EVENT REPORT

Name of the event: COMVERSE'2025 (Bi-annual fest)

Date: October 1st, 2025

The Commerce Association or ComSoc of Sri Venkateswara College organized its flagship event, Bi-annual fest- COMVERSE'25, featuring multiple segments that celebrated the spirit of collaboration and innovation. The gathering commenced with the traditional lighting of the lamp and a soulful rendition of Saraswati Vandana, invoking blessings for wisdom and success. A warm welcome was then extended to the esteemed faculty of the Commerce Department, in recognition of their continued guidance and support. The event was inaugurated by Teacher-in-charge, Department of Commerce, Dr. Sindhumani Bag, Convenor, ComSoc, Dr. Vinod Kumar, who highlighted the vibrancy of the society and its role in fostering growth and learning. The ComSoc Convenor, Dr. Vinod Kumar, then took the stage to share a few words that set the tone for the day. In his address, he spoke about the collaborative spirit and dedication that drive the Commerce Department, and acknowledged the efforts of students and faculty in making Comfluence a meaningful platform. He then introduced the guest speaker, Mr. Aditya, an engineer who has transitioned into the field of commerce highlighting the relevance of interdisciplinary learning and the value of diverse perspectives in today's professional landscape. Mr. Aditya Poddar, a renowned entrepreneur and founder of Fit Feast, a brand championing healthy and sustainable snacking graced the event as the guest speaker. Known for his appearance on *Shark Tank India*, Mr. Poddar shared his inspiring journey of resilience, learning from failure, and building a customer-centric business that now boasts an annual run rate of ₹6 crore as of 2025. He spoke about his transition from engineering to entrepreneurship, his expertise in data analytics, and his impactful work in the non-profit sector, which has benefited over 1,000 underprivileged children. Emphasizing the importance of innovation, adaptability, and teamwork, he explained how he transformed protein consumption from a supplement into a daily habit making it both accessible and distinctive. Once he cracked that formula, *Fit Feast* flourished. The session was deeply motivational and left a lasting impression on both students and faculty alike. The Dr. Vinod Kumar expressed his deep sense of gratitude to ComSoc members from faculty Dr. M. Rama Naik, Dr. Mohini Yadav, Ms. Angel Josy Lakra and faculty members Ms. Sunita Chhabra, Dr. Shruti Mathur, Dr. Pooja Jain, Dr. Davendra Malapati, Dr. Arpita Kaul, Dr. Antima Sharma, Dr. P. Chengalrayulu, Mr. Ajit Singh for giving their valuable time and attending the event. In addition to this, we expressed our deepest gratitude to our principal Prof. Vajala Ravi, Vice Principal Mr. Chandramani and all faculty members of the Department of Commerce.

SPEAKER SESSION

The session with Mr. Aditya Poddar proved to be both engaging and insightful. He candidly responded to students' questions, sharing his experiences with early setbacks, financial challenges, and the journey of building 'Fit Feast'. He explained his decision to enter the protein segment, highlighting its growing relevance in a health-conscious society. Mr. Poddar emphasized the importance of consistent effort, a clear vision, and learning from customer feedback, factors that played a crucial role in his success. His honest and motivating responses left the audience inspired to pursue their goals with resilience and clarity. He concluded by encouraging students to reflect deeply on their ambitions, noting that entrepreneurship isn't for everyone but if the idea of not creating something of your own keeps you awake at night, it might be worth exploring. The session ended with a group photograph featuring Mr. Aditya Poddar, the members of the Commerce Association, and faculty members.

DICE & DESTINY

The Commerce Association successfully conducted its flagship event, “Dice and Destiny,” a Monopoly-inspired competition designed to test participants’ analytical thinking, teamwork, and spontaneity. Students from various courses and years participated enthusiastically, and after a rigorous shortlisting process based on creativity, originality, and passion, five teams - Growth Greeks, Think Tanker, Visionary, Vanguard, and Inside Mafia advanced to the final round. The event began with a sponsor video followed by an icebreaker activity, “Guess the Can,” which helped participants ease into the competition and build team spirit. The main round featured a customized Monopoly board where teams rolled dice, moved across the board, and completed a variety of challenges such as charades, number guessing, emoji quizzes, and creative problem-solving. Each turn combined elements of chance and strategy, keeping the competition dynamic and engaging. Teams demonstrated distinct strengths: Growth Greeks showed strategic acumen, Visionary excelled in communication, Vanguard and Think Tanker maintained steady performance, and Inside Mafia stood out for their creativity. The judging panel assessed teams on strategy, coordination, creativity, time management, and enthusiasm to ensure a fair and comprehensive evaluation. As the game progressed, the atmosphere grew increasingly competitive, with teams making bold moves, strategic purchases, and occasionally facing penalties. Despite the intensity, the spirit of sportsmanship remained strong. The event concluded with applause for all participants and appreciation for the organizing team. “Dice and Destiny” proved to be more than a game, highlighting the importance of quick thinking, collaboration, and adaptability, and leaving a lasting impression on everyone involved.

WINNERS – THINK TANKERS (SRI RAM COLLEGE OF COMMERCE)

CASE CURE – THE CASE COMPETITION

Case Cure was a national-level case competition that drew participation from over a thousand students across the country, testing their analytical, strategic, and creative thinking skills. The competition unfolded in multiple rounds, beginning with an online quiz that evaluated business acumen, followed by a detailed deck submission round where teams proposed innovative and practical solutions to real-world business problems. The top 10 teams advanced to the offline presentation round, where they presented their final solutions before a panel of two highly qualified industry judges. The teams that made it to the final stage were:

Blue Heart, Team KKV, Ace It, Strat Edge, Case Catalysts, Samadhan, Chole Bathure, UXPLORERS, Think Tank, and Boldman Sachs.

After an intense and insightful series of presentations, Team Think Tank emerged as the winners, impressing the judges with their creativity, feasibility, and innovative approach to problem- solving.
