Problem statement from https://sih.gov.in/sih2025PS

Sri Venkateswara College organizes an Internal Hackathon as a preliminary step to shortlist teams for the Smart India Hackathon (SIH).
This document shares the complete timeline of the college's Internal Hackathon, along with all necessary details to understand its functioning.
It offers a comprehensive view of the event process from start to conclusion.

Here are the key guidelines of the SIH INTERNAL HACKATHON-SVC:

- **Team Formation**:

a) All team members must belong to the same college (inter-college teams are not permitted).
b) Each team must consist of 6 student members, including one designated Team Leader.
c) A Mentor may also be included; however, having a Mentor is optional.
d) At least one female team member is mandatory.
e) Teams from outside the college are also eligible to register.

- **Select the problem statement** from https://sih.gov.in/sih2025PS . For software edition, programming skills are crucial. For hardware edition, multi-disciplinary teams are encouraged (Mechanical Engineers, Electronic Engineers, Product Designers, Programmers, etc.)

- Maximum of 50 teams (45 selected + 5 waitlisted) will be sent from our college to participate in the MAIN SIH event. Prizes will be awarded to the three best ideas, ranked First, Second, and Third.
- These teams will be shortlisted on the basis of their performance in the INTERNAL HACKATHON conducted by SVC.
- SPOC of SVC will fill the nomination details on SIH portal
- **DO NOT register yourself individually on the SIH Portal, the college will do that on your behalf when you clear the INTERNAL HACKATHON Rounds.**

INTERNAL HACKATHON ROUND

Problem Statement: Work on the same problem statement you filled in the registration form https://www.sih.gov.in/sih2025PS

Guidelines:

- You have to present the PPT of the project and **may** also present the prototype of the problem statement chosen for the SIH Event submitted in the form.

Expected Submission:

- PPT of the project for the SIH event. (6 PAGE PPT).

- Prototype of the project or a demo video may also be presented
- Each team will be given **10 minutes** for their presentation, followed by a **5-minute Q&A session**; the duration may be adjusted depending on the number of registered teams.

Judging Criteria

- Overall presentation, functionality and uniqueness of the idea/prototype.
