The "NEP 2020 Poster Making Competition," an initiative of the NEP SAARTHII Committee at Sri Venkateswara College, was conducted on September 9, 2025, in Audi Lobby, commencing at 2:45 PM. The competition aimed to actively involve the student body with the tenets and anticipated implementation of the National Education Policy 2020. Prior to the event, interested students were required to register via an online Google Form, facilitating a streamlined organizational process. On the day of the competition, registered participants convened at the designated venue, where they were provided with the necessary instructions and guidelines.

The poster making session proceeded in a dynamic and innovative environment. Students beautifully drew the broad theme of engaging with the vision and implementation of NEP 2020, drawing upon their understanding of the policy's objectives and potential impact. The posters made during this period reflected a spectrum of interpretations and analyses, demonstrating varying levels of engagement with the policy's multifaceted dimensions. The event was judged by Prof. Anant Pandey and Prof. Ram Kishore Yadav. The assessment process

focused on criteria such as the clarity, articulation of idea, the depth of comprehension of NEP 2020, the neatness of colours, and the originality of the insights presented by the participants.
