed guests, faculty, title sponsor, and the audience. A group photograph was taken,

after which the participants went to their respective competitions. The events conducted on the second day were Ampersand, Econquizta, and Adaptonomics.

Events Report:

1. Ecodessey (Flagship Event - Day 2)

The grand finale, **The Pitch Deck**, brought the journey to a crescendo. Before an esteemed jury — **Ms. Bhavika Dabbar** (COO, EBS Sustainable Youth Organization), **Mr. Ashish Kumar Singh** (Founder and

COO, Aspirant Learning), **Mr. Subhashish Nath** (Founder & CEO, Global Risk Management Institute), and **Dr. Kanika Pathania** (Assistant Professor, SVC) — teams presented their islands' economic blueprints. The creativity and depth of each pitch were remarkable, and the jury's insightful feedback elevated our perspectives, bridging game theory with real-world applications. The 1st position was secured by Team Fighters, represented by Gia Singh.

Ecodysey helped participants chase their "blisspoint" — that perfect equilibrium of effort and outcome — and found it not only in their strategies but in the connections and insights gained. Participants, organisers, and jurors alike departed with a sense of fulfilment, proving that Ecodysey was a victory for all involved. Bliss Point '25 set a new benchmark, and we're already counting the days until next year.

2. Ampersand

Ampersand was hosted by the Economics Association of Sri Venkateswara College on the second day of its Annual Event, Blisspoint 2025. Priyanka Sheokand and Anushka Jha headed the event.

Ampersand was the premier debating event of Blisspoint 2025, hosted by the Economics Association of Sri Venkateswara College. The event followed a Formal parliamentary debate format and began with the unveiling of the first motions for the teams. As teams engaged in intense discussions, intellectual prowess flowed in as the teams delved into complex socio-economic scenarios, giving their perspectives and shaping the narrative. The debate was adjudicated by Aryan Awasthi, Prakhar Gupta, Reya, Sanvi Ganguly, Priyanka Sheokand, Ayush Hans & Prateeksha Shukla.

In the final, the motion featured was 'Creation of a BRICS currency', and after an immense standoff and a battle of words between the proposition and opposition, the adjudicators delivered their final verdict in favour of the Proposition. The 1st position was secured by Team Impact, comprising Aradhy and Tavisha. Finally, the event concluded with a vote of thanks by the event heads, Anushka Jha and Priyanka Sheokand, and the participants were felicitated by Ms. Mausumi Mohanty alongside the Event Heads.

4. Adaptonomics

Adaptonomics was hosted by the Economics Association of Sri Venkateswara College on the second day of its Annual Event, Blisspoint 2025. Maanvi Singhanian and Akshat Shukla headed the event.

Adaptonomics was a paper presentation competition organised by the Economics Association as part of Blisspoint '25. The event tested students' ability to research, critically analyse, and respond to economic issues, both through written insight and live presentations.

The first round was conducted online, where participants submitted a concept note on diverse economic themes. Selected participants were then invited for the on-campus second round held on 29th March, 2025, where they presented their papers and were also given hypothetical scenarios to evaluate in real time.

Presentations commenced at 12:30 PM with Chyanika Duhan, who explored how India is at a crossroads between economic nationalism and global cooperation. Her Q&A session delved into the unpredictability of geopolitics, including a scenario involving China and Taiwan, and her views on Aatmanirbhar Bharat.

Next up was Aditi, whose paper titled Heat Stress and Economic Precarity began around 12:50 PM. The judges engaged her in a Q&A session at 1:05 PM, and her presentation concluded at 1:17 PM.

Anshuman followed with a presentation on Military Keynesianism in India, which wrapped up by 1:34 PM. The judge appreciated the depth of the paper and noted that Anshuman hailed from Shaheed Sukhdev College of Business Studies.

At 1:43 PM, Piyush presented his work, which concluded by 1:54 PM. While the paper was noted as a fair attempt by the judges, valuable feedback was provided for further improvement. A 15-minute break was then taken at 2:06 PM.

Post-break, at 2:40 PM, Akansha and Anushkia presented their paper on Green Technology and Sustainable Economic Policies. Their presentation ended at 2:55 PM and was followed by an interactive Q&A session.

The next presentation on Economic Inequalities at the Global Level began at 3:06 PM. Although the participants exceeded their allotted time by 15 minutes, the depth of their analysis prompted an engaging Q&A session.

The final presentation began at 3:30 PM and concluded the session by 3:50 PM. Following this, the judges were presented with hypothetical situations that tested each participant's responsiveness and critical thinking in real time.

After a thorough evaluation, the winners were announced and awarded certificates. The first position was bagged by Priyam Aggarwal. Adaptonomics stood out as an intellectually engaging event that pushed participants to think on their feet while grounding their insights in solid research — a true embodiment of Blisspoint's spirit.

ALUMNI MEET 2025

The Alumni Meet 2025 of the Economics Association of Sri Venkateswara College was held on 29 March. It welcomed those who once graced our very own college and now flourish in their own fields. The function was hosted by Bhavya Pant and Vatsal Jain, the Vice President and Joint Secretary of the Economics Association. The event was attended by alumni, current members, and faculty of the department.

The event was kick-started by Dr. S. Krishnakumar, Teacher-in-Charge of the Economics Department. He shared wonderful memories of times past with the attendees. Next, Brahma Reddy sir welcomed the returning alumni, creating a warm and nostalgic atmosphere for the evening. Both professors expressed their immense joy in witnessing their former students return to the very grounds where their academic journeys began. They reminisced about how the department has evolved over the years, how they take pride in seeing the alumni reach great levels of achievement in areas of work like business consultancy, policy research, and academia, and in the feeling of satisfaction derived from seeing the students grow into effective professionals and mature individuals. They expressed not only warm sentiments but also expectations about continued involvement and contribution on the part of the alumni to the future of the department.

Putting a lively cultural zest to the night, students of the department group performed a vibrant and lively dance performance, which received applause with enthusiasm. The dance was a gesture of appreciation and a celebration of the enduring relationship between the department and the alumni.

Following the performance, the students and alumni engaged in interactive games and recreational activities, providing a fun and light-hearted touch to the event. There was laughter and camaraderie in the garden, with memories being recalled and new ones forged.

The evening proceeded with a cake-cutting ceremony, which signified celebration and the sweetness of common history. This was then followed by the issuance of mementoes to the alumni as souvenirs of remembrance and appreciation from the department.

The Alumni Meet 2025 ended on a happy note, with smiles, photos, and a sense of belonging that cut across time. The event not only brought back fond memories but also reinforced the expanding network and abiding spirit of the Economics Association—a family that still flourishes far beyond the college gates.
