Regarding Selection of AEC, GE, SEC and VAC Options

ONLY FOR SEMESTERS III and V

This is to inform all the students of **Semesters III and V** that the ERP portal shall be reopened to select AEC, GE, SEC, and VAC options only for those students **who could not fill their preferences earlier**. The students who had already filled out the form completely and have been allocated AEC, GE, SEC, and VAC papers are not allowed to fill the form again.

The window shall remain open from **13th August 2025 to 17th August 2025**.

The students filling out the Course Allocation Form (CAF) may note the following:

1. There is a common form for the selection of AEC, GE, SEC, and VAC options.
2. Check the eligibility/pre-requisites for the courses and apply only if you are eligible/fulfil the prerequisites for the course.
3. The students must go through the notices published earlier and the instructions given on the ERP for AEC, GE, SEC, and VAC courses before filling in the option form.
4. Three distinct paper options must be selected in order of preference for AEC, GE, SEC, and VAC papers.
5. The GE, SEC and VAC papers are filled on first-cum-first serve basis. So, limited seats are available for these courses. The option shall close as soon as the required seats are filled.
6. Do not apply for a VAC/SEC that you have already studied in the previous semester(s).
7. Students must not opt for any GE paper if the syllabus of the GE has more than 30% similarity to any DSC/DSE/GE paper studied so far or to be studied in the following semesters as part of their curriculum.
